

# Mechatronics Laboratories

## 1. Basics of Electrical and Electronics Lab

## 2. Analog Electronics Lab-I

### 3. Thermal Engineering Lab-I

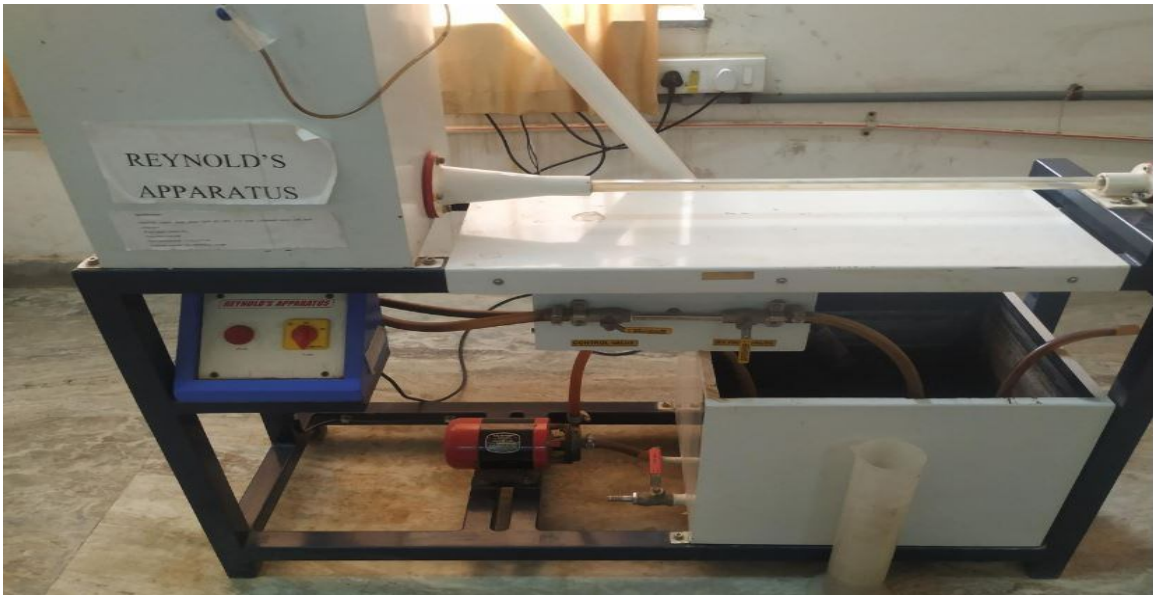

#### 4. Production Engg. Practices Lab

## 5. Microprocessors Lab

## 6. Fluid Mechanics Lab

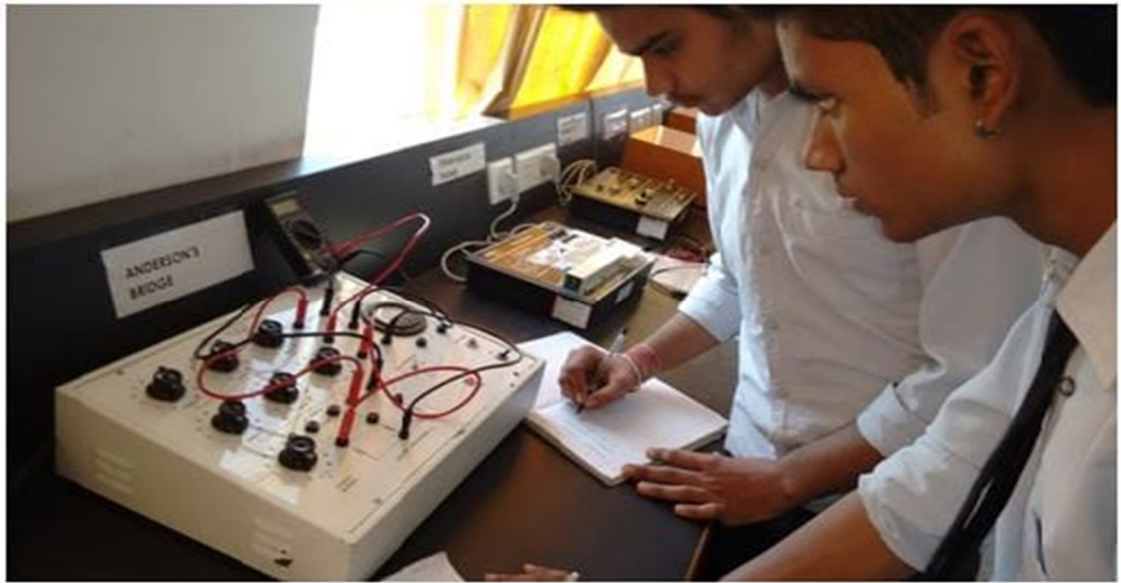

## 7. Dynamics of Machine Lab-I

## 8. Mechanical Measurement & Control Lab

### 9. Metrology & measurements Lab

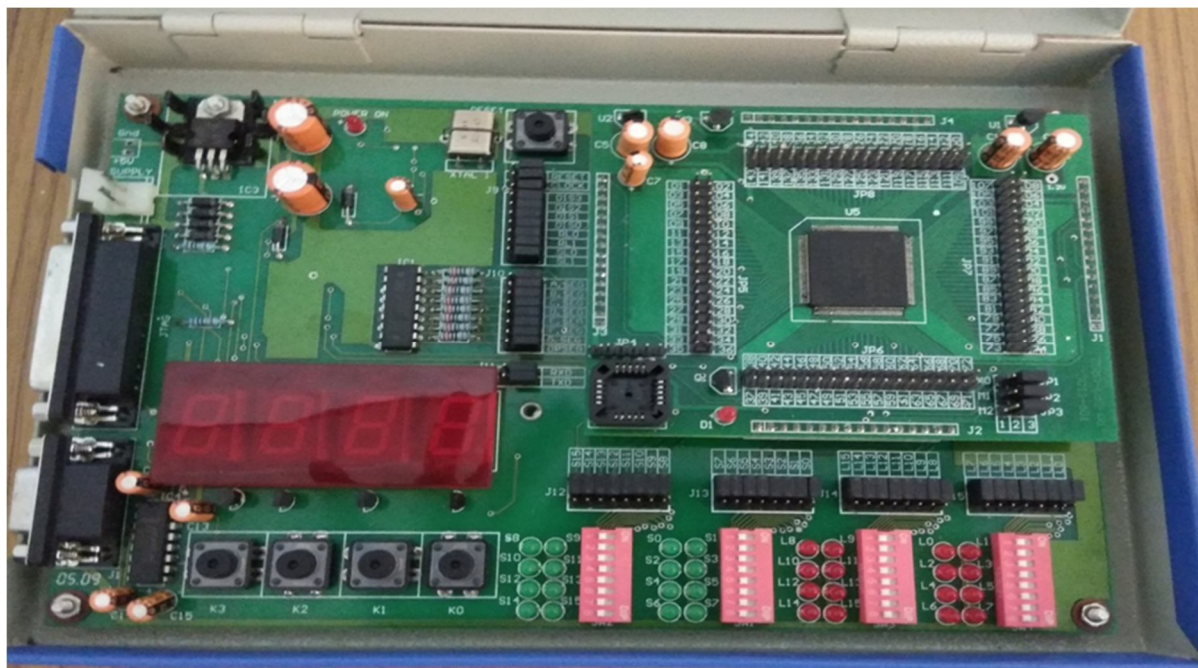

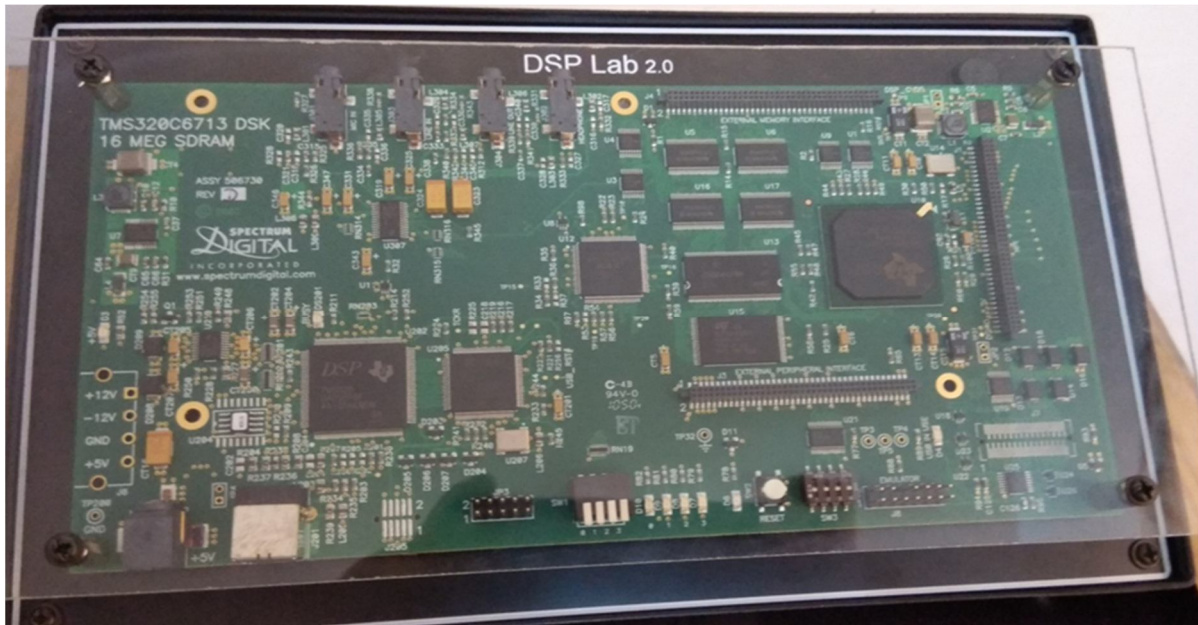

**10. Microcontroller & PLC Lab**

## 11. Digital Communication Lab

## 12. Digital Signal Processing Lab

### 13. Embedded Systems Lab

### 14. Electrical Machines and Drives Lab
