

## Mewar University and Aditya Birla Training & Research Centre (ABTRC) Collaborative Programmes

Aditya Birla Training & Research Centre (ABTRC) is having its office at Pilani (Rajasthan). ABTRC is a reputed institute giving comprehensive training to young men and women irrespective of their cast, creed and colour to facilitate their overall development. ABTRC is having three state of art labs in the areas of Electronics and Communication, Electrical and Computer Science & Engineering to provide best possible training and guidance to post graduate and research students.

The following programmes are in progress w.e.f July 2013 in collaboration with ABTRC as training partners in:

1. M.Sc/ME/M.Tech Degree Programme in Multimedia and Data Management, Telecommunications and Signal Processing, Automation and Control Systems and Embedded Systems
2. Integrated M.Sc/ME/M.Tech + Ph.D Programme in Multimedia and Data Management, Telecommunications and Signal Processing, Automation and Control Systems and Embedded Systems

3. Ph.D Programme in Multimedia and Data Management, Telecommunications and Signal Processing, Automation and Control Systems and Embedded Systems

Mewar University is conducting these programmes at University Campus. Students enrolled in these programmes will be sent for training and research in above mentioned Institute.
