Organized by:

Department of Computer Applications

Mewar University,

Chittorgarh, Rajasthan

About Mewar University

Mewar University is an autonomous body promulgated by the Government of Rajasthan through Act No. 4 of 2009, passed by Rajasthan Assembly. The University is further approved by the UGC u/s 2(f) of the UGC Act 1956, with the right to confer degree u/s 22(1) of the UGC Act.

Mewar University is promoted by the Mewar Education Society (MES). It is controlled by a Board of Management, constituted by the MES, which is headed by Chairperson Shri Ashok Kumar Gadiya, a great visionary, educationist, and nationalist, who translated his ideas and dreams of promoting higher education into reality by setting up institutes of learning in various subjects. Mewar University strives to provide the best possible infrastructure and research facilities to its students and teachers. From its inception, Mewar University has focused on research-oriented education and given pride of place to its Ph. D. programs on general, technical and professional subjects.

About Conference

It is one of the major platforms for academia, industry and government to discuss research results, advancement and future trends in computer applications and software engineering. The main objectives of this international conference are:

1. To bring together researchers and industrial practitioners to explore challenges, issues and opportunities in software engineering and computer applications.

2. To create awareness and also to provide a perfect platform for the participants to upgrade their knowledge and experience and to discuss on the ways to disseminate the awareness of the latest software engineering concepts, methodologies and advancement in computer applications.

Call for Papers

Research papers from Engineers, Research Scholars, Scientists, Academicians, R&D personnel, Consultants, Government and non government organizations are invited for present in technical sessions. Full paper of maximum six pages of A4 size single columns in given format (Ms-Word doc file) should be forwarded to convener of organizing committee by email. The acceptance will be notified to the participants via e-mail.

The original and unpublished research papers accepted for presentations will be published. The paper should be in the myriad of conference themes listed below:-

Track – I (Software Engineering)

➢ Software Engineering practices and methodologies
➢ Software Metrics and data collection techniques
