

### Faculty of Engineering & Technology

#### **Course – MBA & B.Tech (Dual Degree-Credit Based Flexible) Integrated Program**

In the present day world the organization in specific work area (like IT, Banking etc.) are getting large and required to be managed at various level to grow smoothly. To manage such vast and specific domain organization at the middle and top-level management level, simple managerial skill is not sufficient but the domain expert person acquainted with managerial skills is the desired ones. Hence, in the present day context, there is need of such programmes that may render sufficient managerial skill along with domain expertise in the prospective employees/ entrepreneurs.

In this MBA & B.Tech (Dual Degree) Integrated programme at Mewar University, students learn to provide effective and efficient business solutions with proficiency in engineering & management applications. They fit into the niche area of managers with a strong technical background, because of their ability to act as a liaison between the radically different management and technology sections of a company. The academic curriculum of the program effectively integrates concepts and practices of engineering and management. This integrated programme along with imparting both type of knowledge & skill would also save one complete academic year of the candidates.

The programme provides dual academic certifications (Graduate and Post graduate) after the completion of ten semesters. Student will be awarded with B.Tech degree at the successful completion of eighth semester and M.Tech degree in the elected specialization at the successful completion of tenth semester

#### **Duration :**

- MBA dual degree with B.Tech : 5 Years (10 semesters)
- B.Tech : 4 Years (8 semesters)

#### **Choice of Discipline :**

##### **At B.Tech Level :**

- Computer Sc. & Engineering
- Electronics & Communication
- Electrical & Electronics Engineering
- Civil Engineering
- Electrical Engineering
- Mechanical Engineering
- Chemical Engineering
- Automobile Engineering

##### **At MBA Level :**

Choices of more than 10 specializations

#### **Eligibility Criteria :**

- 10+2 with PCM with 50%

#### **Qualifying Exam :**

AIEEE / Any National or State Level Engineering Entrance Exam

## Programme Fee :

- Tuition Fee Rs. 65,000/- (Per Year)
- Examination Fee Rs. 3000/- (Per Year)

### **(Stationary, Books & Uniform Charges will be extra as applicable from time to time)**
