Dear Sir/Madam,

It gives me immense pleasure to inform you that Department of Mathematics, Mewar University, Gangrar, Chittorgarh is organizing a National Conference on **“Recent Trends in Mathematics and its Applications, NCRTMA -2013”** on **23rd March, 2013**.

The conference shall provide a common forum for presentation and discussion on new trends in Mathematics and its applications among Scientists, Engineers, Technocrats, Academicians, Researcher and Industrial persons who have a vital role to play in the emergence of new theories, models, systems, and technologies. They also have a responsibility to harness these for common good and strive to prevent their possible ill effects in the era of rapid growth in technologies. NCRTMA-2013 will play a significant role in generating awareness about the potential and the limitations of new technologies of Science, Engineering and Medical Science. The objective of NCRTMA - 2013 is to bring together experts from industries, academia, R&D Institutions and other user communities on a common platform to share their expertise and experiences.

We invite you along with your esteemed colleagues to contribute papers and actively participate in the conference.

A brochure containing details regarding this conference is enclosed for your reference. Kindly disseminate the information to the persons engaged in research in your organization and encourage them to contribute papers and participate in the conference.

Call for papers

Authors are being invited to submit their Original Technical research papers previously unpublished, not currently under review by another conference or journal; the papers are solicited on conference themes mentioned in the brochure. All submissions will be subjected to at least two blind reviews. Acceptance will be based entirely on quality, relevance and originality. However, the research ideas from relevant and related areas are also welcome.

Registration is compulsory for each paper.

With best regards,

Dr. Harish Nagar
