## Message of Chairman, MES, Chittorgarh

For development of a country, education is the most important ingredient. But; it has to be such that it leads to the opening of human mind for perpetual growth. True education must not limit itself to completion of syllabus only for creating Degree only people. It should, instead, aim at development of complete individual, who can lead the humanity to the road of continuous growth. Since time immemorial, India has given the human civilization many path breaking innovations. It gave the world one of the oldest Universities like Nalanda, India has always been a pioneer in spreading the light of education to the world. But some how, we have been deviated from the basics of Indian heritage and culture. Mewar University, I sincerely believe, shall carry forward the glorious heritage of Indian education and philosophy to present the world a new blend of human resources whose optimum utilization, shall make India, the leader in the 21st century.

(B.L. Gadiya)

## From the Chairperson's Desk

Dear Students,

I welcome you to Mewar University. You are witnessing a turning point in your career after completing initial education in schools and colleges. You are looking forward to opt for a Higher Education course, which can develop you as a confident, vibrant, self-reliant and sought after professional in future. At this juncture, I can assure that your entry into Mewar University will be the key to your success.

Yes! Mewar University can make the difference. The University is designed to educate and train you in the subject of your choice, by following the best standards available in this sphere. Over and above, it will orient your personality to suit the desired job profile through sustained exposure to extra curricular activities and Personality Development Programmes.

The extensive infrastructure, ultra-modern Labs, state-of-the-art library, highly qualified and experienced faculty, well designed hostel, catering arrangement, facilities for indoor and outdoor recreation will provide the ideal environment for your grooming. Our mission is to ensure all round development of our students and extend job oriented practical education for complete development.

New courses will be conducted to impart on-the-job training and practical exposure as an in-built feature of the curriculum. We are further committed to develop in each student the spirit of nationalism, socialism and the pride of being an Indian.

This being a new journey in your life, I wish you great success in your mission as well as a bright and prosperous career. Before concluding, I would like to reiterate the noble intention behind the setting up of this University in Mewar region. The contribution of Shri Bhanwar Lal Gadiya, Chairman and Shri Govind Lal Gadiya, Secretary, Mewar Education Society and their untiring effort, support and blessings motivated me to establish this mega venture, which is designed to spread enlightenment for the young generation. The selfless and exemplary contribution of Sri R.K Gadiya, Mr. Ashok Singhal and Sri Samir Garg needs special mention as without their continuous support this dream might not have been possible. I hope you all realize and understand the inherent spirit of this effort and get fully immersed in your respective curriculum with all intent and purpose for fulfilling and supporting our mission.

JAI HIND

(Ashok Kumar Gadiya)

## From the President's Desk

Dear Learners,

It gives me great pleasure to welcome you to the Mewar University (MU) and I congratulate you on deciding to pursue your studies in this University. Established by an Act of Government of Rajasthan and recognised by UGC, Government of India, Mewar University has the objective of providing higher education to all those who aspire for it.

The University is committed to excel in teaching, training, capacity-building, scholarship, research and public service. The Mewar University values the appropriate use of Information and Communication Technologies and supports quality teaching and learning. Audio and video programmes, interactive counselling sessions, periodic assignments and project work constitute the teaching-learning methodology. For laboratory and practical-intensive courses in science, engineering & technology, professional courses and vocational courses, the University provides physical infrastructure facilities of very high standard.

The University offers academic programmes from certificate level to Ph.D level. These programmes cater to a wide range of learners from diverse background including professionally qualified specialists, executives, academia at all levels, and the representatives from industries, interested in pursuing higher education.

This common prospectus provides you the necessary information on nomenclatures of the programmes, eligibility criteria, programme duration, fee structure, examination system etc. I hope you will find this prospectus helpful in pursuing your studies at Mewar University.

I wish you all success in your studies and subsequently in your respective career.

(Prof. Ramesh Chandra)

# Mewar University: Beginning of a New Era

## Recognition and Approvals

Mewar University is an autonomous body promulgated by the Government of Rajasthan through Act. No. 4 of 2009, passed by Rajasthan Assembly. The University is further approved by the UGC u/s 2(f) of the UGC Act 1956, with the right to confer degree u/s 22(1) of the UGC Act

## Brief History:

Mewar University is promoted by Mewar Education Society (MES). It is controlled by a Board of Management, constituted by MES, which is headed by Chairperson Shri Ashok Kumar Gadiya, a great visionary, educationist, nationalist figure, who translated his ideas and dreams of promoting higher education into reality by setting up institutes of learning in various subjects, carving a niche as an educationist and aiding inculcation of values in the young generation.

The group, under able leadership and with the active support and association of renowned academicians, experienced professionals and technocrats, has established a chain of Institutes of higher education and learning:

**Mewar Institute of Management**, Vasundhara, Ghaziabad (U.P.) [Approved by UGC and affiliated to C.C.S. University, Meerut. Conducting courses for B.B.A., M.B.E., B.C.A., M.C.S., M.I.S., B.Ed, B.Lib and M.Sc. (Biotech)]

**Mewar Law Institute** Vasundhara, Ghaziabad (U.P.) [Approved by UGC, Bar Council of India and affiliated to C.C.S. University, Meerut. Conducting courses for L.L.B. (3Yrs) & L.L.B. (5Yrs)]

**Mewar Girls Business School** Vasundhara, Ghaziabad (U.P.) [Approved by AICTE and affiliated to UP Tech University, Lucknow. Conducting M.B.A. courses for Girls]

**Mewar Girls College** Chittorgarh [Approved by Government of Rajasthan and affiliated to Mohan Lal Sukhadia University, Udaipur. Conducting courses for M.I.B., B.Sc(Biotech.), B.B.M., B.C.A. & P.G.D.C.A.]

**Mewar Girls Ayurved Nursing Centre** Chittorgarh [Approved by Government of Rajasthan and affiliated to Rajasthan Ayurved University, Jodhpur. Conducting courses for Ayurved Nursing]

**Mewar Girls Industrial Training Centre** Chittorgarh [Approved by Government of India (NCVT) and Board of Technical Education, Jodhpur, (SCVT). Conducting courses for Computer Operator and Programming Assistant, Interior Decoration, Fashion Designing, Dress Making, English Language Proficiency and Personality Development]

**Mewar Girls College of Teachers Training** Chittorgarh [Approved by Government of India (NCTE) and affiliated to Mohan Lal Sukhadia University, Udaipur conducting courses for B.Ed., N.T.T, S.T.C]

These centres of learning exemplify the group's mission to promote quality technical and higher education. And as a result, the number of students has gone from strength to strength every year and now it has more than 5000 students in its campuses.

The group, continuing with its mission to provide higher & technical education to a larger section of people, has touched a new height by promoting and sponsoring Mewar University. The promoting body, with their honest efforts and unstinted dedication, have the conviction to build a strong partnership with the Government of Rajasthan for ensuring the spread of higher and technical education in the State.

Mewar's culture, ethos, tradition and values are so ingrained in its soil that it is bestowed with magical powers to sprout uncanny talents and genius. Anyone groomed in this environment will undergo a steady transformation to blossom in life imbued with the traits of greatness. The University aims to inculcate among its students the spirit of universal brotherhood while laying utmost emphasis on respect for Indian culture and traditions.

## The Campus

The University campus is situated in the vicinity of the scenic Aravali ranges and spread over sprawling 30 acres at Gangrar of Chittorgarh District (Rajasthan), just 18 km away from the city of Chittorgarh. The campus can be easily approached by road and railway network as it is situated on NH 79 (Delhi-Mumbai Highway) and connected with all the major cities through broad-gauge railway tracks and roads. The nearest airport is Dabhok (Udaipur), which is 100 km away from the campus and is well connected with major cities through regular flights.

Mewar University has the unique distinction of being the only University in the District of Chittorgarh (Rajasthan). The University is established to benefit students from every nook and corner of India and other countries. The University fills up the void in the field of higher, technical and vocational education in the Mewar region which, in spite of being rich in terms of agriculture, industrial and business growth, has lagged behind in education as compared to the neighboring districts like Udaipur, Ajmer and Jaipur.

The campus is divided into various functional zones like Academic and Administrative Block, Hostels and Residential complex for faculty and staff. It has co-educational facilities with separate hostel accommodation for boys and girls. Besides academics, the well laid campus provides all facilities for cultural, recreation and sports activities.

# The Destination

Mewar University is situated in the land of Maharana Pratap, Rani Padmini & Mirabai – the embodiment of vigor, sacrifice and love, has wonderfully developed its environment for perfect blending of new age education combining Indian values and ethics.

Within a very short span of time, the University has become a jostling centre of human growth & excellence due to conducive coexistence of students, teachers and physical infrastructure.

The Mewar Education Society having successfully run various academic institutions for more than a decade decided to establish the University for providing the students a unique methodology of teaching which the today's world is lacking.

Indian Education is passing through a very critical juncture as quality is out numbered by quantity in most of the cases. Students who seek quality education will now have their destination at Mewar University which started with a humble beginning with Swami Vivekananda's ideology in mind that 'Education is the Manifestation of Perfection already in Men'.

Experience of our highly motivated teachers take out this sustained & inherited perfection from each of our student which enables them to face the world every where and any where with assured success.

# VISION

To develop a Center of Excellence for technical, professional and vocational education and research, at par with National and International standards.

# MISSION

To develop the framework for effectively conducting various educational and research programmes of the highest standards so as to produce confident, self-reliant, and responsible youth for the society and eminent professionals for government, industry and business.

# OBJECTIVES

- Provide easy access to high quality education in Management, Engineering, as well as other academic & professional fields to its students, irrespective of their caste, creed, age, gender, region or country, at affordable cost.
- Offer conducive environment for pursuing research and vocational studies with market driven orientation.
- Accord students new ideas, fresh vision, pragmatic ambitions and enhance competency for success in the ever changing business environment.
- Provide flexible choice based system of education & dual-degree programmes while adopting modes to suit students' requirement of learning.
- Prepare and assist students in improving their future prospects through career and placement counseling & support, on-the-job training, industrial visits, presentations, group discussions.
- Promote and practice convenient distance education concept in India and abroad.
- Spread job oriented education in rural and tribal areas

# Why to Choose Mewar University:

Education is a liberating force. Mewar University was established after decade long overwhelming success of running of many institutes in various states. But not being the prisoners of glorious past we engaged in ceaseless quest for excellence by constantly breaking new grounds in teaching & learning process to provide cost effective seamless education to the students. Having run many institutions for more than a decade, various limitations were not helping to achieve the goal of having a free universe of knowledge, wisdom and purity of human growth and excellence. So to think big and to act bigger, we established Mewar University where aspiration would lead to innovation, without any boundary for human development, which would be natural and spontaneous.

The following features have put an edge to the students of this ever growing University

## Learning Environment

### Research Facilities

Every University strive to provide best possible research facilities and environment to it's students and teachers. From it's inception the Mewar University has focused on it by giving emphasis on Ph.D programme alongwith providing best possible infrastructure appropriate for it. Reputed and renowned academicians of the country have been made members of the committee, which approves the topics for researchers and recommends the award of Ph.D., thus relevance and importance of the concerned research project is maintained.

M.Phil and Ph.D programmes are available in various faculties like Science, Technology, Social Sciences, Humanities, Vocational Education, Self Employment Programmes, Women Empowerment and Awareness Programmes etc.

### Pedagogy for Programmes:

- Qualified, experienced and fully dedicated faculties.
- Business Executives and Professionals as visiting faculties.
- Teaching through interactive lectures, case-studies and tutorials with audio-visual aids.
- Practical exposure through workshops and laboratories.
- Cohesive self-studies through study groups & online discussions.
- Open house interaction and group discussions.
- On-the-job exposure and projects on live scenario.
- Inter-institutional exposure .
- Seminars and symposiums.
- Quiz and competitions.
- Counselling.
- Continuous sessions of lectures and presentations in their subjects by the students in front of peer groups to sharpen their communication skills and enhancement of knowledge.
- Sustained exposures to audio and video lectures of eminent and world renowned Academicians, Professors and Scientists through NPTEL & other modes.

## Seminars & Workshops

The University conducts seminars and conferences on relevant technical and current topics of interest. It has also programmed exchange of visits with other institutes regularly.

Inter-class seminars on topics relevant to course curriculum as well as for the enhancement of personality are frequently organised. A calendar of such activities is scheduled for each semester. The workshops and seminars develop healthy practice of competition, active participation, learning through sharing, discussion and presentations. These forums help to build self confidence and power to express oneself freely while opening the opportunity to develop in depth knowledge on different topics and subjects. Students are motivated to participate in technofest and project work.

## Student Counselling

Counselling on various academic and non-academic matters is made available to the students. These include emotional, psychological, pedagogic and cultural issues.

Apart from a dedicated Student Counselling Centre, which is open on all working days during study hours to assist students, the students are divided into groups of modest size and each such group is assigned to a faculty member, who acts as a counsellor and remains responsible for the group throughout the year. The students are free to contact the Counsellors any time for resolving their problems. The Counsellor acts as a Friend, Philosopher and Guide for the students.

The Counsellors provide all required support to students, particularly in terms of learning, enhancement skills, personal and career counselling. Mewar University believes in making the student as comfortable as possible and virtually adopts the student for the whole tenure of academic programme. Full fledged student welfare officer is available 24 hours in the campus to solve the problem of the students instantaneously.

The University is also planning to develop a cell that would not only track slow learners but would also help them out in various ways so that they could keep pace with other students.

## Corporate Consultancy

Mewar University plans to launch its Corporate Consultancy and Management Development Programme after careful planning and extensive research. Management to us means substitution of thought for brawn and brain, of knowledge for belief and superstition, and of cooperation for force. In a short span, Mewar University has started contributing effectively to the development of Indian Business, by providing specialist knowledge in areas of strategic planning, decision-making and bench marking.

Apart from organising open management development programmes, the University is committed to develop a chain of multi-functional and multi-sectoral programmes for the corporate world, Government departments and NGOs.

## Government, Industry-University Interface & Foreign Collaboration

The University promotes active collaboration with the Government, trade and industry. Students are required to undertake industry oriented projects of their choice during their

## Many faces of Mewar University

internship. This provides them real life exposure & understanding of practical problems in the working environment of companies, besides helping them to stay focused on jobs, which they would like to opt for in future. Students gain hands-on experience in the application of concept and skills. At the same time this works out to be beneficial to industries in choosing suitable candidates as prospective employees.

The University actively pursues collaborative ventures with leading foreign Universities to assimilate new developments in academics and create better avenues for students. The University makes sustained efforts to arrange student exchange programmes with domestic and foreign Universities so as to empower the students with the best possible exposure to education process in leading institutions. Last year the university has signed the MOU with AIS ST HELENS University, Newzeland for the purpose and others are in pipeline.

## Training & Placement Cell

Placements are sine-qua-non for imparting professional expertise to students. Mewar University boasts of a student driven placement cell that helps to build a positive mindset and direction. The active and self motivated cell is backed by support from dedicated placement coordinators. There are Business Development officers to train the students and act as emissaries to these Bluechip companies. The training & placement cell is equipped with a computerised environment and has a dedicated telephone line & round-the-clock networking. The placement cell is inviting companies for campus interviews, sending students for industrial visit and summer training to various companies.

## Personality Development Programme

This value added programme attached to main curriculum equips the students with skills that help them in sailing through their main curriculum and in their professional life thereafter. The PD programme helps the students to learn a whole gamut of techniques in order to face professionals and corporate world with added confidence. It also inculcates in them professionalism, work place discipline, personal habits, effective communication, etiquette to deal with officials besides creating self confidence.

English Language has always been given an extra edge to the Indian students in the international market and even domestic market. In this respect, adequate emphasis have been placed on learning English all through the course of study that provide extra opportunity to all the students to improve their ability to read, speak, write and understand the language effectively. One paper of general awareness & PDP and a paper of English has been included in regular curricula.

## Co-Curricular Activities & Tours

Knowledge stored in the brain and not expressed either through speech or through writing is futile. So there are many co-curricular programmes being held every weekend by different departments of the University to expose the hidden talents of students. There are music, art, dance, drama, debate, presentation, essay writing competitions and group discussion at intra departmental and inter-institution levels with a view to ensuring complete participation of students.

Through intensive study without break, the mind gets stressed. In order to release the pent up stress and strain, periodic visits are planned by different departments of the University for according an opportunity to the students to enjoy nature and culture of this incredible nation so as to get rejuvenated. It helps them to learn communication, leadership, crisis management and team building in a very conducive and challenging environment.

## Feed-back System

The educational programmes in the University follow latest methods of 360° feed-back to keep enriching the course content, teaching methodology and the academic environment. While the students are continuously assessed for their performance, they also play a role in assessing the teachers and staff. The feed-backs are seriously analysed to introduce systemic improvement through counseling and other proactive actions.

## Examination System

The University has opted for ultra modern standards and semester system for conducting examinations so as to make education stress free. Grading-based evaluation and modern methodology of assessing performance are further steps to follow new standards in education. The system is being continuously upgrade to keep pace with the development taking shape in various other institution of learning to enable Mewar University to introduce a practically oriented examination system which is student friendly but at the same time able to assess one's potential in a very impartial manner.

## Scholarships and Incentives

The University provides scholarships to deserving and meritorious students enrolling for Under-graduate programmes. The criteria of entitlement for scholarship is as follows:

**MU Scholarships:** 75% tuition fee exemption to students securing 90% & above in (10+2). The same criteria is applicable for subsequent examinations on yearly basis

**Meritorious student Scholarships:** 25% of tuition fee exemption to students securing 85% & above in (10+2)

A chair would be instituted in each faculty. The topper of each faculty is reimbursed tuition fees for one full year by the respective chair. The first such chair has been instituted in the faculty of Engineering & Technology in the name of Shri Nand Lal Gadiya, respected father of the Chairperson.

**Extra-Curricular Excellence Scholarships:** One student from each faculty, adjudged for excellence in extra-curricular activities like sports, oratory, presentation, cultural activity etc. will be reimbursed 50% of the tuition fee.

## Infrastructure:

Mewar University facilitates world class infrastructure to its students to provide extensive and exclusive support to the above cited learning environment, used by students and faculty like :

## Library

The University has a well-stocked, air-conditioned and fully computerized library, which serves as a catalyst in the learning process.

To ignite the intellectual spirit in young minds, a stock of about 50,000 latest books, large collection of video/audio CDs, industry and company information sources are made available to the students.

The University has course-wise departmental libraries and a central library to provide adequate support for complete academic pursuit. Additionally a separate reference section for university recommended books for each course has also been provided.

Kept open and accessible 12 hours a day, the library includes a separate display section announcing new arrivals. The unique feature of the Mewar University library is its Electronic Media Library Division. It grants access to Indian and Global database related to programmes and training materials, which are also made available in CD-ROMs. Major features of the library include:

- Study and Reference Books
- Large collection of National & International Journals
- Reading Halls for more than 200 Students
- Special Reading Room for Researchers and Teachers
- Computerised Library Management System
- Online Workstations connected with 10Mbps Internet Connectivity
- Audio-Visual Library Section
- Career Guidance Section
- Magazines and Periodicals Section
- A separate Reference Section is maintained for important and rare books.
- Easy operation through automated library procedures and Bar Code system
- Digital Library – to provide access to e-Journals, to download desired material
- Reprographic facility

## Laboratories

The campus has well equipped laboratories that have been aesthetically designed and arranged with modern equipment and infrastructure to completely cover the syllabus of each branch of study. The labs include Physics Lab., Chemistry Lab., Electrical Lab., Electronics Lab., Mechanical Lab., Communication Lab., Workshop, Computer Lab., Graphics Lab., Language Lab. etc. In all these labs, hands-on training is imparted to the students to keep pace with modern technology. The University possesses well-qualified and experienced technical staff with all resources to develop the technical skills of the students in all fields.

The campus has an array of computers distributed over different sections of academic block. The air-conditioned computer labs with pleasing ambience is spread over 850 square meters. The Computer center has high-end servers to cater to the needs of the networked environment.

# MEWAR

# UNIVERSITY

The client machines are mainly Pentium dual core of HCL /Lenovo/Dell make. All machines have 24 x 7 online UPS power supply back up by 750 KVA DG sets.

## Hostels

In order to provide accommodation to students coming from far off places, the University provides separate air-cooled hostel facilities for boys and girls within the campus. The hostels maintain high quality of living with round-the-clock basic facilities like water, electricity, food, laundry, entertainment, medical facility, telephone connectivity, security etc. The campus hostel is surrounded by lush green lawns and play grounds.

The hostels have a total capacity to accommodate around 800 students. Each hostel is divided into separate wings with a separate common room. Each of the hostels is managed and looked after by a dedicated warden.

The hostels provide several sports facilities for its inmates, which include badminton, basketball, volleyball, cricket and indoor games such as table tennis, carom and chess. In order to ensure physical as well as spiritual fitness for its future professionals, the hostellers are provided with a gymnasium. Besides, yoga and meditation classes are held on a daily basis.

To improve the learning process the management has provided extended access to the library and computer centre, with all the essential software loaded as per the curriculum. The University also takes due care to protect the religious, cultural and social beliefs of the students. Each festival is celebrated with full fervor and enthusiasm.

## Transport

The University owns its own transport fleet and ensures satisfactory transport services between city and campus, with plying of vehicles at reasonable intervals. The University is likely to start transport services to nearby towns based on a survey of the requirement of staff, students and faculty. Transport facility is arranged by the University for training, industrial visits, academic and co-curricular activities.

## Canteen & Amenity Centre

The University has a modern canteen functioning in the campus, which can conveniently accommodate a good number of students at a time. The canteen is provided with modern furniture and automatic cooking system and storage facilities, which provides hot lunch, dinner, snacks and beverages both to the students and staff at reasonable rates.

The Amenity Centre is a mini market place within the campus. It has a cafeteria, stationary shop, laundry, hair dresser, public STD booth, a transport facilitation counter, courier kiosks etc. The Amenity Centre serves all the basic and daily needs of the students and staff within the Campus precincts. ATM facility is available in the campus.

## Sports, Gym, Yoga, Meditation

Adequate facilities for indoor and outdoor games, such as basketball, badminton, football, cricket, volleyball, table tennis have been arranged within the University campus for the

students. The University supports and encourages students to participate in district, state and national level competitions in sports and extra-curricular activities.

Peace is a virtue, a state of mind, a disposition for benevolence, confidence, courage, justice, and practice. Peace lies in a pure state of mind and sound physical health. These can only be attained through physical exercise, yoga and meditation. In order to inculcate these habits the University has developed a Gymnasium and Yoga Centre for the physical and spiritual benefit of the students.

## Culture & Heritage Center

The University puts special emphasis on building awareness among students about the Indian culture, heritage and the heroic deeds and sacrifices of those who made our country great. A separate gallery, dedicated to these great souls and displaying their portraits, sayings and writings, has been set up. Frequent lectures, seminars, essay competitions, role plays, anniversaries and festivals are organised to pay homage to these towering personalities. Continuous efforts are made to inspire the students with their ideals and inculcate the values espoused by them.

## Health & Medical Facility

Health care is recognised as a basic requirement to support any kind of human activity. Mewar University pays unstinted attention to medical fitness of its students. Medical consultation is available 24X7 in the campus. Qualified doctor is in attendance to take care of all health related requirements besides attending to emergencies.

The University plans to start a medical centre in the campus that, apart from providing medical services to its students in-house, would also render community services by extending treatment and supplying medicines to residents of nearby villages. The proposed medical centre will have qualified nurse and regular qualified doctors (Male/Female) for consultation besides a Physiotherapy Centre. A medical van is available 24x7 in the campus so that in any emergency situation student can be taken to the nearest hospital.

## Guest House

The University has provision of a Guest House facility to accommodate visiting faculties, officials. The guest house has sufficient rooms with all modern amenities to provide required comfort to the guests accommodated for a short stay in the campus.

## Training Centre for faculties & officials

A training centre with the requisite gadgets and equipment facilitates continuous up-gradation of knowledge of faculties and officials. It is designed to keep the teaching staff up-to-date with new developments in different subjects and teaching methodology. The university is continuously arranging training programme for faculties so that their teaching skill is updated and improved.

# Academic Programmes

The University has started following faculties covering Engineering, Management and various other Technical and Professional courses, along with conventional courses.

## Faculty of Engineering & Technology

Engineering is the most sought after discipline in the country today. Engineering programmes lay the foundation for employment and hardcore research work besides commercially harnessing the products of research work. The University offers a wide range of choice for the study of engineering.

Name of The Programme	Duration	Choices	Fees	Eligibility
B.Tech	4 Years (8 Semesters)	<ul style="list-style-type: none"> <li>• Chemical</li> <li>• Civil</li> <li>• Computer Science</li> <li>• Design Technology</li> <li>• Electrical</li> <li>• Electrical &amp; Electronics</li> <li>• Electronics &amp; Communication</li> <li>• Mechanical</li> </ul>	Tuition fees- Rs 65,000/Yr Exam fees - Rs 3000/Yr	10+2 with PCM OR it's equivalent with minimum 50 % marks or equivalent grades

(Lateral Entry)	3 Years (6 Semesters) Admission in 2 <sup>nd</sup> Year	<ul style="list-style-type: none"> <li>• Chemical</li> <li>• Civil</li> <li>• Computer Science</li> <li>• Electrical</li> <li>• Electrical &amp; Electronics</li> <li>• Electronics &amp; Communication</li> <li>• Mechanical</li> </ul>	Tuition fees- Rs 65,000/Yr Exam fees - Rs 3000/Yr	Three years Diploma in Engineering with minimum 50% marks or equivalent grades
B.E. (Part Time) Evening Program	4 Years (8 Semesters)	<ul style="list-style-type: none"> <li>• Computer Science</li> <li>• Electronics &amp; Communication</li> <li>• Electrical</li> <li>• Mechanical</li> <li>• Civil</li> </ul>	Tuition fees- Rs 40,000/Yr Exam fees- Rs 3000/Yr	Three years Diploma in Engineering with minimum 50 % marks or equivalent grades
Master of Technology	2 Years (4 Semesters)	<ul style="list-style-type: none"> <li>• Ceramic Technology</li> <li>• Computer Science</li> <li>• Digital Communication</li> <li>• Industrial Chemistry</li> <li>• Manufacturing Systems</li> <li>• Material Science</li> <li>• Metrology</li> <li>• Nano-Technology</li> <li>• Power System</li> <li>• Structural Engineering</li> <li>• Transportation Engineering</li> <li>• VLSI</li> </ul>	Tuition fees- Rs 50,000/Yr Exam fees Rs 3000/Yr	B.Tech / B.E/ M.Sc in relevant discipline with minimum 55 % marks or equivalent grades

Name of The Programme	Duration	Choices	Fees	Eligibility
B.Tech- M.Tech (Dual Degree- Credit Based Integrated Program)	5 Years (10 Semesters)	<ul style="list-style-type: none"> <li>• Civil</li> <li>• Chemical</li> <li>• Computer Science</li> <li>• Design Technology</li> <li>• Electrical</li> <li>• Electrical &amp; Electronics</li> <li>• Electronics &amp; Communication</li> <li>• Mechanical</li> </ul>	Tuition fees- Rs 65,000/Yr Exam fees Rs 3000/Yr	10+2 With P.C.M or its equivalent with 55 % marks or equivalent grades
B.Tech- MBA (Dual Degree- Credit Based Integrated Program)	5 Years (10 Semesters)	<ul style="list-style-type: none"> <li>• Civil</li> <li>• Computer Science</li> <li>• Electronics &amp; Communication</li> <li>• Electrical</li> <li>• Electrical &amp; Electronics</li> <li>• Mechanical</li> </ul>	Tuition fees- Rs 65,000/Yr Exam fees Rs 3000/Yr	10+2 With P.C.M or its equivalent with 50 % marks or equivalent grades
Integrated Diploma and Dual Degree Program with flexible exit	Flexible Exit at Diploma– 2 yrs B.Tech – 5 Yrs MBA/M.Tech – 6 Yrs	<ul style="list-style-type: none"> <li>• Civil</li> <li>• Computer Science</li> <li>• Electronics &amp; Communication</li> <li>• Electrical</li> <li>• Mechanical</li> </ul>	Tuition fees- Rs 35,000/Yr up to diploma level and afterwards fee applicable to the degree program Exam fees Rs 3000/Yr	Minimum 10th or its equivalent pass with minimum 50% or equivalent grades in any 2 years engineering ITI trade

## Faculty of Computer Science and System Studies

This faculty is facilitated with highly sophisticated laboratories to cater the need of students to face the challenge of magical development of technology in this 21st century.

Name of The Programme	Duration	Choices	Fees	Eligibility
B.Sc (IT)	3 Years (6 Semesters)	Nil	Tuition Fee – Rs. 19000/ Yr Exam Fees Rs. 3000/Yr	10+2, in any stream with minimum 50 % marks or equivalent grades
B.C.A	3 Years (6 Semesters)	Nil	Tuition fees- Rs.21000 /Yr Exam fees Rs. 3000/ Yr	10+2, in any stream with minimum 50 % marks or equivalent grades
M.C.A.	3 Years (6 Semesters)	Nil	Tuition fees- Rs.29000 / Yr Exam fees- 3000 /Yr	Graduation with Maths OR 10+2 (Maths)+any Graduation or BCA/B.Sc.(IT)/ B.Sc. (Comp.Sc.) with minimum 50 % marks or equivalent grades

## Faculty of Management and Commerce

"Management" is the buzz word in the present day business and economic world. As the complexity and size of business and organization increasing, volume of business transactions is growing, geographical boundaries are squeezing, emphasis and reliance on management skill is strengthening day by day. To face such challenges of new business and economic environment, the university has established an exclusive faculty for management that offers the following programmes to understand the nuances of management. Mewar University has been focusing on developing management students that could handle the work pressure that a manager has to face at its workplace. Moreover, the emphasis of MU MBA programme would be to teach the prospective managers to deal with problems in a practical way so that they could contribute effectively right from the beginning at their jobs.

Name of The Programme	Duration	Choices	Fees	Eligibility
MBA	2 Years (4 Semesters)	<ul style="list-style-type: none"> <li>• Finance</li> <li>• Marketing</li> <li>• Human Resource (HR)</li> <li>• Information Technology (IT)</li> <li>• International Business (IB)</li> <li>• Rural Management</li> </ul>	Tuition fees Rs. 47,000 /Yr  Exam fees Rs- 3000 / Yr	Graduation in any discipline with minimum 55 % marks or equivalent grades  AND  Must have valid score of MU-MAT/CAT/RMAT/any other management aptitude test
MBA- Executive Program	2 Years (4 Semesters)	As Above	Tuition fees Rs. 25000 /Yr  Exam fees Rs- 3000 /Yr	Graduation in any discipline with two years working experience
B.Tech & MBA (Dual Degree – Credit Based Integrated Program )	5 Years (10 Semesters)	<ul style="list-style-type: none"> <li>• Civil</li> <li>• Computer Science</li> <li>• Electronics &amp; Communication</li> <li>• Electrical</li> <li>• Electrical &amp; Electronics</li> <li>• Mechanical</li> </ul>	Tuition fees Rs. 65,000/Yr  Exam fees Rs- 3000 /Yr	10+2 with PCM or its equivalent with minimum 50 % marks or equivalent grades
BBA	3 Years (6 Semesters)	--	Tuition fees Rs. 20,000/Yr  Exam fees Rs- 3000 /Yr	10+2 in any discipline with minimum 50 % marks or equivalent grades
B.Com(Hons)	3 Years (6 Semesters)	--	Tuition fees Rs. 12000 / Yr Exam fees Rs- 3000/ Yr	10+2 (Com) with minimum 50 % marks or equivalent grades

## Faculty of Science

The Faculty of Science offers Under Graduate and Post Graduate courses in all basic sciences which include Mathematics, Physics, Chemistry, Zoology, Botany, and Medical Lab Technology. Excellent teaching environment supported by sophisticated laboratory help the aspiring students to get the maximum in their subject.

Name of The Programme	Duration	Choices	Fees	Eligibility
B.Sc. (Hons)	3 Years (6 Semesters)	Physics, Chemistry, Maths, Zoology, Botany, Bio Technology, Environmental Science	Tuition fees Rs. 14000/Yr Exam fees Rs- 3000 /Yr	10+2 with PCM for B.Sc.in Physics, Math, Chemistry. For other courses 10+2 with PCB with minimum 50 % marks or equivalent grades
M.Sc.	2 Years (4 Semesters)	Physics, Chemistry, Maths, Zoology, Botany, Bio Technology, Environmental Science, Electronics	Tuition fees Rs. 16000/Yr Exam fees Rs- 3000 /Yr	Graduation in relevant discipline with minimum 50 % marks or equivalent grades
M.Phil	1 Year	Physics, Chemistry, Mathematics, Zoology, Botany	Tuition fees Rs. 16000/Yr Exam fees Rs- 3000 /Yr	Post Graduation in relevant discipline with minimum 55 % marks or equivalent grades
DMLT	1 Year (2 Semesters)	Histopathology, Bio-Chemistry	Tuition Fee Rs. 15000/Yr Exam Fee Rs. 3000/Yr	10+2 with Biology
BMLT	3 Years (6 Semesters)	Histopathology, Radio Imaging, Bio-Chemistry	Tuition Fee Rs. 21000/Yr Exam Fee Rs. 3000/Yr	10+2 with Biology

## Faculty of Arts and Humanities

Faculty of Arts and Humanities aims to develop to cater rich areas of human civilization. In addition Foreign languages are also taught with Indian language to complete the learning.

Name of The Programme	Duration	Choices	Fees	Eligibility
B.A. (Hons)	3 Years (6 Semesters)	History, Economics, Political Science, Philosophy, Sociology, Public Admn, Hindi English, Geography	Tuition Fee – Rs.10000/ Yr Exam Fee – Rs.2000/Yr	10+2 in any discipline with minimum 55 % marks or equivalent grades

M.A.	2 Years (4 Semesters)	History, Economics, Political Science, Philosophy, Sociology, Psychology, Hindi, Geography, Anthropology, English, Clinical Psychology, Public Admin	Tuition Fee – Rs.12000/ Yr Exam Fee – Rs.3000/Yr	Graduation in relevant discipline with minimum 55 % marks or equivalent grades
MSW	2 Years (4 Semesters)	Family & Child Welfare , Urban & Rural Community Development, Personnel Management and Industrial Relations	Tuition Fee – Rs. 20,000/Yr Exam Fee – Rs 3000/Yr	Graduation in relevant discipline with minimum 55 % marks or equivalent grades
M.Phil	1 Year	History, Economics, Political Science, Philosophy, Sociology, Psychology, Geography, Anthropology, English, Clinical Psychology, Public Admin	Tuition Fee - Rs.12000/ Yr Exam Fee – Rs.3000/Yr	Post Graduate in relevant discipline with minimum 55 % marks or equivalent grades

## Faculty of Legal Studies

As world has become a global village now, the complexity in every sphere has taken its place, be it education, consumer protection, land and properties or cyber related issues, the need for Legal person is every where. To justify this need these courses are unparalleled.

Name of The Programme	Duration	Choices	Fees	Eligibility
LLB*	3 Years (6 Semesters)	----	Tuition Fee - Rs.30,000/ Yr Exam Fee – Rs.3000/Yr	Graduation in any discipline with minimum 55 % marks or equivalent grades
LLB* (Integrated)	5 Years (10 Semesters)	-BA(Hons)+LLB -BBA+LLB -B.Com(Hons)+LLB -B.Sc(Hons)+LLB	Tuition Fee - Rs.50000/ Yr Exam Fee – Rs.3000/Yr	10+2 in any discipline with minimum 55 % marks or equivalent grades
LLM	2 Years	Criminology, IPR, Mercantile law, Personal laws, Taxation, Arbitration & Conciliation	Tuition Fee - Rs.35,000/ Yr Exam Fee – Rs.3000/Yr	LLB with minimum 55 % marks or equivalent grades

\*Subject to approval from Bar Council of India

## Faculty of Education

One subject for which there exists a yawning gap in requirement and availability is Education. Spread of education being the driving agenda for the Government, education as a profession will continue to remain in high demand. Various programmes in education started by the University are tailored to meet the growing demand of teachers in the years to come.

Name of The Programme	Duration	Choices	Fees	Eligibility
M.A.	2 Years (4 Semesters)	Education	Tuition Fee - Rs. 22000 / Yr Exam Fee – Rs. 3000/Yr	Graduation in any discipline with minimum 55 % marks or equivalent grades
B.Ed*	1 Year	Science , Arts , Commerce	Tuition Fee – Rs. 40000/Yr Exam Fee – Rs. 3000/ Yr	Graduation in any discipline with minimum 55 % marks or equivalent grades
B.Ed. (Innovative) *	1½ Years (3 Semesters)	Science, Arts, Commerce	Tuition fees Rs. 50,000 for Complete Course Exam fees Rs- 2000 / Yr	Graduation in any discipline with minimum 55 % marks or equivalent grades
Integrated Dual-Degree Programme BA(H)+B.Ed.; B.Sc. (H) +B.Ed.; & B.Com. (H) + B.Ed. *	4 Years (8 Semesters)	Science, Arts, Commerce	Tuition Fee – Rs. 30000/Yr Exam Fee – Rs. 3000/Yr	10+2 with minimum 55 % marks or equivalent grades

\*Subject to approval from National Council of Teachers Education (NCTE)

## Faculty of Journalism & Mass Communication

The advent of the age of information has generated unprecedented demand for specialists in journalism and mass communication. Added to this is the glamour and aura that has increasingly been associated with these evolving professions. The University has accordingly introduced programmes, which meet the modern requirement, demanded by this profession.

Name of The Programme	Duration	Choices	Fees	Eligibility
Bachelor of Journalism & Mass Communication (BJMC)	3 Years (6 Semesters)		Tuition fees Rs. 20000/- Exam fees Rs-3000/-	10+2 in any discipline
Post Graduate Diploma in Mass Communication	1 Year (2 Semesters)		Tuition fees Rs. 16000/- Exam fees Rs-2000/-	Graduation in any discipline
Post Graduation in Broadcast Journalism	1 Year (2 Semesters)		Tuition fees Rs. 16000/- Exam fees Rs-2000/-	Graduation in any discipline

# Conduct Rules

- Students are required to be in proper uniform in the University and are to strictly follow dress code.
- Student must ensure 75% attendance in classes and practicals. Attendance is also compulsory in sessionals, preliminary exams and the functions organised by the University.
- Proper discipline and decorum should be maintained in the University premises. Students are not allowed to sit in the corridors and staircases.
- The University will take action as per its rules / manual with respect to issues related to all academic and non-academic activities in the University campus, either on its own or on the basis of representation made by the faculty and students concerned.
- Strict action will be taken against students for any kind of misconduct with any of the staff and faculty members.
- Outsiders are not allowed to enter the University premises without permission.
- Damage to University's property is a punishable offence. Such acts may invite serious disciplinary action, fines and even expulsion.
- Students should not enter the faculty room without permission from the teacher or HOD concerned.
- Mobile phones are strictly prohibited in classrooms, labs and the library.
- Tobacco products (like Cigarettes, Pan Masala, Gutka, etc.) and all kinds of intoxicants are strictly prohibited in and around the University campus.
- Candidates should refer to the notice board and website of the University for all relevant information. The University is not bound to provide information to the candidates individually.
- Each candidate must carry his/her identity card all the time to avoid any inconvenience in the University campus and outside as well.
- Anti-social activities such as strikes, dharnas, quarreling, shouting etc. are not allowed inside and outside the campus. Strict action will be taken against students in the event of being found guilty of anti-social activities, indecent comments, harassment, eve-teasing etc.
- Ragging is strictly prohibited in University campus (As per the directions issued by the Hon'ble Supreme Court).
- Students must strictly follow the respective rules and regulation of library, laboratory, medical centre, sports, gym and yoga sections etc.
- Students shall be bound by all rules and regulations framed by the University from time to time.
- Each student is expected to take care of his/her belongings and is advised not to wear/carry expensive jewelry, watches, electronic gadgets, ornaments etc.
- The University reserves the rights to alter and add to the existing rules and regulations as and when necessary without any prior notice.

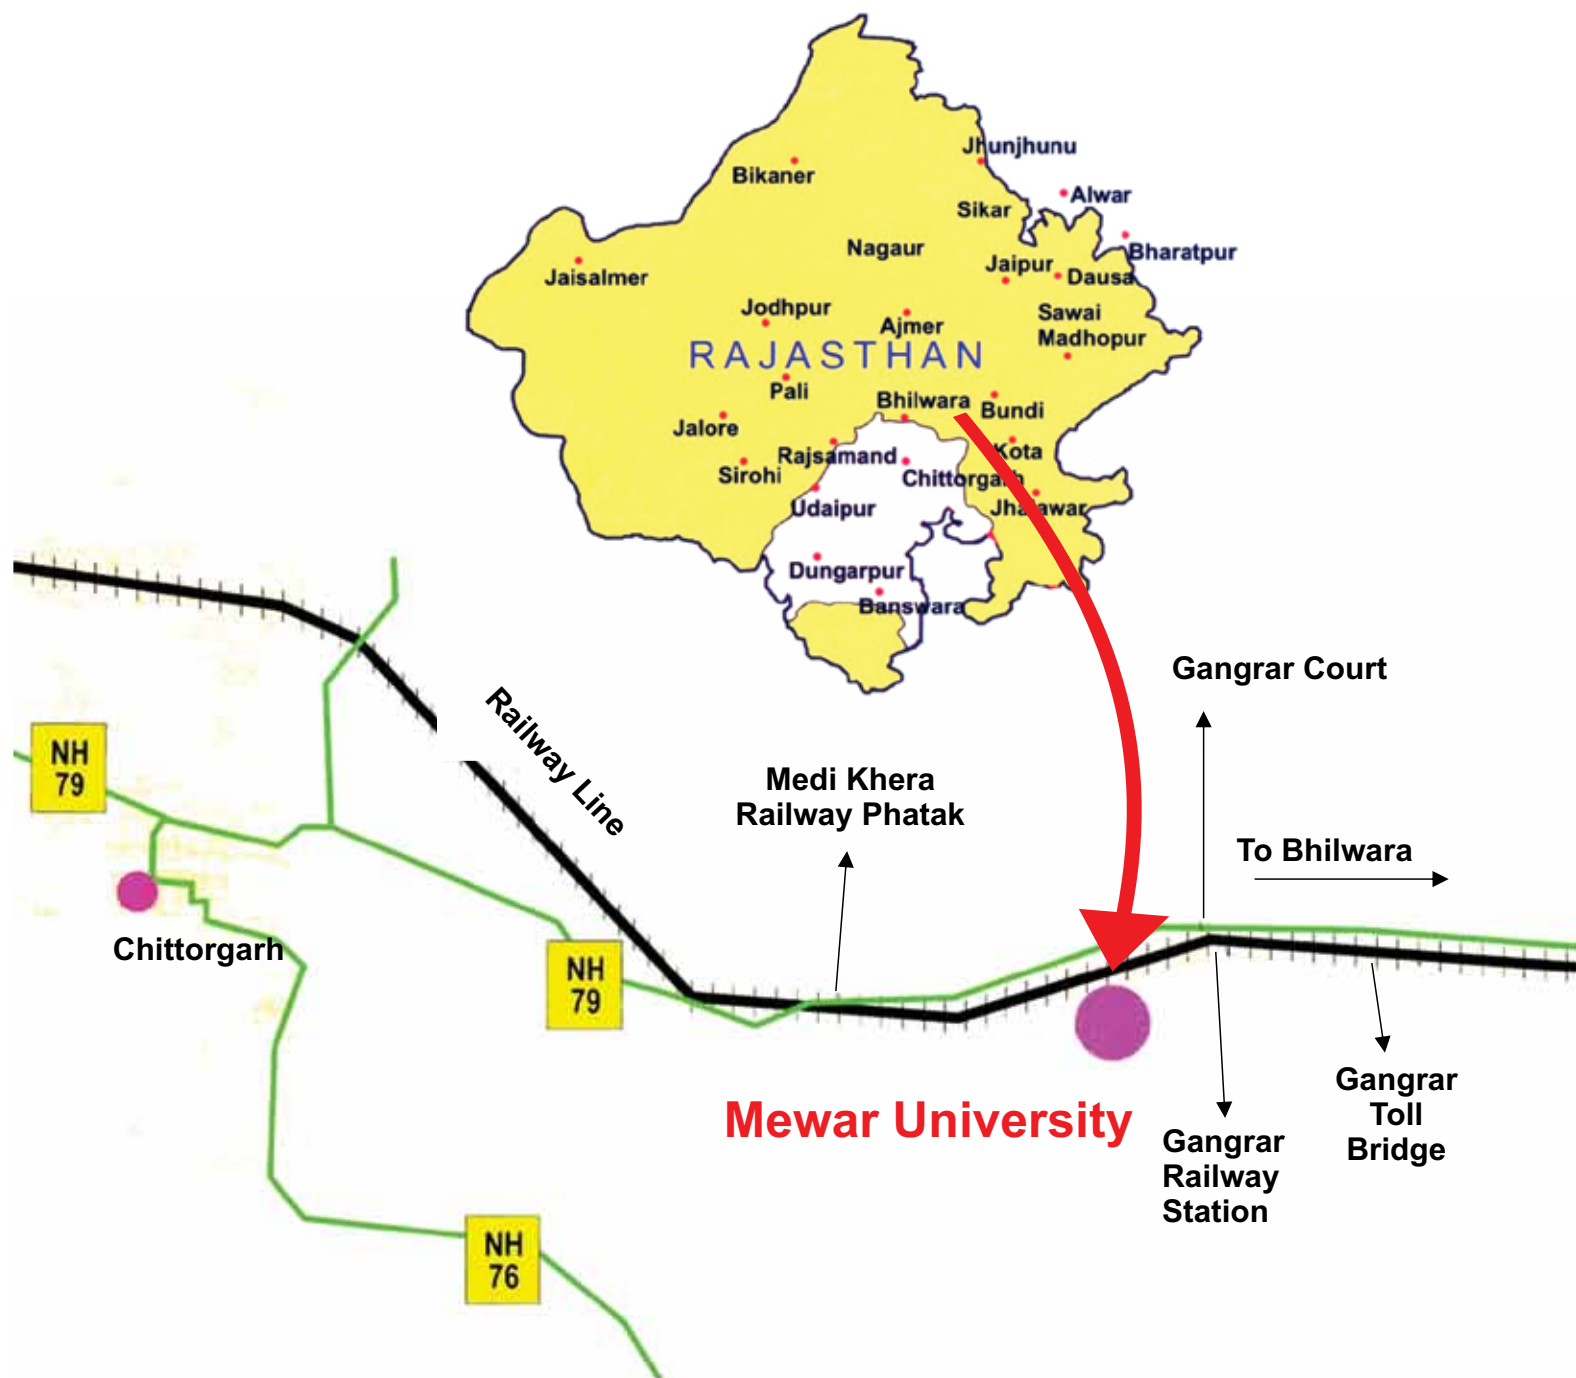

“He, who after careful thinking, is ever ready to accept truth and reject falsehood; who counts the happiness of others as he does that of his own self, him I call just.”

Swami Dayanand Saraswati

“Take up one idea. Make that one idea your life-think of it, dream of it, live on that idea. Let the brain muscles, nerves, every part of your body be full of that idea and just leave every other idea alone. This is the way to success”

Swami Vivekananda

**DISCLAIMER** In case of any dispute, the decision of the competent authority of the University shall be final and binding on the concerned. Any part of this prospectus may be changed by the University without any prior notice. Every effort has been made to ensure the accuracy of the contents. For any errors or omissions in it, the University shall not be held responsible and neither shall be bound by this and will not accept liability in respect thereof. All concerned are requested to check through the Notice Board of Department of Admission at the University campus and/ or at the University website. This prospectus should be read in its entirety along with all the supplements, updates, rectifications, clarifications, corrigendum (in the newspapers) etc. (if any) issued by the University
