Memorandum of Cooperation

This Memorandum of Cooperation (MOC) is entered upon between **Mewar University** having their registered office at N.H. 79, Gangrar, Distt. Chittorgarh Rajasthan (312901), duly represented by **Director, Mewar University** as the first party, which includes its successor and assigns, and the **Construction Industry Development Council**, having their registered office at 801, Hemkunt Chambers, 89, Nehru Place, New Delhi, duly represented by **Head Academics** second party, which includes its successors and assigns.

Whereas the first party is a University, established by an act no. 04 of 2009 passed by **Rajasthan Legislative assembly** to further the cause of technical education within its jurisdiction, and, the second party is the **apex organization, established by the Planning Commission, Government of India** and Construction Industry to stream line the functioning of Construction activities in the Nation.

Whereas the first party desires to enhance the Industry Academia interactions and is desirous of introducing modifications in the working dynamics of the academic and R&D activities, to bring in the functioning in consonance with the needs and requirements of the Industry, and to fulfill these obligations, desires to seek cooperation from the Second Party, who is agreeable to this proposition.

Now, this MOC envisages the terms of joint working as follows.

Role of First and Second Party

1. The first party shall modify the curricula / syllabi of the Engineering programmes, at Diploma, Degree, and Post Graduate degree to introduce the inputs desired by the Construction Industry, to be articulated by the Second Party.
2. Shall introduce systems for periodic skill set upgradation for the faculty members engaged with the University / Affiliated Colleges, in Consultation with the Second Party.
3. Shall institute Industry supported R & D programmes in consultation with the Second Party.
4. Shall introduce mandatory Internship programmes for the students of engineering programmes at Diploma, Degree and Post Graduate level, which would be designed and offered by the Second Party, as per the needs and requirements of Construction Industry.
5. Second party will organize the short term training & long term internships for the students of the first party, as per the curricula//syllabi of the engineering programs offered by the first party.
6. In consideration to the MOC, there will be some specific waivers in the fees provided by the second party, for the students of the first party. The fee structure shall be decided by the Second Party.
7. The second party will assist & ensure in connecting the trained students with various organizations & companies for job opportunities.

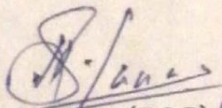

The MOC envisages that there shall be no reciprocal financial obligations on either of the parties and for the Services rendered they shall make their own investments and charge the fees directly from the beneficiaries.

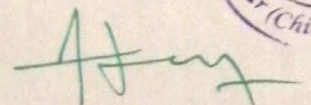

That the performance of this MOC shall be monitored jointly by the Director (T & P) Mewar University Chittorgarh and Director General, Construction Industry Development Council, who shall be empowered to modify, add, and expand the elements of this MOC.

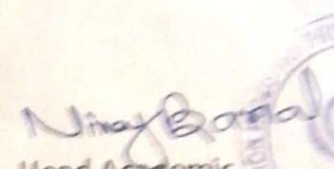

This MOC shall be valid for a period of 5 years from the date of finalization and thereafter extendable subject to mutual agreement.

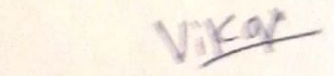

In witness, thereof, we sign this MOC on 16-12-2020.
