

Memorandum of Understanding

By and Between

As Party 1

Mewar University, Chittorgarh Rajasthan

As Party 2

**International Institute of Risk & Safety Management
(IIRSM)**

PARTIES to this MOU

This Memorandum of Understanding (MOU) is entered on 15th February 2022 in English by and between **MEWAR UNIVERSITY, CHITTORGARH, RAJASTHAN AND INTERNATIONAL INSTITUTE OF RISK & SAFETY MANAGEMENT (IIRSM)**

BACKGROUND

1. Mewar University, Rajasthan

MEWAR UNIVERSITY is an autonomous body set up by the Government of Rajasthan through Act. No. 4 of 2009 passed by the Rajasthan Legislative Assembly (Government of Rajasthan). The University is recognized by the UGC u/s 2(f) of UGC Act with powers to confer degrees u/s 22(1) of the UGC Act, 1956 vide their letter no. F.9-15/2009(CPP-I) dated 30th March, 2009. This is the only private and self-financed University in Rajasthan which is also approved by the UGC u/s 12B of the UGC Act vide their letter No. F.9-15/2009 (CPP-I/PU). The University is also NAAC accredited and confers and imparts various certificate/diploma/Advance Diploma/Degree/Doctorate/ Industrial and Vocational Training and Education in India By Ways of Various Course.

2. International Institute of Risk & Safety Management (IIRSM)

IIRSM is a professional body for those responsible for managing risks in all their forms. IIRSM champions risk management to drive positive change for both employee and organisational wellbeing. We do this through setting standards, connecting people and organisations, and providing practical education, training, advice and resources.

Article 1: Objectives

The purpose of this MOU is to define the terms and conditions for cooperation and collaboration between **MEWAR UNIVERSITY, CHITTORGARH** and **INTERNATIONAL INSTITUTE OF RISK & SAFETY MANAGEMENT (IIRSM)** in areas relevant to Risk and Safety Management .

Article 2: Areas of Cooperation

Suggested areas of cooperation between the center and the institution:

1. To exchange the best and latest practices in areas related to risk management, safety and health and accident prevention.
2. Cooperation in various activities related to occupational Risk and Safety through continuous education and training, through:
 - Capacity building, training, professional development, and obtaining scientific and professional qualifications.
 - Encouraging practitioners to follow best practices in the field of Risk and Safety.
 - Promote collaboratively the culture of Risk and Safety management in the Communities.

3. Promote the concept of risk, safety and health through awareness programs, and participating in seminars, workshops and conferences..
4. Creating a common electronic database on Risk and Safety management related topics.
5. Cooperation in implementing projects related to improving the concept of Risk and Safety.
6. Cooperation in the research, information and technical support in the field of Risk and Safety.

Article 3: Expenditure

1. Unless agreed otherwise, each party shall bear its own expenses incurred from implementing its roles under this MOU.
2. Proposals / projects requiring special funds / budgets for implementation shall be subject for further processing as required by the two parties.

Article 4: Mechanisms for Coordination

1. This MOU is non-legally binding, but serves as a definite expression and record of the purpose and intention of the Parties concerned to carry out the roles specified in this MOU with mutual loyalty and friendly cooperation.
2. Neither Party shall by virtue of this MOU deem to be in a relationship of partnership, agency or employment with the other.
3. Neither party shall act on behalf of the other Party or represent the other Party or bind the other Party or be responsible for the other Party in any way.
4. In order to coordinate and implement all activities related to this MOU, a technical coordinator from each party will be nominated.
5. Should any dispute arise over this MOU, the Parties will make every effort to amicably resolve the matter in good faith through cooperation, consultation and dialogue.
6. The parties may by mutual agreement develop separate "project agreements" to detail their involvement in specific areas, by designated representatives from each party under relevant terms and financial agreements, which, upon agreement by the parties, will be considered as supplements to this MoU.

Article 5: Entry into force, termination, modification

1. The timeframe for this MOU is 3 years and shall come into effect on the date of the signature of the authorized representatives of the two Parties.
2. The Parties may decide to renew the MOU on such terms and conditions as they may agree.
3. Either Party may terminate the MOU by giving not less than 2 months' written notification to the other Party. Such termination shall be without any legal consequences on any party except as noted in the next point.

4. All projects which were commenced before the date of the written notice, and which have not been completed as at the date of the written notification, will continue until they are completed, unless the Parties agree not to.

Article 6: Confidentiality

1. Each Party shall not release any confidential information acquired from the other Party in the course of carrying out its responsibilities under this MOU to any third party without the other Party's prior written consent. The recipient Party shall take all reasonable precautions to prevent unauthorized access by any person to confidential information provided by the other Party.
2. For the sake of clarity, all documents marked with CONFIDENTIAL will be deemed as confidential information.
3. The obligation of confidentiality created pursuant to this article shall expire with the expiry or termination of this MOU except for information already disclosed and expressly identified by its disclosing party, at the time of expiry / termination of the MOU, as requiring continued treatment as confidential information for a further specific period, which is not to exceed 2 year beyond the expiry / termination date of the MOU.

Article 7: Intellectual Property

This MOU does not mandate the transfer of intellectual property rights between the Parties. All such rights shall remain vested solely in the providing Party. Any transfer of intellectual property rights, if any, shall occur only when a separate MOU is executed between the Parties.

Article 8: Contacts

The senior management contacts for this MOU will be its signatories.

The primary contacts of both Parties for this MOU are the technical coordinators and will be as follows:
