**INNOVATION ECOSYSTEM**

Mewar University is a self-financed university established as per Rajasthan Govt., Mewar University Act -2009 "No. F.2(1) Vidhi/2/2009 in the persuasion of clause (3) of Article 348 of the constitution of India. The University is recognized and approved under sections 2(f) and 12(b) of the UGC act and empowered to confer Degree/Diploma/ certification under 22(1) of the UGC act. The Mewar University is NAAC accredited as well approved by AICTE, Pharmacy Council of India (PCI), Bar Council of India (BCI), and National Council for Teacher Education (NCTE). The University is imparting higher education since 2009 and provided higher education to thousands of students till now since its establishment.

For the training exposure of our students, we have more than 100 organizations located all across the country, where we send our students for their long-term internships. University has tied up with various institutions promoted by MSME, Govt. of India, like Indo German Tool rooms, Advance Training Institute, Central tool rooms, etc. Students are sent to these institutions for their short-term training/Internship modules. Students get Industry Ready before completing their Degrees/Diploma which helps them in getting suitable job opportunities. Our University is actively & effectively working in the higher education sector for one decade in the south of Rajasthan, India.

The University provides freedom to faculty members to transfer their knowledge to other institutions through invited lectures, training programs, workshops, etc. The faculty and other

members of the University are provided academic leaves and also some other financial and other sanctions to attend and present their research activities in Seminars and conferences. The staff members are provided the opportunity to exchange their ideas, and research innovations through collaborations and encouraged to do Refresher course and faculty development programs.

University is also having an incubation center for the transfer of knowledge. Mewar Incubation Centre (MIC) is engaged in promoting entrepreneurship among students and faculty members. Mewar University has got recognition as a host institution (HI) from MSME. MIC is authorized to conduct various activities directed by MSME pertaining to start-ups and entrepreneurship. The University is pursuing faculties, students and the general public for putting forward the proposals for start-ups and considering and talking about proposals on utilization of waste materials of Mewar region such as marble/granite slurry and other waste materials, textile waste materials, pollutants, crop wastes, value-added products from raw farm produces, bio plastic and etc. The University is also approaching nearby institutions and organizations to create awareness about start-ups and entrepreneurship which may result in innovative start-up proposals.
