GREEN CAMPUS INITIATIVES INCLUDE

The institutional initiatives for greening the campus are as follows:

• **Restricted entry of automobiles**

• **Ban on use of Plastic**

RESPONSE:

Mewar University has always followed a green agenda and has shown remarkable awareness of maintaining an eco-friendly campus. On visiting the Campus, one can experience the appealing and well-designed buildings, beautiful lawns, spacious sports grounds, and lush green environment favorable for the teaching-learning process.

INSTITUTIONAL INITIATIVES:

RESTRICTED ENTRY OF AUTOMOBILES

The university operates a fleet of 3 buses covering each corner of Chittorgarh, Bhilwara, and its nearby areas to facilitate the students and staff. The institute encourages the staff and students to use the university conveyance instead of their vehicles for safety, security, fuel conservation, and to reduce environmental pollution.

The University buses are periodically checked for pollution by the authorized agency. University has a vehicle parking area available outside the main entrance of the campus for the guests, visitors, faculties, students, and any other vehicles. The vehicles should possess pollution check stickers. Only bicycles are allowed inside the campus. Random checks are made to check the validation and periodicity of this certificate. For two-wheelers or four-wheelers, security measures are compulsory. Stakeholders are also encouraged to adopt carpooling to reduce the toxic emissions in the air.

USE OF BICYCLES

The students staying on the university campus are using bicycles to move within the campus as well as to travel the nearby areas outside the campus. Students and staff coming from nearby villages also prefer bicycles as a mode of transport for attending the University. It is environmentally friendly and helps to decrease pollution.

BAN ON USE OF PLASTIC

Mewar University is making an untiring effort to "Reduce Plastic Pollution" by minimizing plastic footprint and by way of refuse, reduction, reuse, and recycling. Hence, the subsequent initiatives are taken by all the stakeholders to spread awareness of environmental conservation:

1. To refuse and reduce plastic products in daily use, and pledge to a plastic-free environment within the campus.

2. Ban single-use plastic water bottles, takeaway cups, lunch wrapped in disposable plastic packaging, plastic bags, disposables food service cups, plates, and containers fabricated from polystyrene foam, plastic straws, etc, within the university premises and canteens.
3. Encourage the use of biodegradable and other kinds of compostable utensils in situ of plastic and shall bring a fork, knife, and spoon from home.
4. Encourage the use of durable, foldable, and cheap reusable bags that may be carried around in a car, pocket, or purse.
5. Discourage plastic bottles and instead use glass, steel, or clay bottles in offices.
6. Welcome innovative ideas to cut back plastic footprints.
7. Mobilize students of schools/ colleges/ polytechnic/ITIs and other offices across the country in a cleanliness drive.

Single-use plastic items like plastic bottles, bags, spoons, straws, and cups are banned completely and awareness is made among staff and students through orientation and display boards within the premises. To limit the utilization of plastic, measures are taken to switch plastic teacups and glasses with steel glasses within the canteen. The staff and students are informed to use steel or copper water bottles rather than plastic bottles.
