Resolution: One new Program B.Sc Microbiology were introduced for the upcoming session from 2021-22. The list is as attached in **Annexure III**.

Item No. 1.5 (c): Approval of courses having focused on Employability/ Entrepreneurship/ Skill Development Course

Resolution: Department of Life Science offers a wide variety of Employability/Entrepreneurship/Skill Development Courses. The list of courses having focused on Employability/ Entrepreneurship/ Skill Development Course is as mentioned in **Annexure IV**.

The main objectives of the Employability/ Entrepreneurship/ Skill Development Course are:

- To promote entrepreneurship and skill development as a socio-cultural value.
- To augment motivation for entrepreneurial activity
- To groom in a manner that students/learners are ready to face the challenges of startups.
- To create an incubator for entrepreneurship.
- To serve as an information and resource institute.

Item No. 1.5 (d): Approval of Value-Added Courses

Resolution: Department of Life Science offers a wide variety of Value Added Courses which are conducted after class hours. These courses are conducted by experts and help students stand apart from the rest in the job market by adding further value to their resume. They are mostly independent to each type of the fields. The list of Value Added Courses is as mentioned in **Annexure V**.

The main objectives of the Value Added Course are:

- To provide students an understanding of the expectations of industry.
- To improve employability skills of students.
- To bridge the skill gaps and make students industry ready.
- To provide an opportunity to students to develop inter-disciplinary skills.
- To mould students as job providers rather than job seekers.

Item No. 1.6: Vote of Thanks

The Convener ended the meeting with vote of thanks.
