

**MEWAR UNIVERSITY,
GANGRAR, CHITTORGARH, RAJASTHAN -312901
(12 B AND NAAC ACCREDITED)**

INNOVATION ECOSYSTEM OF MEWAR UNIVERSITY, CHITTORGARH

Mewar University is a self financed university established as per Rajasthan Govt., Mewar University Act -2009 "No. F.2(1) Vidhi/2/2009 in persuasion of clause (3) of article 348 of the constitution of India. The University is recognized and approved under section 2(f) and 12(b) of the UGC act and empowered to confer Degree/Diploma/ certification under 22(1) of UGC act. The Mewar University is NAAC accredited as well approved by AICTE, PCII, BCI, and NCTE. The University is imparting the higher education since 2009 and provided higher education to thousands of students till now since its establishment.

For the training exposure of our students, we send our students for their short term and long term internships. University has tied up with various institutions promoted by MSME, Govt. of India, like Indo German Tool rooms, Advance Training Institute, Central tool rooms etc. Students are sent to these institutions for their short term training/Internship module. Students get Industry Ready before completing their Degrees/Diploma which helps them in getting suitable job opportunities. Our University is actively & effectively working in higher education sector since one decade in south of Rajasthan, India.

The University provides freedom to faculty members to transfer their knowledge to other institutions through invited lectures, training programmes, workshops, etc. The faculty and other members of the University are provided academic leaves and also some other financial and other sanctions to attend and present their research activities in Seminars and

conferences. The staff members are provided opportunity to exchange their ideas, research innovations through collaborations and encouraged to do Refresher course and faculty development programmes.

University is also having an incubation centre for transfer of knowledge. Mewar Incubation Centre (MIC) is engaged in promoting entrepreneurship among students and faculty members. Mewar University has got recognition as a host institution (HI) from MSME. MIC is authorized to conduct various activities directed by MSME pertaining to start ups and entrepreneurship. The University is pursuing faculties, students and general public for putting forward the proposals for start ups and considering and talking about proposals on utilization of waste materials of Mewar region such as marble / granite slurry and other waste materials, textile waste materials, pollutants, crop wastes, value added products from raw farm produces, bio plastic and etc. We have submitted many proposals to MSME which are under consideration for funding.

University has also established a Solar Incubation Centre which was established with the help of the Energy Swaraj Foundation. Considering the scenario of climate change green energy is very important and so this incubation centre will promote innovations in solar energy activities.

The University is also approaching nearby institutions and organizations to create awareness about start-ups and entrepreneurship which may result in innovative start up proposals.
