INFLIBNET Centre

Memorandum of Understanding (MoU) for Shodhganga/Shodhgangotri

(A Repository of Theses and Dissertations submitted to the Universities in India)

This Memorandum of Understanding (MoU) is made and entered into on 11 (Day) 04 (Month) 2017 (Year) between the INFLIBNET Centre, an IUC of University Grants Commission located at Gandhinagar, hereinafter referred to as "INFLIBNET" and MEWAR UNIVERSITY (University / Deemed University / Inter-University Centre), here in after referred to as the 'University'.

WHEREAS, INFLIBNET Centre, an Inter-university Centre of the University Grants Commission, as its mandate, promotes open access to scholarly content generated in universities. The Centre has computers, network, software infrastructure and technical know-how required for hosting electronic versions of theses and dissertations in open access with interface to search, retrieve and access these content.

WHEREAS MEWAR UNIVERSITY (University / Deemed University / Inter University Centre) has agreed to take part in the process of digitisation of old theses and dissertations (not available in computerized machine-readable format) and building-up of digital repository and to promote, share and host its ETD in 'Shodhganga: A reservoir of Indian theses submitted to the Universities in India' and other universities in open access. 'Shodhganga' is a name coined by INFLIBNET Centre for referring to the repository of Indian Electronic Theses and Dissertations. The word "Shodh" originates from Sanskrit and stands for research and discovery. The 'Ganga' is the holiest, longest and largest river in Indian subcontinent which has held heart of its people captive and drawn millions of people to its banks since the dawn of history. The Ganga is the symbol of India's age-long culture and civilization, ever changing, ever flowing, ever loved and revered by its people. "Shodhganga", a repository of theses and dissertations submitted to Indian universities, is expected to keep growing to a formidable size as more and more researchers from India submit their research works to this ever growing reservoir. Under the initiative called "ShodhGangotri", research scholars / research supervisors in universities are requested to deposit electronic version of approved synopsis submitted by research scholars to the universities for registering themselves for the Ph.D programme.

This Memorandum of Understanding (MoU) defines responsibilities, liabilities and commitments of the institutions involved to ensure proper system implementation, to meet the objectives pertaining to submission and access to Electronic Theses and Dissertations as envisaged by the UGC vide its Notification (Minimum Standards & Procedure for Award of M.Phil/Ph.D Degree), Regulation, 2009 dated 1st June, 2009.

NOW, THEREFORE, in consideration of the mutual agreements herein contained, INFLIBNET and the University agree to the following terms and conditions:

I. INFLIBNET Centre

1. Provide access to ETD hosting server(s) at the INFLIBNET Centre 'Shodhganga/Shodhgangotri' to the University with accompanied software interface enabling University / its student to create metadata and upload their theses and dissertations in ETD repositories designed for this purpose. The INFLIBNET will take the responsibility of keeping the data intact and usable, keep back-up of the data so as to avoid its loss. The INFLIBNET will deploy

9. The INFLIBNET Centre will not be responsible for i) errors, omissions, inaccuracies and quality of content or misinformation or for any damages caused to the user or any third party from the use of content provided in the theses; ii) safety and archiving of loaded content in cases of "force majeure" including natural calamities; and iii) printed version of theses.
10. INFLIBNET Centre will recommend or provide access to plagiarism software which university may use to detect plagiarism before awarding the degree.

Dear Ram Shay kumawat,

We find that though you did Institutional Registration, you have not yet registered most of the users of your Institute (Faculty members, Non-teaching staff and Students) in NDL.

Please note that the following key points which need to be done to complete the Institutional Registration process:

- *All students, teachers/faculty members and non-teaching staff of the Institute to be registered as user in NDL*
- *All students, teachers/faculty members and non-teaching staff of the Institute have activated the NDL registration*

As a part of the registration, a verification link will be sent to each user in respective user's e-mail id. Each user needs to complete his/her registration process just by clicking the link sent. In case any user is unable to retrieve the mail containing link the user need to click the "Account Recovery" button in NDL site (<https://ndl.iitkgp.ac.in>) to recover his/her login credentials.

Please get in touch with ndl-support@iitkgp.ac.in if you need any clarification or help in this respect.

You are also welcome to request your acquaintances to self-register in NDL using the "Register" button of the site.

NDL is an initiative of Ministry of Human Resource Development (MHRD) through its National Mission on Education through Information and Communication Technology (NMEICT) and is getting scaled up gradually with respect to content volume and diversity to make it a full-blown National Digital Library of India over time, which will be a ubiquitous digital knowledge source of the nation.

I am sure you will love to be an active participant in this exercise of building a national asset.

Yours sincerely,

Prof. Partha Pratim Das
Joint Principal Investigator,

National Digital Library Project (NMEICT, MHRD),
Professor, Department of Computer Science and Engineering,
Head, Rajendra Mishra School of Engineering Entrepreneurship,

Dear Ram Shay kumawat,

Your request for Institutional registration facility in NDL India is approved. Please register all the users (students, research scholars, faculty members and staff) of Mewar University, who are not yet registered in NDL India, by clicking the **"Add User"** button of the NDL India portal available to you after you login to NDL India (<https://ndl.iitkgp.ac.in>)

National Digital Library of India - IIT Kharagpur

National Digital Library of India (NDLI) is a virtual repository of learning resources which is not just a repository with search/browse facilities but provides a host of services for the learner community.

ndl.iitkgp.ac.in

).

There are two options: Single User Registration and Bulk User Registration. Single User Registration is self-explanatory. For Bulk User Registration please prepare CSV file, strictly as per the following format, and then upload the file:

- e-mail id (of user)*
- First Name (of user)*
- Last Name (of user)

Note that the e-mail id and First Name are mandatory for each person but Last Name is optional. Also there should not be more than 1000 (One Thousand only) users in a CSV file. The registration process gets completed once the registration mails are sent to all the users listed in the file. It may take some time to complete this mail sending process and you may observe the status in the tab "Status".

In case you need to register more than 1000 users, please do this by making multiple files, each file not containing more than 1000 users, and uploading each file separately, and one by one. The next file should be uploaded only when the registration process for the previous file is completed, which may be confirmed from the "Status" tab.

Since new students, faculty, staff join every 6 months, please collect details of new users enrolled in Mewar University every 6 month period and get them registered in NDL India.

If you face any problem or need any clarification, please get in touch with us at ndl-support@iitkgp.ac.in.

We solicit your cooperation in getting all users of Mewar University registered in NDL India regularly.

Let's all enjoy NDL India!

Best Regards,
The NDL India team
