And

Claroid Pharmaceuticals Private Limited, Ahmedabad (Gujarat) represented by their Human Resource Manager (hereinafter) called “Claroid Pharmaceuticals Private Limited” which expression shall where the context so admits include its successor and permitted assignees of the second part.

PREAMBLE

Mewar University is an autonomous body promulgated by the Govt. of Rajasthan through an act passed by the Rajasthan assembly and further approved by the university grants commission, has hosted a large number of national students with representation from 29 states & international students representing countries like Nigeria, Sudan, Ghana, Yemen, Afghanistan, Zimbabwe etc to name a few.

Claroid began with a bold mission of becoming a leader in the pharmaceutical manufacturing sector. Guided by the founder's vision and purpose, Claroid, over the years, has scaled new heights in the pharmaceutical manufacturing sector and today provides medicines for safer and cost-effective living standards to major parts of the world.

Claroid modern plant is set over an area of 12,332 sqm with a built-up area of 3,754sqm. The unit is designed as per international regulatory standards like USFDA, MHRA, PIC/s & EU-GMP.

Responsibilities of Mewar University & Claroid Pharmaceuticals Private Limited

Mewar University Chittorgarh.

1. Mewar University will be sending its national / international students for addressing the short term training program & long term six months internship as per the requirement of the respective course.
2. Students from faculty of Pharmaceutical Science will be mainly sent for acquiring the required skills.
3. Discipline & proper code of conduct by these students will be the responsibility of the Mewar University.
4. One contact person will be nominated who will be coordinating related matters.
5. The detailed list of such students will be provided well in advance to ensure proper arrangements for smooth conduct of the programs.
6. Senior faculty members will conduct specific training programs for the employees of Claroid Pharmaceuticals Private Limited.
7. Extending Consultancy Services in various related fields.

Claroid Pharmaceuticals Private Limited, Ahmedabad.

1. Providing required trainings/internships with emphasis on practical exposure.
2. Assigning specific mentors/trainers for the students.
3. Permitting visits for the students from Mewar University to enable learning & understanding of process & procedures.
4. On completion of the trainings/internships evaluation on the prescribed formats will be provided for individual students.

5. Based on openings available & performance of the students (interns) during their internships job opportunities can be offered.
6. Any type of concessional facilities like canteen, transportation, medical, lodging/boarding, stipend depending on the provisions of the company can be provided to the students.
7. Delivery of guest lectures by the managers to the students and faculty members.

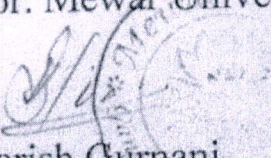

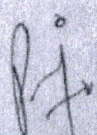

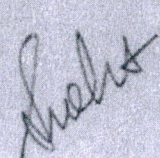

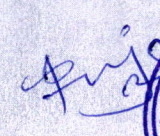

This agreement will be in effect initially for a period of 5 years from the date of signing of this MOU by the parties and may be renewed further if mutually agreed. The parties may terminate or modify (on mutual consent) the agreement by written notification signed by the appropriate official of the institution initiating the notice. Such notice must be received by the other party six months prior to the effective termination date. However, obligations and commitments already contracted for and involving the parties shall be honored and continued by the parties until such commitments are completed.

The coordinating officers from both sides, for the smooth functioning of MOU, will jot down rules and regulations with regard to the charges and other related matters.

In witness whereof, the parties hereto caused this instrument to be executed as of the day, month and year indicated below:
