FROM THE DESK OF CHAIRMAN, MES

For development of a country, education is the most important ingredient. But it has to be such that it leads to the opening of human mind for perpetual growth. True education must not limit itself to completion of syllabus or acquisition of degree. It should, instead, aim at the development of complete individual, who can lead the humanity on a road of continuous growth. Since time immemorial, India has given the human civilization many path-breaking innovations. It gave the world one of the oldest universities like Nalanda. India has always been a pioneer in spreading the light of education across the world. But somehow, we have deviated from the basics of Indian heritage and culture. Mewar University, I sincerely believe, shall carry forward the glorious heritage of Indian education and philosophy to present the world with a new blend of human resource whose optimum utilization shall make India the leader in the 21st century.

(G.L. Gadiya)

Chairman
MES, Chittorgarh

FROM THE DESK OF CHAIRPERSON

Dear Students,

I welcome you to Mewar University.

After your initial education in schools and colleges, you are all set to opt for a Higher Education course, in order to grow into a confident, vibrant, self-reliant and sought-after professional in the future.

At this juncture, I can assure that your admission into Mewar University will be the key to your success. Yes! Mewar University can make the difference. Our University has been dedicated to its mission of nurturing students who will contribute to society by advancing their knowledge. The University is designed to educate and train you in the subject of your choice, by following the best standards available. It will further orient your personality to suit the desired job profile through sustained exposure to co-curricular and extracurricular activities and Personality Development Programmes.

The state-of-the-art infrastructure, ultramodern Labs, well-equipped library, highly qualified and experienced faculties, well-designed hostel, catering arrangement, facilities for indoor and outdoor recreation will provide an ideal environment for your grooming.

We believe that education is a powerful means to transform society. Society itself is changing rapidly in ways that will profoundly impact the role of universities in the 21st century. The IT revolution has innovated the way people work in every field. In order to enable students to meet new job requirements, the University has built collaborative partnerships with business, industry, government, and other research institutions to invigorate the curriculum.

Our courses impart on-the-job training, with practical exposure as an in-built feature of the curriculum. The University runs various industry-specific courses in collaboration with reputed Industrial Training Institutes, in Government and Private sectors and follows a unique teaching methodology where day-to-day presentation, assignment, chart and models, industrial training in a training institute for about 21 to 45 days and Industrial attachment for one semester for all students have been made mandatory. We are further committed to develop in students, a spirit of nationalism and a sense of pride in being an Indian.

I would like to reiterate the noble intention behind setting up this University in the Mewar region. The contribution of Late Shri Bhanwar Lal Gadiya, Chairman and Shri Govind Lal Gadiya, Secretary, Mewar Education Society and their untiring effort, support and blessings motivated me to establish this mega venture, which is designed to enlighten the young generation. The selfless and exemplary contribution of Shri R.K. Gadiya, Shri Ashok Singhal, Shri Sameer Garg and Shri Sunil Gadiya needs special mention, as without their continuous support this dream might not have been possible.

I hope you all value the inherent spirit of this effort and study with full dedication to achieve your career goal and support our mission. As an institution, we are committed to best teaching, best training, best placement, best counselling and best research. We also expect our students to play an exemplary role in furthering the nation's social, cultural, business and economic development.

This being a new journey in your life, I wish you a grand success in the mission of your life and excellence in your professional career.

Jai Hind!

Dr. Ashok Kumar Gadiya

Chairperson

MEWAR UNIVERSITY : BEGINNING of A NEW ERA

Recognition and Approvals

Mewar University is an autonomous body constituted under the Government of Rajasthan Act. No. 4 of 2009, passed by the Rajasthan Assembly. The University is further approved by the UGC u/s 2(f) and 12 B of the UGC Act 1956, with the right to confer degree u/s 22(1) of the UGC Act.

The University is recognized by AIU (Association of Indian Universities) and is its member and NAAC Accredited. The University is also approved by AICTE, PCI, BCI, IAP, NCC, NSS and NCTE for respective courses.

Brief History

Mewar University is promoted by the Mewar Education Society (MES). It is controlled by a Board of Management, constituted by the MES, which is headed by Chairperson Dr. Ashok Kumar Gadiya, a great visionary, educationist, and nationalist, who translated his ideas and dreams of promoting higher education into reality by setting up institutes of higher learning in various places. In no time, he has carved out a niche for himself as an educationist, who believes in inculcation of values through education in the young generation.

Mewar's culture, ethos, tradition and values are so ingrained in its soil that it is bestowed with magical powers to sprout prodigious talent and genius. Anyone groomed in this environment will undergo a steady transformation to blossom in life imbibed with the traits of greatness. The University aims to inculcate among its students the spirit of universal brotherhood while laying utmost emphasis on respecting for Indian culture and traditions.

Mewar University alone has over 10,000 students presently and the number is growing at a very fast pace. Mewar University has started the following faculties for providing education in various technical and professional programmes and also for pursuing research:

- Faculty of Engineering and Technology
- Faculty of Management and Commerce
- Faculty of Education and Psychology
- Faculty of Mass and Media Communication
- Faculty of Legal Studies
- Faculty of Pharmaceutical Sciences
- Faculty of Computer Science and System Studies
- Faculty of Alternative Therapy (Department of Astrology)
- Faculty of Agriculture, Veterinary and Forestry Sciences
- Faculty of Science and Technology
- School of Physical Education
- Faculty of Humanities, Social Sciences and Fine Arts
- Faculty of Vocational Sciences, Skill Development and Entrepreneurship Studies
- Faculty of Yoga and Naturopathy
- Faculty of Fire Safety and Hazard Management
- Faculty of Health Sciences

Academic Programmes offered by Mewar University

The University offers a wide range of academic programmes at various levels: Certificate, Diploma, Undergraduate, Post Graduate and Research Degree. The University is also offering a large number of collaborative programmes with Government/ Semi Government/ Reputed Institutions.

Research Programme

Mewar University strives to provide best possible research facilities and environment to its students and teachers. From inception, Mewar University has focused on it by giving emphasis to Ph.D. programme along with providing best possible infrastructure appropriate for it. The committee, which approves the topics for researchers and recommends the award of Ph.D. comprises renowned academicians of the country as members.

The University has been running Ph.D. programmes since 2010 to offer an opportunity to students and faculty to acquire in-depth knowledge in various subjects in order to serve our society better. The University has scholars pursuing their Ph.D. in various subjects such as Management, Computer Science and System Studies, Legal Studies, Education, Psychology, Engineering and Technology, Science and Technology, Humanities, Social Sciences, Fine Arts, Media and Mass Communication, Rural Development, Agriculture and Forestry, Pharmacy, etc.

The other Institutions of higher education and learning established by the MES (**Mewar Education Society**) are:

Mewar Institute of Management, Vasundhara, Ghaziabad (U.P.) [Approved by the UGC and affiliated to C.C.S. University, Meerut. Conducting courses for B.B.A., B.C.A., B.Ed., M.Sc. (Biotech)], B.Com., B.Sc. and BTC

Mewar Law Institute, Vasundhara, Ghaziabad (U.P.) [Approved by the UGC and Bar Council of India and affiliated to C.C.S. University, Meerut. Conducting courses for LL.B. (3Yrs) and B.A. LL.B. (5Yrs), LL.M (2Yrs.)

Mewar Girls Business School, Vasundhara, Ghaziabad (U.P.) [Approved by the AICTE and affiliated to UP Tech. University, Lucknow. Conducting M.B.A. courses for Girls.

Mewar Girls College, Chittorgarh [Approved by the Government of Rajasthan and affiliated to Mohanlal Sukhadia University, Udaipur. Conducting courses for M.I.B., B.Sc.(Biotech.), B.B.M., B.C.A. and P.G.D.C.A.]

Mewar Girls Ayurved Nursing Centre, Chittorgarh [Approved by the Government of Rajasthan and affiliated to Rajasthan Ayurved University, Jodhpur. Conducting courses for Ayurved Nursing]

Mewar Girls Industrial Training Centre, Chittorgarh [Approved by the Government of India (NCVT) and Board of Technical Education, Jodhpur, (SCVT). Conducting courses for

Computer Operator and Programming Assistant, Interior Decoration, Fashion Designing, Dress Making, English Language Proficiency and Personality Development]

Mewar Girls College of Teachers Training, Chittorgarh [Approved by the Government of India (NCTE) and affiliated to Mohanlal Sukhadia University, Udaipur. Conducting courses for B.Ed., N.T.T., S.T.C.]

Mewar Girls Institute of Nursing (Affiliated to Rajasthan University of Health and Sciences, Jaipur, Approved by Nursing Council of India). Conducting course for B.Sc. Nursing for women only.

These centres of learning exemplify the group's mission to promote quality technical and higher education. As a result, the number of students has progressively increased year after year and it has crossed the bar of 10,000 students in different campuses.

The group, continuing with its mission to provide higher and technical education to a larger section of people, has touched a new height by promoting and sponsoring Mewar University. The promoting body, with its honest efforts and unstinted dedication, has endeavoured to build a strong partnership with the Government of Rajasthan for ensuring the spread of higher and technical education in the State.

The University has the distinction of blending modern education with cultural mooring. It offers value based education, grooming ideal citizens for future. The University aims to inculcate among its students the spirit of universal brotherhood while laying utmost emphasis on respecting Indian culture and traditions.

Mewar's culture, ethos, tradition and values are embedded in its soil, providing the right environment for nurturing brilliance. Peaceful surrounding, the tranquillity enveloping the region, the Aravali Hill symbolising the glory of nature and the cultural mooring all together create an ambience for fruitful academic pursuit.

The Campus

The university campus is situated in the vicinity of the scenic Aravali ranges and is spread over sprawling 30 acres at Gangrar in Chittorgarh District (Rajasthan), just 18 km away from the city of Chittorgarh. The campus can be easily approached by road and railway network as it is situated on NH 48 (Delhi-Mumbai Highway) and connected with all the major cities through broad-gauge railway tracks and roads. The nearest Maharana Pratap airport is Dabok (Udaipur), which is 100 km away from the campus and is well connected with major cities through regular flights.

Mewar University has the unique distinction of being the only university in the District of Chittorgarh (Rajasthan). The university is established to benefit students from every nook and corner of India and other countries. The University fills up the void in the field of higher, technical and vocational Skill development education in the Mewar region which, in spite of being rich in terms of agriculture, industrial and business growth, has lagged behind in education as compared to the neighboring districts like Udaipur, Ajmer and Jaipur.

The campus is divided into various functional zones like Academic and Administrative Blocks, Hostels and Residential complex for faculty and staff. It has co-educational facilities with separate hostel accommodation for boys and girls. Besides academics, the well-laid campus provides all facilities for cultural, recreational and sports activities.

Vision

To develop a Centre of Excellence for technical, professional and vocational skill development education and research at par with National and International standards.

Mission

To develop the framework for effectively conducting various educational and research programmes of the highest standards so as to produce confident, self-reliant and responsible youth for the society and eminent professionals for various government, industry and business sectors. The mission is to **"Reach the Unreached"**.

Objectives

- To provide easy access to high-quality education in Management, Engineering, Agriculture, Pharmacy as well as other academic and professional fields to its students irrespective of their caste, creed, age, gender, region or country at affordable cost.
- To offer conducive environment for pursuing research and vocational studies with market driven orientation.
- To expose students to new ideas, fresh vision, pragmatic ambitions and enhance competency for success in the ever evolving business environment.
- To provide flexible choice based credit system of education and dual-degree programmes while adopting flexible modes of delivery to suit student's requirement of learning.
- To prepare and assist students in improving their future prospects through career and placement counselling and support, on-the-job training, industrial visits, presentations, group discussions.
- To promote and practise convenient distance education concept in India and abroad.
- To spread job-oriented Skill Development education in rural and tribal areas.

THE DESTINATION

Mewar University, which is situated in the land of Maharana Pratap, Rani Padmini and Meerabai – the embodiment of courage, sacrifice and love, has developed a wonderful environment for education that is conducive to a perfect blending of the new age education with Indian values and ethics.

Within a very short span of time, the university has become a vibrant centre of intellectual growth and excellence due to the synergy developed by students, teachers and its physical infrastructure.

The Mewar Education Society, having successfully run various academic institutions for more than a decade, decided to establish this university for providing the students with a unique methodology of teaching which is lacking in the world today.

Currently, Indian Education is passing through a very critical juncture as quality is overshadowed by quantity in most of the cases. Students, who seek quality education, will now have Mewar University as their destination. The University, which had a humble beginning with Swami Vivekananda's ideology in mind that 'EDUCATION IS THE MANIFESTATION OF THE PERFECTION ALREADY IN MAN', has generated rays of hopes for those in the quest of quality education.

Our highly motivated and experienced teachers help students to attain near perfection in their academic pursuit and enable them to face the world with confidence and determination.

Why CHOOSE MEWAR UNIVERSITY ?

Education is a liberating force. Mewar University was established after achieving overwhelming success in running many institutes in various states for over a decade. But we did not rest on our oars. We continued our ceaseless quest for excellence by constantly breaking new grounds in teaching and learning process to provide cost-effective seamless education to the students. Having run many institutions for more than a decade, we realised our limitations for achieving the goal of providing access to a universe of knowledge, wisdom and purity of human growth and excellence. So to think big and to act bigger, we established Mewar University where aspiration would lead to innovation, where there would be no obstacles to academic pursuit and where development of mind, soul and body would be natural and spontaneous.

The following features give an edge to the students of this ever-growing University:

LEARNING ENVIRONMENT

Pedagogy for Programmes

- Qualified, experienced and fully dedicated faculties
- Business Executives and Professionals as visiting faculties / Professors.
- Teaching through interactive lectures, case-studies and tutorials with audio-visual aids
- Practical exposure through workshops and laboratories
- Cohesive self-studies through study groups and online discussions
- Open house interaction and group discussions
- On-the-job exposure and projects in live scenario
- Inter-institutional exposure
- Seminars and symposiums

- Maharana Pratap and Gandhi Museum
- Technical Today Club & Fine Art's Club
- Quiz and competitions
- Career Counselling
- Continuous sessions of lectures and presentations in their subjects by the students in front of peer groups to sharpen their communication skills and to enhance their knowledge
- Sustained exposure to audio and video lectures of world renowned Academicians, Professors and Scientists through NPTEL and other modes
- Two way Teaching Methodology

Seminars and Workshops

The University conducts seminars and conferences on relevant technical and current topics of interest. It also has faculty and students exchange programme with other institutions. Inter-class seminars on topics relevant to course curriculum as well as for the enhancement of personality are frequently organised.

Every year the university conducts Faculty Development Programme (FDP) which is compulsory.

A calendar of activities is scheduled for each semester. The workshops and seminars develop a healthy practice of competition, active participation, learning through sharing, discussion and presentations. These forums help to build self-confidence and power to express oneself freely while creating the opportunity to develop in-depth knowledge on different topics and subjects. Students are motivated to participate in technofest and project work.

Student Counselling

Counselling on various academic and non-academic matters has been made available to the students. These include emotional, psychological, pedagogic and cultural issues.

Apart from a dedicated Student Counselling Centre, which is open on all working days during study hours to assist students, the students are divided into groups of modest size and each group is assigned a faculty member, who acts as a counsellor and remains responsible for the group throughout the year. The students are free to contact the counsellors any time for resolving their problems. The Counsellor acts as a Friend, Philosopher and Guide to the students.

The Counsellors provide all required support to students, particularly in terms of learning, enhancement of skills, personal and career counselling. Mewar University believes in making the student as comfortable as possible and virtually adopts the student for the whole tenure of academic programme. A full-fledged student welfare officer is available 24 hours on the campus to solve the problems of the students instantaneously.

The University is also planning to develop a cell that would not only track slow learners but would also help them out in various ways so that they could keep pace with other students. (remedial coaching)

Co-Curricular Activities and Tours

The knowledge and skills stored in the brain and not expressed properly is futile. Many co-curricular programmes are held every weekend by different departments of the university to expose the hidden talents of students. There are music, art, dance, drama, debate, presentation, essay writing competitions and group discussions at intra departmental and inter-institution levels with a view to ensuring complete participation of students.

Through intensive study without break, the mind gets stressed. In order to release the pent-up stress and strain, periodic leisure trips are planned by different departments of the university to

provide an opportunity to the students to enjoy nature and diverse culture of this incredible nation and also to get rejuvenated.

It helps them to learn communication, leadership, crisis management and team building in a very conducive and challenging environment.

Personality Development Programme

This value added programme attached to main curriculum equips the students with skills that help them in sailing through their main curriculum and in their professional life thereafter. The PD programme helps the students to learn the whole gamut of techniques in order to face professionals and corporate world with added confidence. It also inculcates in them professionalism, workplace discipline, personal habits, effective communication, etiquette to deal with officials besides creating self confidence.

English Language has always given an extra edge to the Indian students in the international market and even the domestic market. In this respect, adequate emphasis has been placed on learning English all throughout the course of study that provides extra opportunity to all the students to improve their ability to read, speak, write and understand the language effectively. One paper of general awareness and PDP and a paper of English have been included in the regular curriculum.

Corporate Consultancy

Mewar University plans to launch its Corporate Consultancy and Management Development programme after careful planning and extensive research. Management to us means substitution of brain for brawn, of knowledge for belief and superstition, and of cooperation for force. In a short span, Mewar University has started contributing effectively to the

development of Indian Business, by providing specialist knowledge in areas of strategic planning, decision-making and benchmarking.

Apart from organising open management development programmes, the university is committed to develop a chain of multi-functional and multi-sectoral programmes for the corporate world, Government departments and NGOs.

Feedback System

The educational programmes in the University follow latest methods of 360 degree feedback system to keep enriching the course content, teaching methodology and the academic environment. While the students are continuously assessed for their performance, they also play a role in assessing the teachers and staff. The feedback is seriously analysed to introduce systematic improvement through counselling and other proactive actions.

Examination System

The university follows semester system for conducting examinations so as to make education stress free. Grading-based evaluation and modern methodology of assessing performance are being followed. The system is upgraded on a regular basis to keep pace with the developments taking place elsewhere and to enable Mewar University to introduce a practical-oriented examination system which is not only student friendly but also capable of assessing one's potential in a very impartial manner. CBCS System is in practice.

Scholarships and Incentives

The University provides scholarships to deserving and meritorious students enrolled for Under-graduate programmes. The criteria of entitlement for scholarships are as follows:

University Scholarships: Students securing 90% and above in (10+2) are exempted from paying 75% of their tuition fee.

Meritorious student Scholarships: Students securing 85% and above in (10+2) are exempted from paying 25% of their tuition fee.*

A chair would be instituted in each faculty. The topper of each faculty is reimbursed tuition fees for one full year by the respective chair. The first such chair has been instituted in the faculty of Engineering and Technology in the name of Shri Nand Lal Gadiya, respected father of the Chairperson.

Extra-Curricular Excellence Scholarships

One student from each faculty, adjudged for excellence in extra-curricular activities like sports, oratory, presentation, cultural activity etc., will be reimbursed 50% of the tuition fee.

INFRASTRUCTURE

Mewar University provides world class infrastructure to its students extensive and exclusive support to the prevailing learning environment.

Library

The University has a well-stacked, air-conditioned and fully computerised library, which serves as a catalyst in the learning process.

To ignite the intellectual spirit in young minds, a stock of over 85,000 latest books, large collection of video/audio CDs, industry and company information sources are made available to the students.

The university has course-wise departmental libraries and a central library to provide adequate support for complete academic pursuit. Additionally, a separate reference section for university recommended books of each course has also been provided.

Open and accessible 15 hours a day, the library includes a separate display section announcing new arrivals. The unique feature of the Mewar University library is its Electronic Media Library Division. It grants access to Indian and Global database related to programmes and training materials, which are also made available in CD-ROMs. Major features of the library include:

- Study and Reference Books
- Large collection of National and International Journals
- Reading Halls for more than 200 students
- Special Reading Room for Researchers and Teachers
- Computerised Library Management System
- Online Workstations connected with 100 Mbps Internet connectivity
- Audio-Visual Library Section
- Career Guidance Section
- Magazines and Periodicals Section
- A separate Reference Section is maintained for important and rare books
- Easy operation through automated library procedures and Bar Code system
- Digital Library – to provide access to e-Journals, to download desired material
- Reprographic facility

*The University took initiative to honour the talents in Rural area and gave admission to the students of Navodaya Vidyalaya: those who secured 85% and above, through counseling, were exempted from paying tuition fee and hostel charges.

- Separate Museum with old Manuscripts, writings and currency and Coins.

Laboratories

The campus has well-equipped laboratories that have been aesthetically designed and arranged with modern equipment and infrastructure to completely cover the syllabus of each branch of study. The labs include Physics Labs, Chemistry Labs, Electrical Engineering Labs, Electronics Engineering Labs, Mechanical Labs, Pharmacy Labs, Agriculture and Forestry Labs & Field, Professional Recording Studio, Communication Labs, Electrical and Mechanical Workshops, Computer Labs, Engineering Graphics Labs, Language Lab, Fire Safety Lab & Moot Court etc. In all these labs, hands-on training is imparted to the students to keep pace with modern technology. The university possesses well-qualified and experienced technical staff with all resources to develop the technical skills of the students in all fields.

The campus has an array of computers distributed over different sections of academic block. The air-conditioned computer labs with pleasing ambience is spread over 850 square meters. The Computer Centre has high-end servers to cater to the needs of the networked environment. The client machines have the latest configuration. All machines have 24 x 7 online UPS power supply backup by 750 KVA DG sets with Internet and Wi-fi.

Hostels

In order to provide accommodation to students coming from far-off places, the university provides separate air-cooled hostel facilities for boys and girls within the campus. The hostels maintain high quality of living with round-the-clock basic facilities like water, electricity, food, laundry, entertainment, medical facility, telephone connectivity, security, etc. The campus hostel is surrounded by lush green

lawns and play grounds.

The hostels have a total capacity to accommodate around 1400 students. Each hostel is divided into separate wings with a separate common room. Each hostel is managed and looked after by a dedicated warden.

The hostels provide several sports facilities for its inmates, which include badminton, basketball, volleyball, cricket and indoor games such as table tennis, and chess. In order to ensure physical as well as spiritual fitness for its future professionals, the hostellers are provided with a gymnasium. Besides, yoga and meditation classes are held on a daily basis.

To improve the learning process, the management has provided extended access to the library and computer centre, with all the essential software loaded as per the curriculum. The University also takes due care to protect the religious, cultural and social beliefs of the students. Each festival is celebrated with full fervour and enthusiasm.

Transport

The university owns its own transport fleet and ensures satisfactory transport services between the city and the campus, with vehicles plying at reasonable intervals. The university is likely to start transport services to nearby towns based on a survey of the requirements of staff, students and faculty. Transport facility is arranged by the university for training, industrial visits, academic and co-curricular activities.

Canteen and Amenity Centre

The university has a modern canteen functioning in the campus, which can conveniently accommodate a good number of students at a time. The canteen is equipped with modern furniture and automatic cooking system and storage facilities. Delicious and nutritious lunch, dinner, snacks and

beverages are made available to the students and staff at reasonable rates.

The Amenity Centre is a mini market place within the campus. It has a cafeteria, stationary shop, laundry, hair dresser, public STD booth, a transport facilitation counter, courier kiosks etc. The Amenity Centre serves all the basic and daily needs of the students and staff within the Campus precincts. ATM facility is also available in the campus.

Sports, Gym, Yoga, Meditation

Adequate facilities for indoor and outdoor games, such as basketball, badminton, football, cricket, volleyball, table tennis have been arranged within the university campus for the students. The university supports and encourages students to participate in district, state and national level competitions in sports and extra-curricular activities.

Peace is a virtue, a state of mind, a disposition for benevolence, confidence, courage, justice, and practice. Peace lies in a pure state of mind and sound physical health. These can only be attained through physical exercise, yoga and meditation. In order to inculcate these habits the university has developed a Gymnasium and Yoga Centre for the physical and spiritual benefit of the students.

Culture and Heritage Centre

The University puts special emphasis on building awareness among students about the Indian culture, heritage and the heroic deeds and sacrifices of those who made our country great. A separate gallery, dedicated to these great souls and displaying their portraits, sayings and writings, has been set up. Frequent lectures, seminars, essay competitions, role plays, anniversaries and festivals are organised to pay homage to these towering personalities. Continuous efforts are made to inspire the students with their ideals and inculcate the values espoused by them.

Health and Medical Facility

Healthcare is recognised as a basic requirement to support any kind of human activity. Mewar University pays unstinted attention to medical fitness of its students. Medical consultation is available 24X7 in the campus. A qualified doctor is in attendance to take care of all health related requirements besides attending to emergencies.

The University has established a 100 bedded hospital in the campus, which apart from providing medical services to its students in-house, would also render community services by extending treatment and supplying medicines to residents of nearby villages. The Hospital has qualified nurses and regular qualified doctors (Male/Female) for consultation, besides there is also a Physiotherapy Centre. A Medical van is available 24X7 in the campus for any emergency situation.

Guest House

The University has a guest house facility to accommodate visiting faculties and officials. The guest house has sufficient rooms with all modern amenities to provide required comfort to the guests accommodated for a short stay in the campus.

Training Centre for Faculties and Officials

A training centre with the requisite gadgets and equipment facility is also there in the campus for the continuous upgradation of knowledge of faculties and officials. It is designed to keep the teaching staff up-to-date with new developments in different subjects and teaching methodology. The university is continuously arranging training programmes for faculties so that their teaching skill is updated and improved.

Training and Placement Initiatives

Mewar University has faculties covering Engineering, Management, Agriculture, Pharmacy, Computer Science & Health Science, law and various other Technical and Professional courses, along with conventional courses. Our endeavor is not only to educate the students to earn degree but also to extend employment opportunities through our rigorous Corporate Outreach programs.

We are working in direction to develop the leaders in their respective trades, who can make themselves stand in today's environment of high-rise competition. University has put efforts to train the students well for the industrial demands of today. Following enhancement programmes have been devised to provide the students with better skill set and employable learning.

- The Formal education with Disciplinary training.
- Short-Term training programs within the course of program.
- The Internship, to boost the confidence and understanding of Industrial functioning.
- And, Finally getting appropriate placement opportunity.

Training Model

Mewar University has adopted the policy of Best Teaching, Best Training and Best Placements. We have made skill development of the students an integral part of the curriculum. Mewar University is providing best teaching/practical exposure to its students in reputed Government, Semi Government/Private institutions. The University has made a mandatory provision for training as described below:

Changing The Paradigm

Phase I - Short Term Training

- | | |
|---|--------------|
| (a) For B.Tech students (4 Years) | 3 to 6 weeks |
| training after 6th semester | |
| (b) For MBA and M.Sc. students (2 years) | 3 to 6 weeks |
| training after 2nd semester | |
| (c) For Polytechnic Diploma, BCA and BBA | 3 to 6 weeks |
| training after 4th semester | |
| Students (3 years) | |
| (d) For Integrated LLB students (5 years) | 3 to 6 weeks |
| training after 8th semester | |

Phase II - Internship

In the last semester of the programme, the students are attached to the related industry for six months of internship. The department/function or the Industry/ Organization which the student join for six months of internship is solely decided on the basis of the theme on which they have undergone training during Phase-I.

- For B.Tech students (4 Years) 6 months on-the-job training cum internship in concerned industry during 8th semester
- For MBA, M.Sc. and MCA students (2 years) 6 months on-the-job training cum internship in concerned industry during 4th semester
- For Diploma, BCA and BBA (3 years) 6 months on-the-job training cum internship in Concerned industry during 6th semester
- For LLB students (3 years) 6 months on-the-job training cum internship during 6th semester
- For Integrated LLB students (5 years) 6 months on-the-job training cum internship during 10th semester
- For B. Pharma students (4 years) (as per PCI norms)
- For Agriculture and Forestry (4 years) (6 months internship)

Short-term Training at a Glance

Training of our students is done in more advanced way as compared to traditional universities, for this Mewar University has collaborated with many training centers, of international repute, where our students get very intense hands-on training. Some of the institutions where our students go for training are:

Internship at a Glance

Upholding to our commitment for providing qualitative higher education to the students, we are also accessing the needs of the industries in the ever changing business environment and trying to develop such patterns of higher technical education wherein not only the students are imparted and benefited with new ideas and fresher vision, but even the challenges faced by industries related to human resources are addressed accordingly to the specific requirement.

Keeping this in mind we have formulated our academic curriculum in such a way that final semester (six months) is assigned for Industrial internship, wherein, a student has to undergo a training program with a particular industry/ institute to

acquire practical experience and also job exposure to various aspects of industrial functioning.

These internships provide an excellent ambience for developing interpersonal, communication and team work skills along with technical aptitude and behavioral learning.

The students of Mewar University undergo internships at foreign universities, renowned Indian industries and institutes. In the year 2017 total of 580 students had their internship at 165 industries year 2018 total of 550 students had internship at 160 companies, year 2019 total of 282 students had internship of 104 companies, year 2020 total of 230 students had internship of 88 Companies and year 2021 total of 380 students had internship of 88 companies.

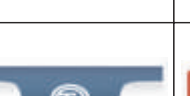

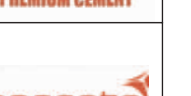

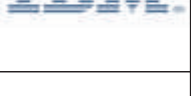

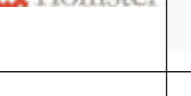

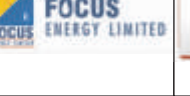

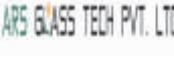

Recruitment at a Glance

Placement cell at Mewar University ensures to reach out students in an effective manner and enable them taking informed decisions in their careers, It has attracted dominant players from the industry and brought to its campus companies with competencies in the core disciplines of Mech, EE, Civil, Electronic engineering as well other sectors. The placement cell aims to provide a wide range of options in terms of career choices to the students to meet their diverse aspirations.

GOVERNMENT, INDUSTRY-UNIVERSITY INTERFACE AND FOREIGN COLLABORATIONS

With an objective to impart best teaching, best training, best research, best counseling and best placement to our students, Mewar University has recently collaborated with a number of Government and Non-Government Industries/ Institutions for the purpose of giving industrial/ practical training to our students related to the industry concerned.

Some of the collaborations made are listed below:

State University of New York Potsdam USA

Partnered for offering Employability Skills and Credit Courses
Certified by SUNY-POTSDAM Campus

SUNY is the largest system of Public Institutions of Higher Education in USA comprising of several Universities and Colleges, having a total enrolment of 1.3 million learner, Continuing Education students and 88K faculties spanning 64 Campuses across state of NY. SUNY's annual RandD budget is app US\$ 1.3 Billion.

Danish Consortium of Academic Craftsmanship Denmark

Partnered for establishment of the Indo-Danish Center of Excellence for Academic Craftsmanship

Thammasat University Thailand

Partnered for student exchange program of training and higher education

Bangkok University

Partnered for student exchange program of training and higher education

Georgian Technical University

Partnered for student exchange program of training and higher education

Sacred Heart University Luxembourg

Partnered for student exchange program of training and higher education

Mewar University and Cavendish University Zambia and Uganda Practical Training Programmes

Cavendish University Zambia in partnership with Cavendish London was registered in Zambia under the Education Act, CAP136, of the Laws of Zambia for the purpose of providing 'University Education'. All courses lead to qualifications that are internationally recognized. The university provides a unique opportunity to acquire British professional qualifications and through Cavendish London several links with leading institutions have and are being developed.

Mewar University has collaborated with CUZ in order to send students for training in respective countries.

Mewar University and Pyeongtaek University (PTU), Korea- Practical Training Programmes, Student exchange, Faculty exchange programmes

In order to expand its international horizon, Mewar University (MU) has entered into an MoU with Pyeongtaek University (PTU), which provides quality higher education through twenty-five undergraduate programmes, and five graduate schools, including a seminary graduate school and four professional graduate schools (Social Work, Information, Education and Counseling).

Pursuing the vision of "Educational Excellence in the Spirit of Christianity", Pyeongtaek University offers ideal education in cooperation with the local business industries and communities. PTU's goal is to emerge as one of the most prestigious universities in Korea.

Mewar University has collaborated with PTU for exchange of students and faculty.

Mewar University and Institut National des Sciences Appliquees-(INSA RENNES, France) Practical Training Programmes, Student exchange, Faculty exchange programmes

Institut National des Sciences Appliquees (INSA Rennes): Founded in 1966, INSA -Rennes is one of France's top Graduate Schools of Engineering. It is renowned for the excellence of the scientific courses they provide. INSA-Rennes is a founder member of the European University of Brittany and comprises a research centre

with six recognised laboratories and two doctoral schools. INSA-Rennes has Practical Training authority to issue doctoral diplomas in seven research speciality options at Master's degree level. INSA-Rennes has an active policy of receiving foreign students and engaging in international exchange programmes. Furthermore, INSA's influence abroad in terms of education, scientific expertise and research is illustrated by the numerous schemes which have been established involving both teaching staff and students. The course at INSA-Rennes remains financially affordable.

Mewar University has collaborated with INSA Rennes, France for short term training programmes and internship of engineering students of all streams.

Mewar University and University Institute of Technology (IUT) Angoulême (France) Practical Training Programmes, Student exchange, Faculty exchange programmes

University Institute of Technology (IUT) Angoulême (France): 4 Avenue de Varsovie, Angoulême-16000, France.

The University of Poitiers which includes the IUT Angoulême brings together a total of 24 000 students and employs over 3000 people. It brings together all disciplines in its 14 units training and research (UFR), Institutes and engineering school and delivers over 200 national diplomas: USDA, DUT, licenses, professional licenses, professional masters track and route search, diplomas engineering, medicine / pharmacy / Midwife / speech therapy, support of education, doctorates in all fields: law, economics, management, arts, humanities, languages, social sciences, sciences and techniques of physical and sporting activities, science, technology, health.

Mewar University has collaborated with University Institute of Technology (IUT) Angoulême, France for short term training programmes and internship of engineering students of all streams.

Mewar University and Université' de Poitiers (France) Practical Training Programmes, Student exchange, Faculty exchange programmes

Université' de Poitiers (France): It is a member of the Coimbra Group, as one of the oldest universities of Europe. The main wealth of the University of Poitiers is the plurality of the subjects taught. A feature that provides students with broad career opportunities in all areas of Activities. The University covers all major

academic fields through its 14 teaching and Research Departments, Institutes and Schools.

The internationalization of education, with more than 270 partner universities worldwide, Poitiers University promotes international mobility (internships, study trips, ..) of its students in all courses.

Mewar University has collaborated with Université' de Poitiers, France for short term training programmes and internship of engineering students of all streams.

Mewar University and Université' de Nantes (France) Practical Training Programmes, Student exchange, Faculty exchange programmes

Université' de Nantes (France) : Founded in the XVth century, then closed for nearly 200 years, Université de Nantes reopened in 1962 and went on to become one of the top French universities. Today, Université de Nantes is one of France's top multidisciplinary universities. The University has campuses in Nantes, Saint-Nazaire and La Roche-sur-Yon. Université de Nantes is a multidisciplinary university and offers programs in most fields of knowledge. Currently, the University is attended by approximately 34,500 students. More than 10% of them are international students coming from 110 countries.

Mewar University has collaborated with Université' de Nantes, France for short term training programmes and internship of engineering students of all streams.

Mewar University and Dankook University (Korea) Practical Training Programmes, Student exchange, Faculty exchange programmes

Dankook University is a comprehensive university with a long history of Korea holds good scholasticism. Founded in 1947, Seoul in effect sikindaneun developing countries through education has developed well so far. In 2007, it established the new campus of the latest facilities in the suburbs of Seoul and has grown into a large-scale university with campuses in Cheonan.

Mewar University has collaborated with Dankook University, Korea for short term training programmes and internship of engineering students of all streams. In addition to above Mewar University has collaborated with institutions as University of Muhammadiyah Malang, Indonesia to work in the Department of Mechanical Engineering, with CEVAZ (Centro Venezolano Americano del Zulia), Venezuela, with Bangkok University on the project of Internet Controlled Telescope, and with Russia through AIESEC for internship on management.

Mewar University and Construction Industry Development Council (CIDC) Practical Training Programmes

The Construction Industry Development Council has its registered office at Nehru Place, New Delhi. The CIDC was established by the Planning Commission, Government of India and the Indian Construction Industry with a mandate to promote Human Resource Development, training and skill up-gradation to streamline the functioning of Indian Construction Industry. CIDC is the Apex representative organization having active participation of several Constituents of Indian Construction Industry and has evolved several procedures and facilitates inter-alia setting up of several institutions to enable Indian Construction Industry acquire the status as a vibrant global entity.

Mewar University has collaborated with CIDC to enhance the Industry Academia interactions and also to introduce modifications in the working dynamics of the academic and RandD activities to bring in the functioning in consonance with the needs and requirements of the Industry.

Mewar University, Indian Society for Trenchless Technology (IndSTT) and Construction Industry Development Council (CIDC) Practical Training Programmes

The Indian Society for Trenchless Technology, (IndSTT) has its registered office at Nehru Place, New Delhi. The Indian Society for Trenchless Technology is the apex organization to introduce and promote the application of Trenchless Technology. It was established in 1995 with the support of the Ministry of Urban Development, Government of India. Trenchless Technology being one of the recent and upcoming subsurface construction techniques, has a very limited trained manpower in India as on date and to meet the surging manpower demands, IndSTT, as one of its core objectives, is conducting the training programmes across the nation.

Mewar University has joined hands with IndSTT to augment the Industry Academia interactions and also to provide ample exposure to the students in the industry.

Mewar University and Fragrance and Flavour Development Centre (FFDC) Practical Training Programmes

Fragrance and Flavour Development Centre (FFDC), Kannauj, is an autonomous body under the Ministry of Micro, Small and Medium Enterprises (MSME), Government of India, having its registered office and campus at Industrial Estate, G.T. Road, P.O. Makarand Nagar, Kannauj, Uttar Pradesh.

Mewar University has collaborated with FFDC to provide exposure through training to the students in the area of Chemical process in Fragrance and flavour Industry.

Mewar University and Institute of Apparel Management (IAM) Practical Training Programmes

Institute of Apparel Management, set up under AEPC Society for Human Resource Development, is an autonomous body promoted by the Apparel Export Promotion Council (AEPC), sponsored by Ministry of Textiles, Government of India.

IAM has been extremely instrumental in training Designers, Design professionals, Design managers, Design Merchandisers, Quality professionals etc. with a broad base knowledge of applied Management skills, competencies and understanding of the dynamics of Apparel business in Global context. In order to cater to the growing industry demands for both export and domestic market; IAM has established four distinct Academic Tracks in which it will train professionals for both fashion and lifestyle industry.

Mewar University has joined hands with IAM in order to impart relevant training and exposure to the students of Apparel and Fashion Technology.

Mewar University and Indian Tourism and Development Corporation (ITDC) Practical Training Programmes

Indian Tourism Development Corporation, (a Public Sector Undertaking) duly registered under applicable laws of India, having its registered office in New Delhi. ITDC is a reputed public sector organization engaged in the business of hospitality and tourism management under the aegis of Ministry of Tourism (MoT), Government of India, running hotels and restaurants at various places for

tourists, promoting tourism through publicity material, entertainment, duty free shopping, consultancy etc. and inter alia imparts training in the field of tourism and hospitality in its designated hotels /resorts all over the country.

Mewar University is in collaboration with ITDC to provide adequate exposure and training to students of Hospitality and Tourism Management.

Mewar University and Aditya Birla Training and Research Centre (ABTRC) Practical Training Programmes

Aditya Birla Training and Research Centre (ABTRC) is having its office in Pilani, (Rajasthan). ABTRC is a reputed institute giving comprehensive training to young men and women irrespective of their caste, creed and colour to facilitate their overall development. ABTRC is having three state of the art labs in the areas of Electronics and Communication, Electrical and Computer Science and Engineering to provide best possible training and guidance to Diploma, UG/ PG and research students.

The Engineering students have gained immense exposure through trainings provided to them due to the collaboration between Mewar University and ABTRC.

Mewar University and Micro, Small and Medium Enterprises (MSME) Practical Training Programmes

Technology is changing rapidly with increasing complexity. There is a need for new education system that responds to both technological and business innovation. Industry demands graduates who possess sound knowledge of basic science concepts, mastery of the discipline and standards, problem-solving skills, system integration skills, experience in dealing with cross-functional business and team innovate and exhibit traits of ethics, values and eco-sensitivity.

Micro, Small and Medium Enterprises (MSME) sector has surfaced as an extremely dynamic sector of the Indian economy over the last five decades. They play a vital role in providing large employment opportunities at comparatively lower capital cost than large industries and also help in industrialization of rural and backward areas. Our students are taking benefit of valuable training programmes of MSME in large numbers every year. They are going for training in almost all tool rooms of MSME.

Mewar University and Centre for Excellence in Insurance Studies (CEIS) Practical Training Programmes

Mewar University and Centre for Excellence in Insurance Studies (CEIS) have come together to offer practical training to students in Insurance and Risk Management in order to make them 'Job Ready' through rigorous training in business practices related to general and health insurance. The students pursuing these training programs will be exposed to prevalent concepts of the insurance industry.

Insurance has emerged as a sunrise sector of the Global Economy. The insurance sector in India has also undergone tremendous changes over the last few decades since the opening of the economy in the 1990s.

Mewar University and Advance Training Institute(ATI) Practical Training Programmes

This is a premier national institute, under D.G.E and T Ministry of Labour and Employment, Government of India engaged in developing skilled manpower for the industries, Instructional staff for the Industrial Training Institutes and upgrading skill of in-service persons from the industry. This Institute provides training in Consumer Electronics, Industrial Electronics, Medical Electronics, Information Technology and Process Control. Hence Mewar University has collaborated with it for presenting a suitable platform to the students in this much demanded stream.

Mewar University and Central Institute of Plastics Engineering and Technology (CIPET) Practical Training Programmes

CIPET is an ISO 9001:2008 QMS, NABL, ISO/IEC 17020 accredited premier national Institution devoted to Academic, Technology Support and Research (ATR) activities for the growth of Polymer and allied industries in the country. CIPET operates on hub and spokes model with 28 locations spread across the length and breadth of the country.

To upgrade the skill and technical competency of personnel employed in plastics industry, CIPET offers a wide range of short-duration, skill-cum-technology upgradation Programs at all centers. Every year CIPET trains about 10000 students through long-term Programs and about 20000 trainees through short-term Programs with hands-on experience with the most modern sophisticated facilities

in Design, CAD/CAM, Tool Room, Plastics Processing and the Plastics Testing and Quality Control.

Mewar University is in collaboration with CIPET to provide training to students in CNC Lathe, CAM and CNC Milling and AUTO CAD etc.

Mewar University and Indian Institute of Sugarcane Research (IISR) Practical Training Programmes

Indian Institute of Sugarcane Research (IISR), Lucknow has its office at Indian Institute of Sugarcane Research, Lucknow.

IISR, Lucknow was established in 1952 by the erstwhile Indian Central Sugarcane Committee for conducting research on fundamental and applied aspects of sugarcane culture as well as to coordinate the research work done on this crop in different states of the country. The Government of India took over the Institute from the Indian Central Sugarcane Committee on 1st January, 1954. It was transferred to the Indian Council of Agricultural Research (ICAR), New Delhi on April 1, 1969. The Institute is located in Lucknow, the capital city of Uttar Pradesh.

Mewar University has collaborated with (IISR) for practical training and Research of our Agriculture and Forestry students.

Mewar University and Industrial Automation Training Centre (SIEMENS Ltd) Practical Training Programmes

Industrial Automation Training Centre (IATC) is having its Registered office in Panchkula, (Haryana). The IATC is the SIEMENS authorized Training Centre for Northern Part of India, promoted under a Public-Private Partnership Project supported by the German Government. IATC is equipped with Technological Labs.

Students of Mewar University have undergone training programs in VLSI and Embedded System and Sensors, PLC and SCADA under IATC -MU Collaboration.

Mewar University and Indian Institute of Learning and Advanced Development (INLEAD) Practical Training Programmes

The Indian Institute of Learning and Advanced Development (INLEAD), Gurgaon through its parent entity Primordial Systems P. Ltd., - a Company registered

under the Companies Act 1956 is having its campus at Gurgaon, Haryana and registered office in New Delhi.

All Training Programs at INLEAD have been designed as per industry demands with the practical training modules forming an integral part of the curriculum with the sole objective of producing world class industry-oriented certified professionals who are fully geared to take on any challenge within their respective domain. Strong emphasis is laid on overall personality development of the students by means of developing their language skills, business etiquette, effective writing skills and leadership ability. INLEAD's unique pedagogy and flexible program structure provides for rewarding learning opportunity and allows for personalized academic progression.

Mewar University and Asian School of Media Studies (ASMS) Practical Training Programmes

Asian School of Media Studies (ASMS) under the aegis of Asian Society of Film and Television is having its office at Marwah Studios Complex, Noida (UP). ASMS, is committed to achieve excellence and provides a foundation for a lifetime of learning, instil intellectual growth and character development in a student, enrich the lives of students by providing quality practical training.

Mewar University and Asian Academy of Film and Television (AAFT) Practical Training Programmes

AAFT is the acronym for Asian Academy of Film and Television. This film and television institute is one of the premier professional development centers for independent screen production in Northern India. It came into being in 1993 and is also the first private media school and that too unmatched by any other film school in the country. Today, AAFT caters a wide range of programs from short term to long-term duration. The course and programs offered by the academy vary from a three-month course to one year programs. These programs incorporate direction to production, acting to presentation, animation to television graphics, 2D graphics to 3D graphics (MAYA), video to audio editing, photography to cinematography, camera to lighting techniques, sound recording to radio production, screen play writing, and many more such related courses.

Mewar University and National Bureau of Agriculturally Important Microorganisms (NBAIM), Joint Research Programmes.

National Bureau of Agriculturally Important Microorganisms (NBAIM) was established through a funded project sponsored by the Department of Agricultural Research and Education (DARE), Ministry of Agriculture (Government of India) in the IX Plan in 2001 under the auspices of the Indian Council of Agricultural Research (ICAR). The basic goal of the Bureau is to promote and coordinate systematic and scientific research in the area of agriculturally important microorganisms (AIMs) in order to improve the agricultural productivity. The vision of the Bureau is based on using its resources and experiences as a Microbial Resource Center to become the pioneer in the management of standard microbial reference materials, intellectual property resources and translational research as applied to the development, standardization and certification of biomaterial.

Mewar University and All India Federation of Astrologers' Societies (AIFAS) Joint Research Programmes

All India Federation of Astrologer's Societies (AIFAS) having its office in New Delhi-110 020 is the leading organisation teaching Astrology, Numerology,

Palmistry for the last 12 years at over 100 chapters all over India and having over 10,000 students.

AIFAS is a platform designed to bring the various types of astrological sciences under one roof. It is a renowned Brand name in the field of all the astrological sciences. Under this roof all Astrologers, Vastu Consultants, Numerologists and Palmists and masters of all other Astrological Sciences, can register themselves, teach the aspirants, and even learn further through this federation. This federation has spread its roots abroad too.

Mewar University and IIFA India Practical Training Programmes

IIFA INDIA, offers fashion designing, interior designing and other professional courses with Animation/Management/IT. These courses have been designed keeping in mind the exact requirement in highly competitive field and flexibility to cope up with the fact changes taking place in the market.

IIFA INDIA, conducts several workshops for skill based entrepreneurship development programmes sponsored by several Government bodies. Students of Mewar University are taking practical training at IIFA on continuous basis.

Mewar University and International School of Design (INSO) Practical Training Programmes

International School of Design (INSO) was set up under the aegis of a panel consisting of prominent educationist and industry leaders. It has emerged as one of the premier institute in the country for Design, Management and technology, developing professionals for taking up leadership positions in fashion business in the emerging global scenario. The Institute is a pioneer in envisioning and evolving fashion business training in the country. The institute provides a common platform of fashion education, research and training.

Mewar University and RVM CAD Soft Practical Training Programmes

RVM CADSOFT is a company providing CAD/CAM solutions, with a team of highly professional technocrats who are experts in the field of CAD/CAM/CAE

Technologies. Technocrats, who have over 22+ year of experience in the field of product design, tool manufacturing, automation, have promoted RVM CADSOFT assembly line setup etc to cover the total product development cycle.

RVM CADSOFT is an ISO 9001 company having its authorized Training Centre for Pro/Engineer from PTC University USA, authorized Silver Partner for Autodesk, Siemens authorized Training Centre, Cimatron authorized Training Centre and ARK authorized Reseller (Robotics). It has understood the requirement of industries and is successfully imparting training on Manufacturing technology like Sheet metal, Mould design, Reverse Engineering, Tool and Die making etc.

Mewar University students are taking benefit of training from this institute in large number and getting placement from this institute also.

Mewar University and Exterior Interior Ltd. (EX-IN) Practical Training Programmes

EX-IN, one of the top design institutes in India and Pan Asia, focuses on development of its students not only by imparting quality training in design, research and technology.

Mewar University and Indian Institute of Gems and Jewellery (IIGJ) Practical Training Programmes

Indian Institute of Gems and Jewellery (IIGJ), Jaipur and Mumbai, respective projects of GJEPC has been a pioneer institute for the Gems and Jewellery sector with a strong focus on Design and Manufacturing. The state of the Art Institutes equipped with the latest technology, paraphernalia of machinery gadgets, equipment and competent faculty resources make their education, deep and meaningful way to jewellery trade and society as a whole. The aim is to become a global leader in education, training and consultancy in gems and jewellery sector.

Mewar University and Dezyne E'cole College (D'e'cole) Practical Training Programmes

Realizing the growing importance of fashion technology in today's world, Mewar University (MU) has joined hands with DEZYNE E' COLE COLLEGE

(D'e'cole) to offer Practical Training programs in the realm of fashion designing. They have emerged as a leader in this field by bringing together knowledge, academic freedom, critical independence and creative thinking.

Dezyne E'cole College, during its existence for the last 5 years in Ajmer, has proven that academic excellence lies at the core of its vision.

Mewar University and Karmapa International Buddhist Institute (KIBI) Practical Training Programmes

Karmapa International Buddhist Institute (KIBI) is a school of higher learning based on the great treatises of Buddhism. K.I.B.I. aims at furthering wisdom and compassion based on the Karma Kagyu tradition of Tibetan Buddhism. It promotes basic Buddhist learning and ancient Buddhist wisdom. The institute therefore offers advanced academic training programs for research, preservation, translation, and dissemination of the Buddha dharma and its related languages. KIBI additionally offers public teachings and short-term courses on Buddhism and meditation, as well as language courses for Tibetan, Hindi and English.

Mewar University and Indian Society of Lighting Engineers (ISLE)- Lighting Education Trust (LET) Joint Programmes

The Indian Society of Lighting Engineers (ISLE) is a professional body in the field of illuminating engineering with a broad based membership of scientists, engineers, architects, academicians, researchers, designers and others interested in lighting issues. ISLE is affiliated to the CIE, the International Commission on Illumination. It is also a member of Lux Pacifica, a lighting body that represents 60% of the world's population. It is closely associated with the Bureau of Indian Standards, Bureau of Energy Efficiency, the Department of Science and Technology, the Ministry of Power, the Ministry of Non-Conventional Energy Sources and the Electrical Lamp and Component Manufacturers Association of India. ISLE in collaboration with LET has co-operated to make the ISLE-LET (UK) programmes available in India, using the prevailing course material content as updated from time to time and relevant to the needs of lighting industry professionals in India.

In addition to these organizations Mewar University has also collaborated with reputed institutions as Indo German Tool Room, Control Tool Room, E2E, ATI, CMC, National Academy of Construction, Multisoft System, Amrapali Education, CIPET, CTR, Kota Mines and IDEMI, Mumbai etc. The students have undergone rigorous trainings in CNC Machining-Lathe, Industrial Pneumatics and Hydraulics, MIG/MAG Welding, Operations of Jig Boring Machine, Track and Structures, JAVA and PHP, Digital Marketing and Medical lab technology and many other topics.

A. UNIVERSITY'S ACADEMIC PROGRAMMES AND FEE STRUCTURE

Faculty of Engineering and Technology

Engineering is the most sought-after discipline in the country today. Engineering programmes lay the foundation for employment and hardcore research work besides commercially harnessing the products of research work. The University offers a wide range of choice for study in the field of engineering.

Name of the Programme	Duration	Choices	Fees	Eligibility	Training Module	Industry Internship Module
ITI	2 Years	Electrician, Wireman, Fitter, Welder	₹ 53,000 per year \$ 2,000/- per year	10th Pass with 50% marks	21-45 Days after 3rd Sem	Entire 4th Sem
B.Tech.	4 Years (8 Semesters)	Chemical, Civil, Computer Science, Electrical, Electronics & Communication, Mechanical, IT Mining, Instrumentation and Control Engineering.	₹ 1,70,000 per year \$ 3,000/- per year	10+2 with PCM with 50% marks or equivalent grades	21-45 Days after 6th Sem	Entire 8th Sem

B. CERTIFICATE PROGRAMMES

Mewar University offers certificate programmes of varying durations. These programmes are meant for skill development of the students of various streams like Polytechnic Diploma, Engineering Graduation, Management Science, Computers etc. The students can take up these programmes during vacations. These certificate programmes/courses will provide necessary skills and value added education which will be needed by the industries. The certificates will be provided jointly by the Mewar University and the respective institutions.

The Institutions where these programmes will be offered are:

1. Construction Industry Development Council (CIDC), New Delhi
2. Institute of Apparel Management (IAM), Gurgaon, Haryana
3. Indian Tourism Development Corporation (ITDC), New Delhi
4. Fragrance and Flavour Development Centre (FFDC), Kannauj, U.P.
5. Indian Institute of Sugarcane Research (IISR), Lucknow, U.P.
6. Ministry of Micro, Small and Medium Enterprises (MSME) Tool Rooms, Across India
7. Industrial Automation Training Centre (IATC), Panchkula (Haryana)
8. Indian Institute of Learning and Advanced Development (INLEAD), Gurgaon
9. Asian Academy of Film and Television (AAFT), Noida
10. Advance Training Institutes (ATI), Across India
11. Aditya Birla Training and Research Centre (ABTRC), Pilani
12. Indian Institute of Gems and Jewellery (IIGJ), Jaipur
13. CIPET, Jaipur
14. CMC, Noida
15. Ganesh Education Institute, Delhi
16. Amrapali Education, Noida
17. E2E Rail, Bangalore
18. National Academy of Construction (NAC), Hyderabad
19. Certificate Program in Mewar University, Chittorgarh (Rajasthan)

S. No.	Programmes	Duration	Location	Fee (₹)	Eligibility
1	Certificate in Advance CAD	6Weeks	MSME Tool Room, Aurangabad, Indore, Ahmedabad	18,000	Students Pursuing/ Completed B.Tech. in Mechanical Engg.
2	Certificate in Advance CAM	6Weeks	MSME Tool Room, Aurangabad, Indore, Ahmedabad	18,000	Students Pursuing/ Completed B.Tech. in Mechanical Engg.
3	Certificate in CAE	6Weeks	MSME Tool Room, Aurangabad, Indore, Ahmedabad	18,000	Students Pursuing/ Completed B.Tech. in Mechanical Engg.
4	Certificate in Press Tool Design	4Weeks	MSME Tool Room, Aurangabad, Indore, Ahmedabad	12,000	Students Pursuing/ Completed B.Tech. in Mechanical Engg.
5	Certificate in PLC and SCADA	4Weeks	MSME Tool Room, Aurangabad	12,000	Students Pursuing B.Tech. in EE/EEE/ECE Engg.
6	Certificate in Mould Design	4Weeks	MSME Tool Room, Aurangabad	12,000	Students Pursuing/ Completed B.Tech. in Mechanical Engg.
7	Certificate in Machining CNC Programming and lathe Machine	4Weeks	MSME Tool Room, Aurangabad, Indore, Ahmedabad	12,000	Students Pursuing/ Completed B.Tech. in Mechanical Engg.
8	Certificate in CNC Programming and Machining Milling	4Weeks	MSME Tool Room, Aurangabad, Indore, Ahmedabad	12,000	Students Pursuing/ Completed B.Tech. in Mechanical Engg.
9	Certificate in Mechanical Engineering related to building construction	4Weeks	CIDC, Faridabad	20,500	Students Pursuing/ Completed B.Tech. in Mechanical Engg.
10	Certificate in Hydraulics and Pneumatics	4Weeks	MSME Tool Room, Aurangabad, Hyderabad	12,000	Students Pursuing/ Completed B.Tech. in Mechanical Engg.
11	Certificate in AC/DC Drives	4Weeks	IATC, Panchkula	16,000	Students Pursuing/ Completed B.Tech. in EE/EEE Engg.
12	Certificate in Electrical Engineering related to building construction	4Weeks	CIDC, Faridabad	15,000	Students Pursuing/ Completed B.Tech. in EE/EEE Engg.
13	Certificate in PLC Programming	4Weeks	MSME Tool Room, Ramnagar, Mumbai	12,000	Students Pursuing/ Completed B.Tech. in EE/EEE/ECE Engg.
14	Certificate Sensors, PLC Programming and SCADA	4Weeks	MSME Tool Room, Hyderabad	12,000	Students Pursuing/ Completed B.Tech. in EE/EEE/ECE Engg.
15	Certificate in PLC Programming Switch Gears	4Weeks	MSME Tool Room, Hyderabad	16,000	Students Pursuing/ Completed B.Tech. in EE/EEE/ECE Engg.
16	Certificate in Microcontroller programming	4Weeks	MSME Tool Room, Ramnagar	12,000	Students Pursuing B.Tech. in ECE Engg.
17	Certificate in Microprocessor programming	4Weeks	MSME Tool Room, Ramnagar	12,000	Students Pursuing B.Tech. in ECE Engg.
18	Certificate in VLSI and Embedded Systems	4Weeks	MSME Tool Room, Hyderabad, Mumbai and Aurangabad	12,000	Students Pursuing B.Tech. in ECE Engg.
19	Certificate in PLC, SCADA and HMI	4Weeks	MSME Tool Room, Mumbai	12,000	Students Pursuing B.Tech. in ECE Engg.
20	Certificate in Computer Aided PCB Design and Manufacturing	6Weeks	MSME Tool Room, Ramnagar	18,000	Students Pursuing B.Tech. in ECE Engg.
21	Certificate in Mechatronics	4Weeks	MSME Tool Room, Hyderabad, Mumbai and Aurangabad	12,000	Students Pursuing B.Tech. in ECE Engg.
22	Certificate in PLC, SCADA and HMI	4Weeks	IATC, Panchkula	16,000	Students Pursuing B.Tech. in EE/EEE/ECE Engg.

S. No.	Programmes	Duration	Location	Fee (₹)	Eligibility
23	Certificate in Integrated PLC Programming	4Weeks	MSME Tool Room, Mumbai	12,000	Students Pursuing B.Tech. in EE/EEE/ECE Engg.
24	Certificate in Automation in Electrical and Electronics	4Weeks	MSME Tool Room, Mumbai	12,000	Students Pursuing B.Tech. in EEE Engg.
25	Certificate in Graphic Design	4Weeks	MSME Tool Room, Mumbai	12,000	Students Pursuing B.Tech. in CSE Engg.
26	Certificate in Integrated CAE	6Weeks	MSME Tool Room, Indore, Ahmedabad	18,000	Students Pursuing B.Tech. in CSE Engg.
27	Certificate in Animation and Multimedia Technology	6Weeks	MSME Tool Room, Mumbai	18,000	Students Pursuing B.Tech. in CSE Engg.
28	Certificate in Aroma Technology	12Weeks	FFDC, Kannauj	40,000	Students Pursuing B.Tech. in Chemical Engg.
29	Certificate in Cost Surveying and Cost Estimation	4Weeks	CIDC, Faridabad	15,000	Students Pursuing B.Tech. in Civil Engg.
30	Certificate in Safety Practices on Project Sites	4Weeks	CIDC, Faridabad	15,000	Students Pursuing B.Tech. in Civil Engg.
31	Certificate in Understanding Contract Conditions	4Weeks	CIDC, Faridabad	15,000	Students Pursuing B.Tech. in Civil Engg.
32	Certificate in Trenchless Technology	4Weeks	CIDC, Faridabad	15,000	Students Pursuing B.Tech. in Civil Engg.
33	Certificate in Project Planning and Scheduling	4Weeks	CIDC, Faridabad	15,000	Students Pursuing B.Tech. in Civil Engg.
34	Certificate in Land Surveying Techniques using Total Station	4Weeks	CIDC, Faridabad	21,000	Students Pursuing B.Tech. in Civil Engg.
35	Certificate in Material Testing for Civil Construction	4Weeks	CIDC, Faridabad	21,000	Students Pursuing B.Tech. in Civil Engg.
36	Certificate in General Site Management	4Weeks	CIDC, Faridabad	15,000	Students Pursuing B.Tech. in Civil Engg.
37	Certificate in PLC	2Weeks	ATI, Hyderabad, Kanpur	5,000	Students Pursuing Diploma/B.Tech. in EE/EEE/ECE Engg.
38	Certificate in SCADA	2Weeks	ATI, Hyderabad, Kanpur	5,000	Students Pursuing Diploma/B.Tech. in EE/EEE/ECE Engg.
39	Certificate in Microcontroller/ Embedded System	2Weeks	ATI, Hyderabad; ABTRC, Pilani	6,500	Students Pursuing Diploma/B.Tech. in EE/EEE/ECE Engg.
40	Certificate in Emerging Technologies (LAB view programming, Process control using LAB view)	2Weeks	ATI, Hyderabad	5,500	Students Pursuing Diploma/B.Tech. in EE/EEE/ECE Engg.
41	Certificate in Mechatronics Lab (Covering Industrial Pneumatics, Electro Pneumatics and PLC's, Mechatronics, Power Electronics)	4Weeks	ATI, Hyderabad	10,000	Students Pursuing Diploma/B.Tech. in EE/EEE/ECE Engg.

S. No.	Programmes	Duration	Location	Fee (₹)	Eligibility
42	Certificate in Fiber Optics Communication	2Weeks	ATI, Hyderabad	5,000	Students Pursuing Diploma/B.Tech. in ECE Engg.
43	Certificate in Advanced Refrigerator and Air Conditioning	4Weeks	ATI, Kolkata, Chennai, Mumbai, Ludhiana		10,000Students Pursuing/ Completed B.Tech. in Mechanical Engg.
44	Certificate in Heat Treatment and Material Testing	4Weeks	ATI, Kolkata, Chennai, Mumbai, Ludhiana		10,000Students Pursuing/ Completed B.Tech. in Mechanical Engg.
45	Certificate in Heat Engine Servicing and Maintenance	4Weeks	ATI, Kolkata, Chennai, Mumbai, Ludhiana		10,000Students Pursuing/ Completed B.Tech. in Mechanical Engg.
46	Certificate in PLC Communication and Programming	4Weeks	ATI, Dehradun	10,000	Degree/ Diploma in EE/EEE/ECE
47	Certificate in Microcontrollers/ Embedded Systems	4Weeks	ATI, Dehradun	10,000	Degree/ Diploma in EE/EEE/ECE
48	Certificate in Process Instrumentation	4Weeks	ATI, Dehradun	10,000	Degree/ Diploma in EE/EEE/ECE
49	Certificate in CNC Technology (Turning/ Millin)	2Weeks	ATI, Kanpur	5,000	Degree/ Diploma in Mechanical Engg.
50	Certificate in Hi-Tech CNC	2Weeks	ATI, Kanpur	5,000	Degree/ Diploma in Mechanical Engg.
51	Certificate in Advanced Welding; MIG/MAG and Submerged ARC Welding	2Weeks	ATI, Kanpur	5,000	Degree/ Diploma in Mechanical Engg.
52	Certificate in Control technology; Hydraulics and pneumatic control and related circuits on equipment and trainers and PLC of Festo Controls	2Weeks	ATI, Kanpur	5,000	Degree/ Diploma in Mechanical Engg.
53	Certificate in Advanced Electronics; Digital Microprocessors, and Microcontrollers, PLC and Transducers	2Weeks	ATI, Kanpur	5,000	Degree/ Diploma in EE/EEE/ECE
54	Certificate in CNC	2Weeks	ATI, Chennai, Mumbai, Ludhiana	5,000	Degree/ Diploma in Mechanical Engg.
55	Certificate in Production Technology	2Weeks	ATI, Chennai, Mumbai, Ludhiana	5,000	Degree/ Diploma in Mechanical Engg.
56	Certificate in Machine Tool Maintenance	2Weeks	ATI, Chennai, Mumbai, Ludhiana	5,000	Degree/ Diploma in Mechanical Engg.
57	Certificate in PLC/ SCADA	2Weeks	ATI, Dehradun, Hyderabad	5,000	Degree/ Diploma in EE/EEE/ECE

S. No.	Programmes	Duration	Location	Fee (₹)	Eligibility
58	Certificate in Microcontrollers/ Systems; 8051, PIC, ARM Microcontrollers- programming and applications, VLSI design using HDL	2Weeks	ATI, Dehradun, Hyderabad	5,000	Degree/ Diploma in EE/EEE/ECE
59	Certificate in Information Technology; Networking, Oracle Database, Android application and development	4Weeks	ATI, Dehradun	10,000	Degree/ Diploma in CSE
60	Certificate in Agarbatti, Itra and perfume Making	2Weeks	FFDC, Kannauj	6,000	Diploma in Chemical Engg.
61	Certificate in leadership Education & Abilities Development programme	6Weeks	INLEAD, Gurgaon		15,000Students Pursuing/ Completed BBA/ MBA
62	Certificate in Graduate Management Trainee programme	6Months	INLEAD, Gurgaon		50,000Students Pursuing/ Completed BBA/ MBA
63	Certificate in Dot Net	4Weeks	CMC, Noida, Preet Vihar	8,000	Students Pursuing/ Completed CSE/ BCA/ MCA
64	Certificate in production/ Direction and TV Journalism, Video Editing, Sound Recording Camera and lighting techniques	3months	AAFT, Noida	73,000	Minimum 10th Pass
65	Certificate in Acting and presentation	3Months	AAFT, Noida	70,000	Minimum 10th Pass
66	Certificate in Still photography and Journalism	3Months	AAFT, Noida	55,000	Minimum 10th Pass
67	Certificate in Sound Recording and Radio production	3Months	AAFT, Noida	64,000	Minimum 10th Pass
68	Certificate in Screenplay Writing	3Months	AAFT, Noida	55,000	Minimum 10th Pass
69	Certificate in Aroma Technology	6 Weeks	FFDC, Kannauj	25,000	ITI or 10+2
70	Basic certificate in Perfumery and Cosmetics Technology (Part Time)	6 Weeks	FFDC, Kannauj	30,000	10+2
71	Professional Certificate GandJ Foundation Studies	1Year	IIGJ, Jaipur	1,25,000	Minimum 12th Pass
72	Certificate in Hospitality and Tourism Management (CHTM) (Part-time evening course)	6Months	ITDC, Jaipur	25,000	10th pass with 50% marks
73	Structure Design	4Weeks	TATA CMC, Chandigarh	20,000	Students Pursuing B.Tech. in Civil Engg.
74	Trenchless Technology	4Weeks	National Academy of Construction, Hyderabad	20,000+S.T.	Students Pursuing B.Tech. in Civil Engg.

S. No.	Programmes	Duration	Location	Fee (₹)	Eligibility
75	General Site management	4Weeks	National Academy of Construction, Hyderabad	20,000+S.T.	Students Pursuing B.Tech. in Civil Engg.
76	Quantity Surveying and Cost Estimate	4Weeks	National Academy of Construction, Hyderabad	20,000+S.T.	Students Pursuing B.Tech. in Civil Engg.
77	Railway Signaling	4Weeks	e2e Rail, Bangalore	24,000	Students Pursuing B.Tech. in EEE/ECE Engg.
78	Track and Structure	4Weeks	e2e Rail, Bangalore	24,000	Students Pursuing B.Tech. in Mech. Engg.
79	Heat Treatment of Steel	4Weeks	CTR, Ludhiana	16,000	Students Pursuing B.Tech. in Mech. Engg.
80	Plazma Nitriding	2Weeks	CTR, Ludhiana	6,000	Students Pursuing B.Tech. in Mech. Engg.
81	Basic of Pneumatics and Hydraulics	2Weeks	CTR, Ludhiana	6,000	Students Pursuing Diploma in Mech. Engg.
82	CNC Wire Cut and EDM	2Weeks	CTR, Ludhiana	6,000	Students Pursuing Diploma in Mech. Engg.
83	CNC TURNING	2Weeks	CTR, Ludhiana	6,000	Students Pursuing Diploma in Mech. Engg.
84	CNC Milling	2Weeks	CTR, Ludhiana	6,000	Students Pursuing Diploma in Mech. Engg.
85	Press Tool Design	2Weeks	CTR, Ludhiana	6,000	Students Pursuing Diploma in Mech. Engg.
86	Case hardening of low carbon, plain and alloy Steels	2Weeks	CTR, Ludhiana	6,000	Students Pursuing Diploma in Mech. Engg.
87	Jigs and Fixtures Design and Making	2Weeks	CTR, Ludhiana	6,000	Students Pursuing Diploma in Mech. Engg.
88	Prommable Logic Controller	2Weeks	CTR, Ludhiana	6,000	Students Pursuing Diploma in EE Engg.
89	Mobile Repairing	2Weeks	CTR, Ludhiana	6,000	Students Pursuing Diploma in EE Engg.
90	Repairing of House Hold Appliances (Samsung)	2Weeks	CTR, Ludhiana	6,000	Students Pursuing Diploma in EE Engg.
91	Repairing of Room AC (Samsung)	2Weeks	CTR, Ludhiana	6,000	Students Pursuing Diploma in EE Engg.
92	Open Cast Mining Operations	2Weeks	Kota Stone Mines, Suket, Kota	5,000	Students Pursuing Diploma in Mining Engg.
93	PHP Programming	4Weeks	CMC, Noida	8,000	Students Pursuing B.Tech./ Diploma in CSE and IT, BCA and MCA
94	JAVA Programming	4Weeks	CMC, Noida	8,000	Students Pursuing B.Tech./ Diploma in CSE and IT, BCA and MCA
95	Android Development	4Weeks	CMC, Noida	8,000	Students Pursuing B.Tech./ Diploma in CSE and IT, BCA and MCA
96	CNC lathe	2Weeks	CIPET, Jaipur	8,000	Students Pursuing Diploma in Mech. Engg.
97	Medical Lab technology	4Weeks	Ganesh Education Institute, Delhi	8,000	Students Pursuing BMLT
98	Certificate in Poultry Farming (CPF)	6 Months	Mewar University, Chittorgarh (Rajasthan)	7000	12th pass
99	Certificate in Travel Agency Operations (CTAO)	6 Months	Mewar University, Chittorgarh (Rajasthan)	7000	12th pass
100	Certificate in CCTV Installation Technician	6 Months	Mewar University, Chittorgarh (Rajasthan)	7000	12th pass
101	Certificate in Bee Keeping (CIB)	6 Months	Mewar University, Chittorgarh (Rajasthan)	7000	12th pass
102	Certificate in Organic Farming (COF)	6 Months	Mewar University, Chittorgarh (Rajasthan)	7000	12th pass

S. No.	Programmes	Duration	Location	Fee (₹)	Eligibility
103	Program on Dairy Farming for Rural Farmers	6 Months	Mewar University, Chittorgarh (Rajasthan)	7000	12th pass
104	Certificate in Introduction to Computer Application in Library Information Science	6 Months	Mewar University, Chittorgarh (Rajasthan)	7000	12th pass
105	Certificate in Coral Draw	6 Months	Mewar University, Chittorgarh (Rajasthan)	7000	12th pass
106	Certificate in C Programming	6 Months	Mewar University, Chittorgarh (Rajasthan)	7000	12th pass
107	Certificate in JAVA Programming	6 Months	Mewar University, Chittorgarh (Rajasthan)	7000	12th pass
108	Certificate in PHP Programming	6 Months	Mewar University, Chittorgarh (Rajasthan)	7000	12th pass
109	Certificate in GST & Accounting	6 Months	Mewar University, Chittorgarh (Rajasthan)	7000	12th pass
110	Certificate course in Tourism and Travelling	6 Months	Mewar University, Chittorgarh (Rajasthan)	7000	12th pass
111	Certificate in Data Entry Operator	6 Months	Mewar University, Chittorgarh (Rajasthan)	7000	12th pass
112	Certificate in Spoken English and Personality Development (CSEPD)	6 Months	Mewar University, Chittorgarh (Rajasthan)	7000	12th pass
113	Certificate in French Language (CFL)	6 Months	Mewar University, Chittorgarh (Rajasthan)	7000	12th pass
114	Certificate in Life Insurance & Mutual Fund	6 Months	Mewar University, Chittorgarh (Rajasthan)	7000	12th pass
115	Certificate in Yoga	6 Months	Mewar University, Chittorgarh (Rajasthan)	7000	12th pass
116	Certificate in Teaching In English	1 Year	Mewar University, Chittorgarh (Rajasthan)	10000	12th pass
117	Certificate in Food and Nutrition (CFN)	1 Year	Mewar University, Chittorgarh (Rajasthan)	10000	12th pass
118	Certificate in Airline In-Flight Services (CAIS)	1 Year	Mewar University, Chittorgarh (Rajasthan)	10000	12th pass
119	Certificate in Hotel & Catering Technology	1 Year	Mewar University, Chittorgarh (Rajasthan)	10000	12th pass
120	Certificate in Disaster Management (CDM)	1 Year	Mewar University, Chittorgarh (Rajasthan)	10000	12th pass
121	Certificate Programme in Rural Development (CRD)	1 Year	Mewar University, Chittorgarh (Rajasthan)	10000	12th pass
122	Certificate in Journalism and Mass Communication	1 Year	Mewar University, Chittorgarh (Rajasthan)	10000	12th pass
123	Certificate In Fine Arts	1 Year	Mewar University, Chittorgarh (Rajasthan)	10000	12th pass
124	Certificate in Jyotish Vigyan	1 Year	Mewar University, Chittorgarh (Rajasthan)	10000	12th pass

S. No.	Programmes	Duration	Location	Fee (₹)	Eligibility
125	Certificate in Web Design	1 Year	Mewar University, Chittorgarh (Rajasthan)	10000	12th pass
126	Certificate in Hardware & networking	1 Year	Mewar University, Chittorgarh (Rajasthan)	10000	12th pass
127	Certificate in C++ Programming	1 Year	Mewar University, Chittorgarh (Rajasthan)	10000	12th pass
128	Certificate in Leather apparel Making (CLGM)	1 Year	Mewar University, Chittorgarh (Rajasthan)	10000	12th pass
129	Certificate Programme in Digital Film Making (CDFM)	1 Year	Mewar University, Chittorgarh (Rajasthan)	10000	12th pass
130	Certificate in Architectural Design	1 Year	Mewar University, Chittorgarh (Rajasthan)	10000	12th pass

Registration Fees : ₹ 5000 per year

C. RESEARCH AND DEVELOPMENT PROGRAMMES

Mewar University offers the best possible research facilities and environment to its students and teachers. From its very inception, Mewar University has focused on research by giving emphasis on Ph.D. programmes. A committee of renowned academicians of the country approves the topics for research, reviews the synopses guide the candidates through their various interactions with their supervisors. The committee ensures that research projects have contemporary relevance, and that research scholars rigorously follow high standards of research in pursuit of their Ph.D. programmes. Ph.D. programmes are offered in various subjects under all faculties of the University.

Research Events: The university hosts exciting research events such as symposiums, seminars and conferences throughout the year. The university by organizing such kind of events provides an excellent opportunity to participate in seminars and workshops on the contemporary knowledge and offers access to top of the line information databases and opportunity to interact with industry and academic leaders; and successful entrepreneurs, researchers, scientists and technocrats. The research scholars by participating in such events enhance the understanding about the corporate world, national and global socio-political scenario, technological advancements relevant to their subject and get a platform to judge the depth and righteousness of their theses preparation.

Research Guides: The University has Research Guides of profound eminence and the allotment/allocation of supervisor is not left to the research Scholars or the supervisors. The allocation of the supervisor for the selected student is decided by the department in a formal manner depending on various criteria such as the number of research scholars already registered with the supervisor; the expertise of the supervisor; expertise required under specialization and the research interest of the scholar, as indicated during the interview of the candidate.

Research Department and Coordinator: To facilitate the scholars all through its research work a full-fledged Research Department headed by the Research Dean of the University provides the support and guidance for identification of Research Supervisor by arranging interactions with experts. The University is constantly upgrading its resources to empower scholars to conduct quality research.

Mewar University's Journal Of Indian Research (JIR): The Journal of Indian Research [ISSN: (Print) 2320 -7000] is a quarterly peer-reviewed, online, open-access (OA), journal supported by an editorial board comprising subject experts drawn from all disciplines. The main purpose of JIR is to bring into focus the latest developments in the field of research by academicians and students. JIR publishes research papers on the topics related to science, engineering, information technology, arts, social science, law, management, commerce, etc.

PH.D. PROGRAM GUIDELINES

S.No	Stage	Standard Operating Procedures	Frequency	Stage
1	Ph.D. Entrance Examination	Test on General Aptitude and Subject Competency	Twice a Year	Intake
2	Interview Pre-RDC	- Personal Interview after Qualifying Entrance Exam - Documents Verification for Eligibility - Checking other Eligibility Criteria (as courses not allowed on distance courses at PG Level, Negative Institution / University List, Etc.) and conforming to UGC Guidelines - Submission of Instalment Fees - Allotment of Ph.D Supervisor - Submission of Synopsis / Research Proposal within three months - Pre RDC to be necessarily completed within three months from issue of Interview Call Letter.	Twice a Year	Intake

S.No	Stage	Standard Operating Procedures	Frequency	Stage
3	RDC	- Formation of Research Degree Committee - Presentation of topic and research proposal within 4 weeks from completion of individual Pre RDC. Pre RDC and RDC should be completed within 6 months from issue of interview call letter else the same to reapply for approval along with the penalty of Rs. 5000/- - Finalization / Modification (within three months from date of RDC) of topic and research proposal together as synopsis - Evaluation of modification on Synopsis and Finalization - Submission of Second Instalment Fees - Enrolment for Ph.D Course Work	Twice a Year	Pre Ph.D
4.	Ph.D Course Work Examination	- One semester course work to include 90 hours of mandatory contact hours (min. 75% attendance compulsory) - All assignments and dissertations to be submitted within 6 months from date of RDC to be eligible for pre Ph.D. course work exam and the exam has to be necessarily completed within one year from the date of RDC - Course work examination after the successful completion of classes and submission of assignment	Twice a Year / and as per notification	Pre Ph.D
5.	Ph.D Registration for Thesis Writing	- Defending the synopsis in public - Submission of third instalment fees - Registration as scholar for Ph.D. and thesis writing time period of minimum two years after the pre Ph.D. course work - Result declaration (from date of issue of grade sheet) and maximum five years from the date of RDC - Re-Registration on exceptional approval after the maximum period. - Allotment of one internal department's co-supervisor in case external supervisor chosen - Submission of at least four bi-annual progress report during the period by the supervisor along with the summary of work done so far and chapters finished till respective progress report - Minimum duration of at least six months between two progress reports	Annually	Ph.D Scholar

S.No	Stage	Standard Operating Procedures	Frequency	Stage
6	Pre Submission Presentation / Seminar	- Publish at least two research papers related to Ph.D. topic in at least one national and one international journals of repute (journals whose names appear in the abstract of journals). Publish Paper only after completing at least one year of Ph.D. Registration. - Only after completing at least one year from the date of publishing of two research papers and submission of at least four bi-annual progress reports by the supervisor, the application for dates for pre submission presentation can be made duly signed by the supervisor(s). - Pre submission dates to be generally scheduled within three months of the receipt of application and submission of the final instalment fees with no dues certificate obtained. - Submitting the completed work with the abstract - Defending the thesis in front of at least three external experts - Acceptance for submission / rejection / modification with the time limit - Ph.D. re-registration in case of rejection (with fresh RDC) / modification not submitted within time limit	Once Annually	Ph.D. Scholar
7	Thesis Submission and Evaluation	- Submission of thesis as per university's guidelines within three months of final acceptance in pre submission - Evaluation of thesis by at least three examiners with at least two being external experts - Uploading of findings and abstract of Ph.D. Thesis (minimum 10 pages excluding references and annexures) at university website with open access, inviting comments from external experts - Viva-Voce in case of recommendation for the award of degree - Uploading Ph.D. Thesis on the research depository - shodh ganga	As per Notification	Submission

- Fee for Indian Students : ₹ 3,50,000/- (Total Fee Payable in 4 installments)
- Fee for International Students : \$ 3,846/- (Payable in 3 installments)

Mewar University
Knowledge to Wisdom

Mewar University : World Records Awards

Mewar University : World Records Awards

Rules of Conduct

- Students are required to be in proper uniform in the University and are to strictly follow the dress code.
- Student must ensure 75% attendance in classes and practicals. Attendance is also compulsory in sessionals, preliminary exams and the functions organised by the University.
- Proper discipline and decorum should be maintained in the University premises. Students are not allowed to sit in the corridors and staircases.
- The University will take action as per its rules / manual with respect to issues related to all academic and non-academic activities in the University campus, either on its own or on the basis of representation made by the faculty and students concerned.
- Strict action will be taken against students for any kind of misconduct with any of the staff and faculty members.
- Outsiders are not allowed to enter the University premises without permission.
- Damage to University's property is a punishable offence. Such acts may invite serious disciplinary action, fines and even expulsion.
- Students should not enter the faculty room without permission from the teacher or HOD concerned.
- Mobile phones are strictly prohibited in classrooms, labs and the library.
- Tobacco products (like Cigarettes, Pan Masala, Gutka, etc.) and all kinds of intoxicants are strictly prohibited in and around the University campus and in hostels.
- Candidates should refer to the notice board and website of the University for all relevant information. The University is not bound to provide information to the candidates individually.
- Each candidate must carry his/her identity card all the time to avoid any inconvenience in the University campus and outside as well.
- Anti-social activities such as strikes, dharnas, quarreling, shouting etc. are not allowed inside and outside the campus. Strict action will be taken against students in the event of being found guilty of anti-social activities, indecent comments, harassment, eve-teasing etc.
- Ragging is strictly prohibited in University campus (As per the directions issued by the Hon'ble Supreme Court).
- Students must strictly follow the respective rules and regulation of library, laboratory, medical centre, sports, gym and yoga sections etc.
- Students shall be bound by all rules and regulations framed by the University from time to time.
- Each student is expected to take care of his/her belongings and is advised not to wear/carry expensive jewellery, watches, electronic gadgets, ornaments etc.
- The University reserves the rights to alter and add to the existing rules and regulations as and when necessary without any prior notice.

“He, who after careful thinking, is ever ready to accept truth and reject falsehood; who counts the happiness of others as he does that of his own self- him I call just.”

Swami Dayanand Saraswati

“ Take up one idea. Make that one idea your life-think of it, dream of it, live on that idea. Let the brain muscles, nerves, every part of your body be full of that idea and just leave every other idea alone. This is the way to success”

Swami Vivekananda
