

## **Mentor Prakalp Scheme**

**Objectives of the Practice:** These are some objectives of this practice:

- To provide understanding of subject matter and its application.
- To help students understand subject and score well in examinations.
- Understanding and application of technical subjects in current market scenario.
- To arouse curiosity among students towards science subjects, helping students to prepare projects and presentations on the same.
- To create awareness regarding human values and positive thinking. Basically to prepare good human beings.

**The Context:** In its initiative to contribute towards social welfare measures and enhance knowledge and provide assistance to school students Mewar University has come forward. Nearby villages and their schools were selected to provide physics, chemistry and mathematics classes Government schools who participated are Suwaniya, Bassi, Arniyapanth, Sawa, Putholi, Nagri, Awalheda, Semalpura and Chogawadi.

**Practice:** To meet out the objectives selected facilities from Mewar University to visit these schools on every Saturday and take classes. Further to help in preparing for board examinations, mock tests are conducted for these schools students.

**Evident of success:** Feedback from the students suggest that they have better clarification and undertaking on Science and Mathematics subject taught by Mewar University faculties. Their concept is far clearer. Students have started scoring better marks in Science and Mathematics subjects.

**Resources:** From time to time these students are brought to university campus and all laboratories are opened for them. They are guided on how tests and experiments should be conducted. To encourage them further University distributes awards and prizes to meritorious students. Faculty members of the university who are regular contributors to this programme are:

- Mr. Yuvraj Singh
