From the Desk of Chairman, MES .....

For development of a country, education is the most important ingredient. But it has to be such that it leads to the opening of human mind for perpetual growth. True education must not limit itself to completion of syllabus or acquisition of degree. It should, instead, aim at the development of complete individual, who can lead the humanity on a road of continuous growth. Since time immemorial, India has given the human civilization many path-breaking innovations. It gave the world one of the oldest universities like Nalanda. India has always been a pioneer in spreading the light of education across the world. But somehow, we have deviated from the basics of Indian heritage and culture. Mewar University, I sincerely believe, shall carry forward the glorious heritage of Indian education and philosophy to present the world with a new blend of human resource whose optimum utilization shall make India the leader in the 21st century.

(G.L. Gadiya)
Chairman
MES, Chittorgarh

From the Desk of Chairperson .....

Dear Students,

I welcome you to Mewar University.

After your initial education in schools and colleges, you are all set to opt for a Higher Education course, in order to grow into a confident, vibrant, self-reliant and sought-after professional in the future.

At this juncture, I can assure that your admission into Mewar University will be the key to your success. Yes! Mewar University can make the difference. Our University has been dedicated to its mission of nurturing students who will contribute to society by advancing their knowledge. The University is designed to educate and train you in the subject of your choice, by following the best standards available. It will further orient your personality to suit the desired job profile through sustained exposure to co-curricular and extracurricular activities and Personality Development Programmes.

The state-of the-art infrastructure, ultramodern Labs, well-equipped library, highly qualified and experienced faculties, well-designed hostel, catering arrangement, facilities for indoor and outdoor recreation will provide an ideal environment for your grooming.

We believe that education is a powerful means to transform society. Society itself is changing rapidly in ways that will profoundly impact the role of universities in the 21st century. The IT revolution has innovated the way people work in every field. In order to enable students to meet new job requirements, the University has built collaborative partnerships with business, industry, government, and other research institutions to invigorate the curriculum.

Our courses impart on-the-job training, with practical exposure as an in-built feature of the curriculum. The University runs various industry-specific courses in collaboration with reputed Industrial Training Institutes, in Government and Private sectors and follows a unique teaching methodology where day-to-day presentation, assignment, chart and models, industrial training in a training institute for about 21 to 45 days and Industrial attachment for one semester for all students have been made mandatory. We are further committed to develop in students, a spirit of nationalism and a sense of pride in being an Indian.

I would like to reiterate the noble intention behind setting up this University in the Mewar region. The contribution of Late Shri Bhanwar Lal Gadiya, Chairman and Shri Govind Lal Gadiya, Secretary, Mewar Education Society and their untiring effort, support and blessings motivated me to establish this mega venture, which is designed to enlighten the young generation. The selfless and exemplary contribution of Shri R.K. Gadiya, Shri Ashok Singhal, Shri Sameer Garg and Shri Sunil Gadiya needs special mention, as without their continuous support this dream might not have been possible.

I hope you all value the inherent spirit of this effort and study with full dedication to achieve your career goal and support our mission. As an institution, we are committed to best teaching, best training, best placement, best counselling and best research. We also expect our students to play an exemplary role in furthering the nation's social, cultural, business and economic development.

This being a new journey in your life, I wish you a grand success in the mission of your life and excellence in your professional career.

Jai Hind!

Dr. Ashok Kumar Gadiya
Chairperson

Greetings from the Desk of President & Vice Chancellor .....

Dear Parents, Guardians and Students,

It was a turning point in the roller coaster history of Mewar region of Rajasthan when Mewar Education Society took a decision somewhere in 2005 to establish a multidisciplinary residential as well as day boarding University in this educationally backward region. The efforts in this direction started in the same year with Bhumi Poojan (Foundation laying ceremony) in 2006. The Government of Rajasthan came forward with an Ordinance in 2008 for the establishment of university. Mewar University Act came into force in 2009. Since then, Mewar University is tirelessly working with the motto of "To reach the unreached". The emblem of the University mentions the cardinal principle of "From knowledge to wisdom". Presently students from rural areas, semi-urban and urban areas of Chittorgarh and satellite districts, glorious state of Rajasthan and from almost all the States and Union Territories are also studying in the University. I have pleasure to mention that students from more than twenty-four countries of the world are also studying as residential students.

Besides students, Vice Chancellor, Registrar, Proctor and a large number of teaching and non-teaching staff reside on campus. The University is equipped with smart transport facilities, green campus, guest house, gymnasium, smart classrooms and lecture theaters, auditoriums, moot court, conference halls, museums, central library, two other libraries and various departmental libraries, indoor games facility, play grounds for football, cricket, basketball, volleyball, badminton, three blocks for faculty residences, six boys and girls hostels, an hospital of one hundred beds, university mess with a dining hall for around one thousand persons, cafeteria, departmental store and other shops, waterbodies, water harvesting, water treatment plant, polyhouses for organic agriculture, crop cafeteria of faculty of agriculture stand included in many other facilities. The library and laboratory facilities are functional for more than twelve hours a day.

Education is imparted in numerous branches of knowledge like law, philosophy, education and psychology, physical education, humanities, social sciences and fine arts, engineering, science and technology, management and commerce, mass media and communications, pharmaceutical sciences, paramedical sciences, alternative therapies, computer science and system studies, agriculture, veterinary and forestry sciences etc. The faculty and staff members are very well qualified and have a demonstrated history of success in their respective academic and administrative fields. The campus is well fortified and under security cover.

Mewar University is serving students from the poorest of the poor sections of society specially form rural areas, majorly comprising of scheduled castes, schedule tribes, minorities, and other backward classes. It takes care of gender parity and committed to gender sensitivity. More than ten thousand talented and worthy students are studying in Mewar University. The happiness and satisfaction level of the University is quite high. The University has generated huge employment and other developmental opportunities for a large section of society. The University is climbing the ladders of ranking and accreditation. We do not force any placement or career on any student. We provide a diversified range of career options before the students and four directorates of the University work in this direction with progression of students in their respective courses. The Directorates are of internships and placements, skill development, innovation and startups, and competitive examinations.

By all means Mewar University has emerged as a flagship University of Rajasthan. Though we give value-based education yet we do not believe in or do any kind of moral policing.

I am sure that the students passing out from Mewar University will continue to achieve great laurels in life.

Alok Misra

Prof. (Dr.) Alok Misra

Mewar University : Beginning of a New Era

Recognition and Approvals

Mewar University operates as an autonomous institution established under the Rajasthan Government Act No. 4 of 2009, as endorsed by the Rajasthan Assembly. The university holds approval from the UGC under sections 2(f) and 12 B of the UGC Act 1956, empowering it to confer degrees under section 22(1) of the UGC Act. Recognized by the Association of Indian Universities (AIU) and accredited by the National Assessment and Accreditation Council (NAAC), Mewar University maintains its commitment to academic excellence.

Furthermore, the university has approvals from regulatory bodies such as the UGC, AICTE, BCI, NCTE, PCI, IAP, NSS, NCC,, FICCI, YHAI, ISO, IFC, NCVET, and RSA & HC, ensuring adherence to quality standards across a diverse array of courses. This comprehensive recognition underscores Mewar University's dedication to providing accredited and industry-relevant education.

Brief History

Mewar University, established and promoted by the Mewar Education Society (MES), operates under the governance of a Board of Management led by Chairperson Dr. Ashok Kumar Gadiya, a visionary, educator, and nationalist. Dr. Gadiya has translated his aspirations for advancing higher education into reality by establishing institutes of higher learning across different locations. Rapidly earning recognition, he is esteemed as an educationist committed to instilling values in the younger generation.

Mewar University is deeply rooted in the cultural, traditional, and ethical fabric of Mewar, possessing a unique ability to nurture exceptional talent and brilliance. Individuals nurtured in this environment undergo a transformative journey, emerging in life with qualities of greatness. The university's overarching goal is to instill in students a sense of universal brotherhood while placing significant emphasis on respect for Indian culture and traditions.

Currently, Mewar University has a student population exceeding 15,000 with the numbers growing rapidly. The university has established various faculties to offer education in diverse technical and professional programs, as well as to foster research initiatives.

Faculties

- Faculty of Engineering and Technology
- Faculty of Science and Technology
- Faculty of Management and Commerce
- Faculty of Computer Science and System Studies
- Faculty of Legal Studies
- Faculty of Mass and Media Communication
- Faculty of Allied and Healthcare Sciences
- Faculty of Pharmaceutical Sciences
- Faculty of Education and Psychology
- Faculty of Alternative Therapy
- Faculty of Agriculture & Veterinary Sciences
- Faculty of Humanities, Social Sciences and Fine Arts

Academic Programmes offered by Mewar University

The University offers a wide range of academic programmes at various levels: Certificate, Diploma, Undergraduate, Post Graduate and Research Degree. The University is also offering a large number of collaborative programmes with Government/ Semi Government/Reputed Institutions.

Research Programme

Mewar University is dedicated to offering its students and faculty the optimal research facilities and atmosphere. Since its establishment, the university has consistently prioritized this commitment, placing a strong emphasis on the Ph.D. program and ensuring the provision of good infrastructure tailored for

advanced research. The committee responsible for endorsing research topics and recommending Ph.D awards consists of distinguished academicians from across the country.

The University has been running Ph.D programmes since 2010 to offer an opportunity to students and faculty to acquire in-depth knowledge in various subjects in order to serve our society better. The University has scholars pursuing their Ph.D in various subjects such as Management, Computer Science and System Studies, Legal Studies, Education, Psychology, Engineering and Technology, Science and Technology, Humanities, Social Sciences, Fine Arts, Media and Mass Communication, Rural Development, Agriculture and Forestry, Pharmacy, etc.

The other Institutions of higher education and learning established by the MES **(Mewar Education Society)** are:

Mewar Institute of Management, Vasundhara, Ghaziabad (U.P.) [Approved by the UGC and affiliated to C.C.S. University, Meerut. Conducting courses for BBA, BCA, B.Ed., M.Sc. (Biotech), B.Com, B.Sc. and BSTC (D.El.Ed.)].

Mewar Law Institute, Vasundhara, Ghaziabad (U.P.) [Approved by the Bar Council of India and affiliated to C.C.S. University, Meerut. Conducting courses for LL.B (3 Yrs) and B.A+LL.B (5 Yrs), LL.M (2 Yrs.)

Mewar Girls College, Chittorgarh [Approved by the Government of Rajasthan and affiliated to Mohanlal Sukhadia University, Udaipur. Conducting courses for B.Sc. (General), BCA and PGDCA].

Mewar Girls Ayurved Nursing Centre, Chittorgarh [Approved by the Government of Rajasthan and affiliated to Rajasthan Ayurved University, Jodhpur. Conducting courses for Ayush Nursing & Pharmacy].

Mewar Girls College of Teachers Training, Chittorgarh [Approved by the Government of India (NCTE) and affiliated to Mohanlal Sukhadia University, Udaipur. Conducting courses for B.Ed., BSTC (D.El.Ed.)].

Mewar Girls Institute of Nursing, chittorgarh affiliated with the Rajasthan University of Health and Sciences in Jaipur and approved by the Nursing Council of India, exclusively offers the B.Sc. Nursing program for women.

These educational centers exemplify the group's dedication to advancing quality technical and higher education, resulting in a steady increase in student enrollment, surpassing 15,000 across various campuses.

Remaining committed to their mission of providing higher and technical education to a broader audience, the group has achieved new milestones by promoting and sponsoring Mewar University. Through sincere efforts and unwavering dedication, the promoting body has actively sought to establish a robust partnership with the Government of Rajasthan to facilitate the proliferation of higher and technical education in the state.

Mewar University distinguishes itself by seamlessly blending modern education with cultural roots. The institution focuses on providing value-based education, shaping individuals into exemplary citizens for the future. The university's objective is to instill in its students a sense of universal brotherhood, while placing paramount importance on preserving and respecting Indian culture and traditions.

Mewar School of Vocational Studies Mewar University proudly introduces the Mewar School of Vocational Studies, a testament to our commitment to delivering a holistic education that extends beyond academic brilliance. With a dedicated focus on on-the-job training and industry-integrated skills, our vocational school offers a diverse array of courses tailored to meet the specific needs of various industries. Our curriculum not only imparts theoretical knowledge but also places a strong emphasis on hands-on training, ensuring that our students are throughly equipped to tackle real-world challenges.

Mewar University holds recognition and approval from esteemed regulatory bodies such as the National Council for Vocational Education and Training (NCVET), Ministry of Skill Development and Entrepreneurship, Government of India, National Skill Development Corporation (NSDC) for PMKVY, National Apprenticeship Promotion Scheme (NAPS) under the Ministry of Skill Development and Entrepreneurship, Government of India, and NATS. This ensures a standardized and quality-driven training approach. Additionally, we proudly collaborate with various industries for Industrial Work Integrated Skill Training and Apprenticeships, including a specialized association with **Mahindra & Mahindra Ltd.** for the **"Mahindra Tractor Skill Development Center"** on our

campus, providing cutting-edge Tractor Technological training to our candidates.

Mewar University Hospital, with its capacity of hundred beds stands as a vital healthcare institution, serving the nearby vicinity with a commitment to excellence in medical care. Beyond its primary role as a healthcare provider, the hospital plays a crucial academic role by serving as a practical learning environment for paramedical students affiliated with Mewar University. This dynamic facility not only caters to the health needs of the local community but also serves as a training ground for the next generation of healthcare professionals. The integration of academic and healthcare services allows paramedical students to gain invaluable hands-on experience, fostering their skills and understanding of medical practices. Through this dual-purpose approach, the Mewar University Hospital exemplifies a holistic commitment to both community well-being and the academic development of aspiring healthcare professionals.

The Campus

Nestled amidst the picturesque Aravali ranges, the university campus spans an expansive 30 acres in Gangrar, Chittorgarh District, Rajasthan, a mere 18 km from the city of Chittorgarh. Conveniently accessible by road and railway, the campus is strategically located on NH-48 (Delhi-Mumbai Highway), ensuring connectivity to major cities through broad-gauge railway tracks and well-maintained roads. The Maharana Pratap airport in Dabok (Udaipur), situated 100 km away, facilitates easy air travel with regular flights to major cities.

Mewar University holds the distinction of being the sole university in the Chittorgarh District, established to cater to students from across India and beyond. Addressing the educational gap in higher, technical, and vocational skill development in the Mewar region, the university aims to uplift an area rich in agriculture, industry, and business but historically lagging behind in education compared to neighboring districts like Udaipur, Ajmer, Kota and Jaipur.

The campus is thoughtfully organized into functional zones, including Academic and Administrative Blocks, as well as Hostels and Residential complexes for faculty and staff. Offering co-educational facilities with separate accommodations for boys and girls, the well-designed campus not only focuses on academic pursuits but also provides amenities for cultural, recreational, and sports activities.

Vision

To develop a Centre of Excellence for technical, professional and vocational skill development education and research at par with National and International standards.

Mission

To develop the framework for effectively conducting various educational and research programmes of the highest standards so as to produce confident, self-reliant and responsible youth for the society and eminent professionals for various government, industry and business sectors. The mission is to **"Reach the Unreached"** serving the Poorest of the poor section of society.

Objectives

- To provide easy access to high-quality education in Management, Engineering, Agriculture, Pharmacy as well as other academic and professional fields to its students irrespective of their caste, creed, age, gender, region or country at affordable cost.
- To offer conducive environment for pursuing research and vocational studies with market driven orientation.
- To expose students to new ideas, fresh vision, pragmatic ambitions and enhance competency for success in the ever evolving business environment.
- To provide flexible choice based credit system of education and dual-degree programmes while adopting flexible modes of delivery to suit student's requirement of learning.
- To prepare and assist students in improving their future prospects through career and placement counselling and support, on-the-job training, industrial visits, presentations, group discussions.
- To promote and practise convenient distance education concept in India and abroad.
- To spread job-oriented Skill Development education in rural and tribal areas.

The Destination

Situated in the historical land associated with figures like Maharana Pratap, Rani Padmini, and Meerabai-embodiments of courage, sacrifice and love-Mewar University has cultivated an educational environment that seamlessly blends modern education with traditional Indian values and ethics.

In a remarkably brief period, the university has evolved into a dynamic hub of intellectual growth and excellence, propelled by the collaborative efforts of students, teachers and its robust physical infrastructure.

The Mewar Education Society, drawing upon its successful experience of managing various academic institutions for over a decade, envisioned and established this university to offer students a distinctive teaching methodology that is often lacking in the contemporary world.

At a crucial juncture when the quantity of education often overshadows its quality in the Indian educational landscape, Mewar University emerges as a destination for those seeking superior educational standards. With humble beginnings rooted in Swami Vivekananda's belief that **'EDUCATION IS THE MANIFESTATION OF THE PERFECTION ALREADY IN MAN,'** the university brings forth a beacon of hope for those aspiring for quality education.

Guided by highly motivated and experienced educators, our students are empowered to strive for near perfection in their academic pursuits, fostering the confidence and determination needed to face the world beyond the classroom.

Why Choose Mewar University ?

Despite running institutions for an extended period, we recognized our limitations in achieving the ambitious goal of providing access to a universe of knowledge, wisdom, and the purity of human growth and excellence.

To elevate our commitment further, we established Mewar University as a place where aspirations drive innovation, eliminating obstacles to academic pursuits, and fostering the natural and spontaneous development of the mind, soul, and body. In line with this vision, we have introduced initiatives such as the Directorate of Civil Services, dedicated to preparing students for competitive exams, and the Mewar University Skill Development Centre. Our recent collaboration with Mahindra Tractors Skill Development Centre exemplifies our commitment to offering diverse opportunities for skill enhancement. Additionally, we provide value-added courses to further augment the skill sets of our students, ensuring a comprehensive and forward-looking education at Mewar University.

Furthermore, our commitment extends beyond traditional education. We offer comprehensive long and short-term training, providing free coaching for competitive exams and abundant placement opportunities. Choosing Mewar University means choosing a dynamic educational journey where personal growth is nurtured through a combination of innovation, accessibility, and practical opportunities for success.

Learning Environment

Pedagogy for Programmes

- Qualified, experienced and fully dedicated faculties
- Business Executives and Professionals as visiting faculties/Professors.
- Teaching through interactive lectures, case-studies and tutorials with audio-visual aids
- Practical exposure through workshops and laboratories
- Cohesive self-studies through study groups and online discussions
- Open house interaction and group discussions
- On-the-job exposure and projects in live scenario
- Inter-institutional exposure
- Seminars and symposiums
- Prabhash Joshi Smriti Gandhi Sangrahlaya, Mewar Museum, Swantantrata Sangram Swaraj Sangrahalaya, Indian Defence Museum, Vishva Guru Bharat Museum, Yoga Museum, Astrology Museum

MAHINDRA SKILL DEVELOPMENT CENTER

ULTRATECH CEMENT

- Technical Today Club & Mewar Art Gallery
- Quiz and competitions
- Career Counselling
- Continuous sessions of lectures and presentations in their subjects by the students in front of peer groups to sharpen their communication skills and to enhance their knowledge
- Sustained exposure to audio and video lectures of world renowned Academicians, Professors and Scientists through NPTEL and other modes
- Two way Teaching Methodology

Seminars and Workshops

The university actively organizes seminars and conferences addressing pertinent technical and current subjects. It fosters collaboration through faculty and student exchange programs with other institutions. Additionally, inter-class seminars cover topics relevant to the course curriculum and contribute to personality enhancement.

A yearly Faculty Orientation Programme (FOP) is conducted to promote academic and administrative awareness and a comprehensive activity calendar is outlined for each semester.

The workshops and seminars cultivate a positive culture of competition, active engagement, shared learning, discussions and presentations. These platforms play a crucial role in building self-confidence, encouraging free expression and providing opportunities for in-depth knowledge acquisition across various subjects. Students are encouraged to participate in diverse university festivals and engage in project work, contributing to a well-rounded educational experience.

Student Counselling

Counselling on various academic and non-academic matters has been made available to the students. These include emotional, psychological, pedagogic and cultural issues.

Apart from a dedicated Student Counselling Centre, which is open on all working days during study hours to assist students, the students are divided into groups of modest size and each each group is assigned a faculty member, who acts as a counsellor and remains responsible for the group throughout the year. The students are free to contact the counsellors any time for resolving their problems. The Counsellor acts as a Friend, Philosopher and Guide to the students.

The Counsellors provide all required support to students, particularly in terms of learning, enhancement of skills, personal and career counselling. Mewar University believes in making the student as comfortable as possible and virtually adopts the student for the whole tenure of academic programme. A full-fleged student welfare officer is available 24 hours on the campus to solve the problems of the students instantaneously.

The University is also planning to develop a cell that would not only track slow learners but would also help them out in various ways so that they could keep pace with other students (remedial coaching).

Co-Curricular Activities and Tours

The knowledge and skills stored in the brain and not expressed properly is futile. Many co-curricular programmes are held every weekend by different departments of the university to expose the hidden talents of students. There are music, art, dance, drama, debate, presentation, essay writing competitions and group discussions at intra departmental and inter-institution levels with a view to ensuring complete participation of students.

Through intensive study without break, the mind gets stressed. In order to release the pent-up stress and strain, periodic leisure trips are planned by different departments of the university to provide an opportunity to the students to enjoy nature and diverse culture of this incredible nation and also to get rejuvenated.

It helps them to learn communication, leadership, crisis management and team building in a very conducive and challenging environment.

Personality Development Programme

This value added programme attached to main curriculum equips the students with skills that help them in sailing through their main curriculum and in their professional life thereafter. The PDP programme helps the students to learn

the whole gamut of techniques in order to face professionals and corporate world with added confidence. It also inculcates in them professionalism, workplace discipline, personal habits, effective communication, and etiquette to deal with officials besides creating self confidence.

English Language has always given an extra edge to the Indian students in the international market and even the domestic market. In this respect, adequate emphasis has been placed on learning English all throughout the course of study that provides extra opportunity to all the students to improve their ability to read, speak, write and understand the language effectively. One paper of general awareness and PDP and a paper of English have been included in the regular curriculum.

Corporate Consultancy

Mewar University plans to launch its Corporate Consultancy and Management Development programme after careful planning and extensive research. Management to us means substitution of brain for brawn, of knowledge for belief and superstition and of cooperation for force. In a short span, Mewar University has started contributing effectively to the development of Indian Business, by providing specialist knowledge in areas of strategic planning, decision-making and benchmarking.

Apart from organising open management development programmes, the university is committed to develop a chain of multi-functional and multi-sectoral programmes for the corporate world, Government departments and NGOs.

Feedback System

The educational programmes in the University follow latest methods of 360 degree feedback system to keep enriching the course content, teaching methodology and the academic environment. While the students are continuously assessed for their performance, they also play a role in assessing the teachers and staff. The feedback is seriously analysed to introduce systematic improvement through counselling and other proactive actions.

Examination System

The university follows semester system for conducting examinations so as to make education stress free. Grading-based evaluation and modern methodology of assessing performance are being followed. The system is upgraded on a regular basis to keep pace with the developments taking place elsewhere and to enable Mewar University to introduce a practical-oriented examination system which is not only student friendly but also capable of assessing one's potential in a very impartial manner. CBCS System is in practice.

Scholarships and Incentives

I. Mewar University 100% Scholarship Scheme: The University awards 100% scholarships in Tuition fee and Hostel fee to 100 students each year who qualify the exam, interview conducted by the University as a selection process for the scholarship scheme in various programmes offered by the University.

II. Meritorious Student Scholarship Scheme Diploma and Undergraduate Programmes: The University awards scholarships to meritorious students under the following categories:

(a) Student securing 85% and above marks in the previous qualified Board exams are awarded a scholarship of Rs 10000 per year of their tuition fee for the entire duration of the programme.

(b) Student securing 80%-85% in the previous qualified Board exams are awarded a scholarship of Rs 7500 per year of their tuition fee for the entire duration of the programme.

(c) Student securing 75%-80% in the previous qualified Board exams are awarded a scholarship of Rs 5000 per year of their tuition fee for the entire duration of the programme.

(d) Student securing 70%-75% in the previous qualified Board exams are awarded a scholarship of Rs 3000 per year of their tuition fee for the entire duration of the programme.

III. CUET Scholarship Scheme: Based on CUET exam score the University awards scholarships to UG and PG students.

IV. General Scholarship Scheme: The University also awards scholarships to other students based on the programme wherein students want to take admission. The amount of scholarship is decided by the University.

V. Special Scholarship for Girl Students: The University also awards a 50% concession in the registration fee for girl students/aspirants every year.

VI. Need-Based Scholarship: The University awards this scholarship to students who are eager to pursue higher education in the University but not able to pay their complete fees. For this scholarship, the application from the students along with recommendation from the scholarship committee is forwarded to the Hon'ble Chairperson for further necessary consideration.

Note: Student can avail benefit of any ONE scholarship scheme only during the entire programme duration and is not allowed to change/ shift/ merge with any other scholarship schemes except "Special Scholarship for Girl students".

Scholarships for Extra-curricular Excellence

Students chosen from each faculty for exceptional achievements in a variety of extra-curricular activities, including sports, oratory, presentations, cultural activities and more, are awarded a reimbursement of **50%** of the tuition fee.

Infrastructure

Mewar University provides world class infrastructure to its students extensive and exclusive support to the prevailing learning environment.

Library

The University has a well-stacked, air-conditioned and fully computerised library, which serves as a catalyst in the learning process.

To ignite the intellectual spirit in young minds, a stock of over 85,000 latest books, large collection of video/audio CDs, industry and company information sources are made available to the students.

The university has course-wise departmental libraries and a central library to provide adequate support for complete academic pursuit. Additionally, a separate reference section for university recommended books of each course has also been provided.

Open and accessible 15 hours a day, the library includes a separate display section announcing new arrivals. The unique feature of the Mewar University library is its Electronic Media Library Division. It grants access to Indian and Global database related to programmes and training materials, which are also made available in CD-ROMs. Major features of the library include:

- Study and Reference Books
- Large collection of National and International Journals
- Reading Halls for more than 300 students
- Special Reading Room for Researchers and Teachers
- Computerised Library Management System
- Online Workstations connected with 100 Mbps Internet connectivity
- Audio-Visual Library Section
- Career Guidance Section
- Magazines and Periodicals Section
- A separate Reference Section is maintained for important and rare books
- Easy operation through automated library procedures and Bar Code system
- Digital Library-to provide access to e-Journals, to download desired material
- Reprographic facility
- Separate Museum with old Manuscripts, writings and currency and Coins

*The University took initiative to honour the talents in Rural area and gave admission to the students of Navodaya Vidyalaya: those who secured 85% and above, through counseling, were exempted from paying tution fee and hostel charges.

Laboratories

The campus has well-equipped laboratories that have been aesthetically designed and arranged with modern equipment and infrastructure to completely cover the syllabus of each branch of study. The labs include Physics Labs, Chemistry Labs, Electrical Engineering Labs, Electronics Engineering Labs, Mechanical Labs, Pharmacy Labs. Agriculture and Forestry Labs & Field. Professional Recording Studio, Communication Labs, Electrical and Mechanical Workshops, Computer Labs, Engineering Graphics Labs, Language Lab, Moot Court & Agriculture field etc. In all these labs, hands-on training is imparted to the students to keep pace with modern technology. The university possesses well-qualified and experienced technical staff with all resources to develop the technical skills of the students in all fields.

The campus has an array of computers distributed over different sections of academic block. The air-conditioned computer labs with pleasing ambience is spread over 850 square meters. The Computer Centre has high-end servers to cater to the needs of the networked environment. The client machines have the latest configuration. All machines have 24x7 online UPS power supply backup by 750 KVA DG sets with Internet and Wi-Fi.

Hostels

In order to provide accommodation to students coming from far-off places, the university provides separate air-cooled hostel facilities for boys and girls within the campus. The hostels maintain high quality of living with round-the-clock basic facilities like water, electricity, food, laundry, entertainment, medical facility, telephone connectivity, security, etc. The campus hostel is surrounded by lush green lawns and play grounds.

The hostels have a total capacity to accommodate around 1600 students. Each hostel is divided into separate wings with a separate common room. Each hostel is managed and looked after by a dedicated warden.

The hostels provide several sports facilities for its inmates, which include badminton, basketball, volleyball, cricket and indoor games such as table tennis, and chess. In order to ensure physical as well as spiritual fitness for its future professionals, the hostellers are provided with a gymnasium. Besides, yoga and meditation classes are held on a daily basis.

To improve the learning process, the management has provided extended access to the library and computer centre, with all the essential software loaded as per the curriculum. The University also takes due care to protect the religious, cultural and social beliefs of the students. Each festival is celebrated with full fervour and enthusiasm.

Transport

The university owns its own transport fleet and ensures satisfactory transport services between the city and the campus, with vehicles plying at reasonable intervals. The university is likely to start transport services to nearby towns based on a survey of the requirements of staff, students and faculty. Transport facility is arranged by the university for training, industrial visits, academic and co-curricular activities.

Canteen and Amenity Centre

The university has a modern canteen functioning in the campus, which can conveniently accommodate a good number of students at a time. The canteen is equipped with modern furniture and automatic cooking system and storage facilities. Delicious and nutritious lunch, dinner, snacks and beverages are made available to the students and staff at reasonable rates.

The Amenity Centre is a mini market place within the campus. It has a cafeteria, stationary shop, laundry, hair dresser, a transport facilitation counter, courier kiosks etc. The Amenity Centre serves all the basic and daily needs of the students and staff within the Campus precincts. Bank & ATM facility is also available in the campus.

Sports, Gym, Yoga, Meditation

Adequate facilities for indoor and outdoor games, such as basketball, badminton, football, cricket, volleyball, table tennis have been arranged within the university campus for the students. The university supports and encourages students to participate in district, state and national level competitions in sports and extra-curricular activities.

Peace is a virtue, a state of mind, a disposition for benevolence, confidence, courage, justice, and practice. Peace lies in a pure state of mind and sound physical health. These can only be attained through physical exercise, yoga and meditation. In order to inculcate these habits the university has developed a Gymnasium and Yoga Centre for the physical and spiritual benefit of the students.

Culture and Heritage Centre

The University places special emphasis on cultivating awareness among students regarding Indian culture, heritage and the heroic deeds and sacrifices of those who contributed to the greatness of our country. A dedicated gallery, showcasing portraits, sayings and writings of these great souls, has been established. Regular lectures, seminars, essay competitions, role plays, anniversaries and festivals are organized to pay homage to these towering personalities. Continuous efforts are made to inspire students with their ideals and instill the values championed by them.

Health and Medical Facility

Healthcare is recognised as a basic requirement to support any kind of human activity. Mewar University pays unstinted attention to medical fitness of its students. A qualified doctor is in attendance to take care of all health related requirements besides attending to emergencies.

The University has established a 300 bedded hospital in the campus, which apart from providing medical services to its students in-house, would also render community services by extending treatment and supplying medicines to residents of nearby villages. The Hospital has qualified nurses and regular qualified doctors (Male/Female) for consultation, besides there is also a Physiotherapy Centre. A Medical van is available 24X7 in the campus for any emergency situation.

Guest House

The University has a guest house facility to accommodate visiting faculties and officials. The guest house has sufficient rooms with all modern amenities to provide required comfort to the guests accommodated for a short stay in the campus.

Training Centre for Faculties and Officials

A training centre with the requisite gadgets and equipment facility is also there in the campus for the continuous upgradation of knowledge of faculties and officials. It is designed to keep the teaching staff up-to-date with new developments in different subjects and teaching methodology. The university is continuously arranging training programmes for faculties so that their teaching skill is updated and improved.

Training and Placement Initiatives

Mewar University has faculties covering Engineering, Management, Agriculture, Pharmacy, Computer Science, Health Science, Law & various other Technical and Professional courses, along with conventional courses. Our endeavor is not only to educate the students to earn degree but also to extend employment opportunities through our rigorous Corporate Outreach programs.

We are working in direction to develop the leaders in their respective trades, who can make themselves stand in today's environment of high-rise competition. University has put efforts to train the students well for the industrial demands of today. Following enhancement programmes have been devised to provide the students with better skill set and employable learning.

- The formal education with disciplinary training.
- Short-Term training programs within the course of program.
- The Internship, to boost the confidence and understanding of Industrial functioning.
- And, finally getting appropriate placement opportunity.

Details of Academic Programme under various Faculties

Faculty of Engineering & Technology

Name of Programme	Duration	Fee per year	Eligibility
Polytechnic Diploma (Civil, CSE, EE, Mining, ECE, Mechanical, Chemical)	3 Years	₹ 75,000 per year	Min. 40% marks in 10th or equivalent
Polytechnic Diploma (Lateral Entry) (Civil, CSE, EE, Mining, ECE, Mechanical, Chemical)	2 Years	₹ 75,000 per year	Min. 40% marks in 12th (PCM) or ITI (2 Years) or equivalent
B.Tech (CSE, AI & Data Science, AI & ML, IT)	4 Years	₹ 1,70,000 per year	Min. 50% marks in 12th (PCM) or Polytechnic Diploma
B.Tech. (Chemical, Civil, Mechanical, Mining, Electrical, ECE, Petrochemical, Biotechnology)	4 Years	₹ 1,70,000 per year	Min. 50% marks in 12th (PCM) or PCB for Biotechnology
B.Tech. (Lateral Entry) (CSE, AI & DS, AI & ML, IT, ECE, EE, Mech., Mining, Civil, Chemical, Biotechnology)	3 Years	₹ 1,70,000 per year	Min. 50% marks in diploma in relevant programme
M.Tech. (CSE, Al & ML, IS, ML, SE, AI & DS, Mine Planning, VLSI, DC, Robotics, Manufacturing System, Thermal, Power System, Renewable Energy, PED, Chemical, Cement & Ceramics, Polymer, Environmental Science, Structural, Transportation, Construction Tech. & Mgmt)	2 Years	₹ 1,35,000 per year	Min. 50% marks in graduation in relevant programme

Faculty of Science & Technology

Name of Programme	Duration	Fee per year	Eligibility
B.Sc. (General) Physics, Chemistry, Botany, Zoology, Statistics, Mathematics, Biotechnology, Microbiology	3 Years	₹ 53,000 per year	Min. 50% marks in 12th (PCM or PCB) or equivalent
B.Sc. (Hons.) Physics, Chemistry, Botany, Zoology, Statistics, Mathematics, Biotechnology, Microbiology	4 Years	₹ 53,000 per year	Min. 50% marks in 12th (PCM or PCB) or equivalent
M.Sc. (Physics, Chem., Mathematics, CS, Statistics, Botany, Microbiology, EVS, Zoology, Biochemistry Biotechnology)	2 Years	₹ 1,35,000 per year	Min. 50% marks in graduation in relevant programme
M.Sc. (Chemistry - Organic Chem., Inorganic Chem., Physical Chem., Analytical Chem., Industrial Chem., Polymer Chem.)	2 Years	₹ 1,35,000 per year	Min. 50% marks in graduation in relevant programme

Faculty of Management & Commerce

Name of Programme	Duration	Fee per year	Eligibility
BBA	3 Years	₹ 1,35,000 per year	Min. 50% marks in 12th or equivalent
BBA (Hons.)	4 Years	₹ 1,35,000 per year	Min. 50% marks in 12th or equivalent
BBA Aviation	3 Years	₹ 1,35,000 per year	Min. 50% marks in 12th or equivalent
BBA (Hons.) Aviation	4 Years	₹ 1,35,000 per year	Min. 50% marks in 12th or equivalent
BBA+MBA	4 Years	₹ 1,70,000 per year	Min. 50% marks in 12th or equivalent
B.Com.	3 Years	₹ 50,000 per year	Min. 50% marks in 12th or equivalent
B.Com. (Hons.)	4 Years	₹ 50,000 per year	Min. 50% marks in 12th or equivalent
BHM	4 Years	₹ 1,35,000 per year	Min. 50% marks in 12th or equivalent
BTTM	4 Years	₹ 1,35,000 per year	Min. 50% marks in 12th or equivalent
MBA	2 Years	₹ 1,70,000 per year	Min. 50% marks in graduation in relevant programme
MBA Executive	2 Years	₹ 1,70,000 per year	Min. 50% marks in graduation in relevant programme
M.Com.	2 Years	₹ 50,000 per year	Min. 50% marks in B.Com or equivalent
MHM	2 Years	₹ 53,000 per year	Min. 50% marks in graduation in relevant programme
MTTM	2 Years	₹ 53,000 per year	Min. 50% marks in graduation in relevant programme

Faculty of Computer Science & System Studies

Name of Programme	Duration	Fee per year	Eligibility
PGDCA	1 Years	₹ 40,000 per year	Min. 50% marks in PG in relevant programme
B.Sc. (IT, SE)	3 Years	₹ 1,35,000 per year	Min. 50% marks in 12th (PCM) or equivalent
B.Sc. (Hons.) (IT, SE)	4 Years	₹ 1,35,000 per year	Min. 50% marks in 12th (PCM) or equivalent
BCA (Data Science, AI, Web Technology, Cloud Computing, Cyber Security)	3 Years	₹ 1,35,000 per year	Min. 50% marks in 12th
BCA (Hons.) (Data Science, AI, Web Technology, Cloud Computing, Cyber Security)	4 Years	₹ 1,35,000 per year	Min. 50% marks in 12th
M.Sc.	2 Years	₹ 1,35,000 per year	Min. 50% marks in graduation in relevant programme
MCA	2 Years	₹ 1,35,000 per year	Min. 50% marks in graduation in relevant programme

Faculty of Legal Studies

Name of Programme	Duration	Fee per year	Eligibility
BA + LL.B. | BBA + LL.B	5 Years	₹ 1,70,000 per year	Min. 50% marks in 12th
LL.B	3 Years	₹ 1,00,000 per year	Category Relaxation is applicable: SC- 40% | OBC 42% | General 45%) marks in graduation in relevant programme
LL.M	2 Years	₹ 75,000 per year	Min. 50% marks in LL.B

Faculty of Mass & Media Communication

Name of Programme	Duration	Fee per year	Eligibility
BJMC	3 Years	₹ 1,70,000 per year	Min. 50% marks in 12th
BJMC (Hons.)	4 Years	₹ 1,70,000 per year	Min. 50% marks in 12th
MJMC	2 Years	₹ 1,00,000 per year	Min. 50% marks in graduation in any programme

Faculty of Allied and Healthcare Sciences

Name of Programme	Duration	Fee per year	Eligibility
Diploma (Medical Laboratory Technology, Radiation Technology, Operation Theatre	2 Years	₹ 80,000 per year	Min. 50% marks in 12th (PCM or PCB) or equivalent
B.Sc. (Medical Laboratory Science)	4 Years	₹ 1,70,000 per year	Min. 50% marks in 12th (PCM) or equivalent
B.Sc. (Optometry)	5 Years	₹ 1,70,000 per year	Min. 50% marks in 12th (PCM or PCB) or equivalent
BHA (Bachelor in Hospital Administration)	4 Years	₹ 1,35,000 per year	Min. 50% marks in 12th (PCM or PCB) or equivalent
BPT (Bachelor of Physiotherapy)	5 Years	₹ 1,35,000 per year	Min. 50% marks in 12th (PCB) or equivalent
M.Sc. (Medical Laboratory Science, Optometry)	2 Years	₹ 1,35,000 per year	Min. 50% marks in graduation in relevant programme
MPT (Musculoskeletal Science, Neuro Science, Cardio-Pulmonary Science, Sports Science, Paediatric & Neonatal Science, Obstetrics and Gynaecology Sciences)	2 Years	₹ 1,35,000 per year	Min. 50% marks in graduation in relevant programme
MHA (Masters in Hospital Administration)	2 Years	₹ 1,35,000 per year	Min. 50% marks in graduation in relevant programme
MPH (Masters of Public Health)	2 Years	₹ 1,35,000 per year	Min. 50% marks in graduation in relevant programme

Faculty of Pharmaceutical Sciences

Name of Programme	Duration	Fee per year	Eligibility
D. Pharm	2 Years	₹ 1,50,000 per year	Min. 50% marks in 12th (PCM or PCB) or equivalent
B. Pharm	4 Years	₹ 1,70,000 per year	Min. 50% marks in 12th (PCM or PCB) or equivalent
M. Pharm	2 Years	₹ 1,35,000 per year	Min. 55% marks in graduation in relevant programme
Pharm D.	6 Years	₹ 3,00,000 per year	Min. 50% marks in 12th (PCM or PCB) or equivalent

Faculty of Education & Psychology

Name of Programme	Duration	Fee per year	Eligibility
D.EL.ED. (BSTC)	2 Years	₹ 85,000 per year	Min. 50% marks in 12th or equivalent
BA-B.Ed. / B.Sc.-B.Ed / B.Com.-B.Ed. (Integrated)	4 Years	Through Govt.	Min. 50% marks in 12th or equivalent
B.Ed. (Bachelor of Education)	2 Years	Through Govt.	Min. 50% marks in graduation or equivalent
BA (Psychology)	3 Years	₹ 33,000 per year	Min. 50% marks in 12th or equivalent
BA (Hons.) (Psychology)	4 Years	₹ 33,000 per year	Min. 50% marks in 12th or equivalent
MA	2 Years	₹ 53,000 per year	Min. 50% marks in graduation in relevant programme
BPES (Bachelor of Physical Education & Sports)	3 Years	₹ 55,000 per year	Min. 50% marks in 12th or equivalent
B.P.Ed. (Bachelor of Physical Education)	2 Years	Through Govt.	Min. 50% marks in graduation or equivalent

Faculty of Alternative Therapy

Name of Programme	Duration	Fee per year	Eligibility
BA	3 Years	₹ 25,000 per year	Min. 50% marks in 12th or equivalent
BA (Hons.)	4 Years	₹ 25,000 per year	Min. 50% marks in 12th or equivalent
MA	2 Years	₹ 40,000 per year	Min. 50% marks in graduation in relevant programme
Diploma	2 Years	₹ 43,000 per year	Min. 50% marks in 12th or equivalent
B.Sc. / BA	3 Years	₹ 43,000 per year	Min. 50% marks in 12th or equivalent
B.Sc. / BA (Hons.)	4 Years	₹ 43,000 per year	Min. 50% marks in 12th or equivalent
PG Diploma	1 Year	₹ 43,000 per year	Min. 50% marks in graduation in PG relevant programme
M.Sc. / MA	2 Years	₹ 43,000 per year	Min. 50% marks in graduation in relevant programme

Faculty of Agriculture & Veterinary Sciences

Name of Programme	Duration	Fee per year	Eligibility
B.Sc. Agriculture	4 Years	₹ 1,70,000 per year	Min. 50% marks in 12th (PCM or PCB or PCA)
B.Sc. (Forestry, Horticulture)	4 Years	₹ 1,70,000 per year	Min. 50% marks in 12th (PCM or PCB) or equivalent
M.Sc. [Forestry (Silvi Cultural, Agro-forestry), Vegetable Science, Fruit Science and Soil Science & Agriculture Chem., Agri. Extension, Agricultural Entomology, Plant Pathology]	2 Years	₹ 1,35,000 per year	Min. 50% marks in graduation in relevant programme
M.Sc. Agronomy	2 Years	₹ 1,35,000 per year	Min. 50% marks in graduation in relevant programme

Faculty of Humanities, Social Sciences & Fine Arts

Name of Programme	Duration	Fee per year	Eligibility
Advanced Bridge Course (Fine Arts & Music)	1 Year	₹ 50,000 per year	Min. 50% marks in 10th or equivalent
BA (Economics, English, Hindi, History, Geography, Urdu, Philosophy, Political Science, Public Administration, Sociology, Sanskrit, Fine Arts & Music)	3 Years	₹ 50,000 per year	Min. 50% marks in 12th or equivalent
BA (Hons.) (Economics, English, Hindi, History, Geography, Urdu, Philosophy, Political Science,	4 Years	₹ 50,000 per year	Min. 50% marks in 12th or equivalent
B.Sc. (Fashion Designing)	3 Years	₹ 43,000 per year	Min. 50% marks in 12th or equivalent
B.Sc. (Hons.) (Fashion Designing)	4 Years	₹ 43,000 per year	Min. 50% marks in 12th or equivalent
BVA/BPA	4 Years	₹ 50,000 per year	Min. 50% marks in 12th or equivalent
MA (Economics, English, Hindi, History, Geography, Urdu, Philosophy, Political Science, Fine Arts & Music, Public Administration, Sociology, Sanskrit)	2 Years	₹ 50,000 per year	Min. 50% marks in graduation in relevant programme
MVA/MPA	2 Years	₹ 50,000 per year	Min. 50% marks in graduation in relevant programme
MSW	2 Years	₹ 50,000 per year	Min. 50% marks in graduation in relevant programme

Training and Internship Model

Mewar University has adopted the policy of Best Teaching, Best Training and Best Placements. We have made skill development of the students an integral part of the curriculum. Mewar University is providing best teaching/practical exposure to its students in reputed Government, Semi Government/Reputed institutions. The University has made a mandatory provision for training as described below:

Changing The Paradigm

Phase I - Short Term Training

- **B.Tech (4 Years)**
  3 to 6 weeks training after 6th semester
- **MBA, MCA and M.Sc. (2 Years)**
  3 to 6 weeks training after 2nd semester
- **Polytechnic Diploma, DMLT, B.Sc., BCA and BBA (3 Years)**
  3 to 6 weeks training after 4th semester
- **Integrated BA+LL.B, BBA+LL.B (5 Years)**
  3 to 6 weeks training after 8th semester
- **BMLS (4 Years)**
  3 to 6 weeks training after 4th semester
- **B.Sc. - (Optometry) (5 Years)**
  3 to 6 weeks training after 4th semester
- **B.Pharm (4 Years)**
  As per Guideline PCI
- **D.Pharm (2 Years)**
  As per Guideline PCI

Phase II - Internship

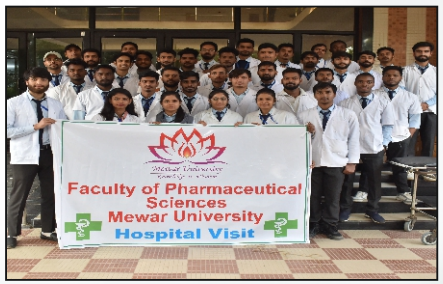

In the last semester of the programme, the students are attached to the related industry for six months of internship. The department/function or the Industry/ Organization which the student join for six months of internship is solely decided on the basis of the theme on which they have undergone training during Phase-I.

- **For B.Tech (4 Years)**
  6 months on-the-job training cum internship in concerned industry during 8th semester
- **MBA, M.Sc., MLT & MCA (2 Years)**
  6 month on –the-job training cum internship in concerned industry during 4th semester
- **Polytechnic Diploma, BJMC, B.Sc. (IT), BCA & BBA (3 Years)**
  6 months on-the-job training cum internship in concerned industry during 6th semester
- **Integrated BA+LL.B, BBA+LL.B (5 Years)**
  6 months on-the-job training cum internship in concerned industry during 10th semester
- **B.Sc. - (Agriculture, Horticulture, Forestry) (4 Years)**
  As per Guideline ICAR
- **BMLS (4 Years)**
  1 year on-the-job training cum internship in concerned industry during last year.
- **B.Sc. - (Optometry) (5 Years)**
  1 year on-the-job training cum internship in concerned industry during last year.
- **BPT - (Bachelor of Physiotherapy) (5 Years)**
  1 year on-the-job training cum internship in concerned industry after 4th year.

Short-term Training at a Glance

Training of our students is done in more advanced way as compared to traditional way, for this Mewar University has collaborated with many training centers, of international repute, where our students get intense hands-on training.

Short - Term Training

Redbird Flight Training Academy, Pune
Department of Aircraft Maintenance Engg.

Indo Danish Tool Room, MSME Jamshedpur
Department of Computer science & Engg.

Institute Indo German Tool Room
Department of Mechanical Engg.

Indo German Tool Room, Ahmedabad
Department of Computer science & Engg.

Claroid Pharmaceuticals
Department of Pharmacy

Central Tool Room & Training Centre (CTTC), Bhubaneswar
Department of Civil Engg.

Internship at a Glance

Committed to delivering high-quality higher education, we continuously evaluate industry needs in the dynamic business landscape. Our focus is on crafting advanced patterns of higher technical education that not only empower students with innovative ideas and a fresh perspective but also address industry challenges in human resources with precision.

With this objective in mind, we have designed our academic curriculum to dedicate the final semester (six months) to an Industrial Internship program. During this period, students engage in a training program with specific industries or institutes, gaining practical on-the-job exposure to various facets of industrial operations.

These internships create an optimal environment for the development of interpersonal, communication and teamwork skills, in addition to enhancing technical aptitude and fostering behavioral learning.

Internship

Secure Meters, Udaipur
Department of CSE & Computer Application

Mahindra Tractor Plant, Jaipur
Department of Mechanical Engineering

Hotel The Grand Chittor
Department of Hotel Management

Keshav Porwal Hospital, Bhilwara
Department of Pharmacy

BSL, Bhilwara
Department of Chemical Engineering

Sudiva Spinners Pvt. Ltd., Bhilwara
Faculty of Management & Commerce

Recruitment at a Glance

The Placement Cell at Mewar University is dedicated to effectively connecting with students and empowering them to make informed decisions about their careers. It has successfully attracted prominent industry leaders, bringing companies with expertise in core disciplines such as Mechanical, Electrical, Civil and Electronic Engineering, as well as other sectors, to its campus. The primary objective of the placement cell is to offer a diverse array of career choices, catering to the varied aspirations of students.

Industrial Visit

UltraTech RMC Plant, Udaipur
Civil Engineering

132 kV Grid Substation, Soniyana (RVPNL)
Department of Electrical Engineering

Castle Narela Lake Resort
Department of Hotel Management

Central University of Rajasthan
Department of Life Science

R.K. Marble, Rajsamand
Department of Mining Engineering

Mewar Hand Print, Akola
Department of Fashion Designing

Prominent Placements

Gaurav Srivastav
B.Tech. Civil
Placed At: Godrej
Package: 11.5 LPA

Aaditya Narayan Chaudhary
B.Tech. Civil
Placed At: Gold Chain Trading & Contracting
Package: 7.2 LPA

D Manish
B.Tech.
Placed At: Kotak Mahindra Bank
Package: 7.3 LPA

Arpit Rathore
D. Pharm
Placed At: Mankind Pharma
Package: 9.5 LPA

Gaurav Singh
M.Tech.
Placed At: L & T Construction
Package: 6.5 LPA

Shivam Verma
B.Tech. Mechanical
Placed At: Reliance Power
Package: 8.5 LPA

Vivek Kumar Singh
B.Pharm
Placed At: Galentic Pharma
Package: 7.5 LPA

Sameer Sharma
B.Tech. EE
Placed At: Belectric Solar & Battery Gmbh.
Package: 9.3 LPA

Akash Pravin Kumar Patel
B.Tech.
Placed At: Subway
Package: 13 LPA

Zuber Alam
BBA+MBA
Placed At: ICICI BANK
Package: 15 LPA

Arpit Sharma
B.Tech. ECE
Placed At: Microsoft
Package: 8.5 LPA

Akshay Joshi
B.Sc. Agriculture
Placed At: Bayer Crop Science
Package: 6 LPA

Ritu Gurnani
MBA
Placed At: Hero MotorCorp
Package: 15 LPA

Dinesh Kumar Mewara
B.Pharm
Placed At: Claroid Pharmaceuticals
Package: 8 LPA

Nitika Pathak
MCA
Placed At: ASMI Global Software
Package: 7 LPA

Raghav Mundra
BBA
Placed At: AU Small Finance Bank
Package: 6 LPA

Roshan Kumar
M.Sc. Agronomy
Placed At: Nedspice
Package: 5.9 LPA

Ihaan Ahmad Siddiqui
B.Tech. Mechanical
Placed At: Dynamic Cables Ltd.
Package: 6 LPA

Saheem Gulzar
B.Pharm
Placed At: MacMillon Pharmaceuticals
Package: 5 LPA

Anas Khan
Diploma Mechanical
Placed At: Taj Motors
Package: 7 LPA

Arushi Sharma
B.Tech. CSE
Placed At: Sun Rise Global Solutions
Package: 8 LPA

Industry-University Interface, Foreign and Government Collaborations

Striving to deliver excellence in education, training, research, counseling and placement services, Mewar University has recently established partnerships with numerous Government and Non-Government Industries/Reputed Institutions. These collaborations are designed to offer our students international exposure through industrial and practical training aligned with the respective industries on a global scale.

Some of the collaborations made are listed below:

Memorandum of Understanding

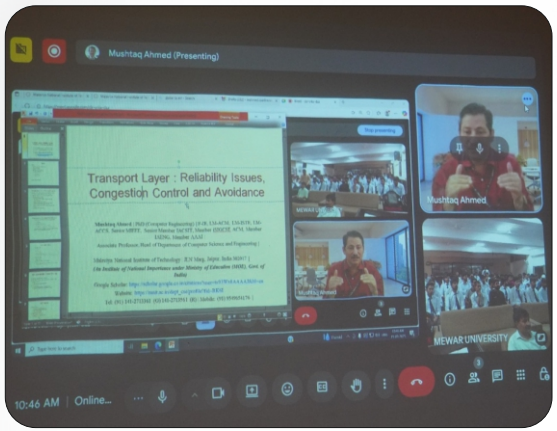

NATIONAL

1. Aditya Birla Training & Research Centre (ABTRC), Pilani
2. Banking Finance and Insurance Institute of Nepal Limited
3. Fragrance & Flavour Development Centre (FFDC), Kannauj
4. Indian Institute of Gems and Jewellery (IIGJ), Jaipur
5. Institution of Fire Engineers, India
6. International Institute of Risk & Safety Management (IIRSM)
7. Energy Swaraj Foundation
8. Dynamic Elecpower Pvt. Ltd., Bhilwara
9. Sharda Group, Bhilwara
10. Bluecare Systems Pvt. Ltd., Bhilwara
11. Nitin Spinners Limited, Bhilwara
12. PG Foils Limited, Pali
13. Indian Institute of Sugarcane Research, Lucknow
14. Aviakul Private Limited, New Delhi
15. Construction Industry Development Council, New Delhi
16. Central Institute of Petrochemicals Engineering & Technology (CIPET)
17. DNA Labs- A Centre for Applied Sciences, Dehradun, Uttarakhand
18. Maharana Pratap University of Agriculture & Technology, Udaipur
19. Royal Research Centre, Kabilpore, Navsari, Gujrat
20. Krishna Hospital, Bhilwara
21. M.P. Birla Hospital & Research Centre, Chittorgarh
22. CSIR- Central Electronics Engineering Research Institute
23. Indo German Tool Room (IGTR), Ahmedabad
24. Institution of Fire Engineering (India), Delhi (IFE)
25. International Institute of Risk & Safety Management (IIRSM)
26. Banking, Finance and Insurance Institute of Nepal (BFIN)
27. Max Healthcare Institute Limited
28. Rajasthan State Industrial Development & Investment Corporation Ltd. (RIICO)

INTERNATIONAL

1. Cavendish University, Zambia & Uganda
2. Centre of Excellence - (for Ph.D Studies, Babarmahal, Kathmandu, Nepal)
3. Dankook University
4. Deutsch Language Institute (DLI), Germany
5. Institute National des Sciences Appliquées (INSA Rennes), France
6. Pyeongtaek University (PTU), Korea
7. Universite' de Nantes, France
8. Universite' de Poitiers, France
9. University Institute of Technology (IUT) Angouleme, France
10. Zambia Institute of Mass Communication (ZAMCOM), Zambia

Guest Lecture

Speaker Name: Dr. Mushtaq Ahmed
Associate Professor, MNIT Jaipur
Dept. of CSE & Computer Application

Speaker Name: Mr. Latif Khan
Assoc. Prof., GITS Udaipur
Dept. of Physics

Speaker Name: Dr. P.K. Rajput
Former Sr. Vice President of Cadila Pharma
Dept. of Pharmacy

Speaker Name: Dr. Lokesh Jasoria
Assoc. Prof., Govt. Girls College, Chittorgarh
Faculty of Science & Technology

Speaker Name: Mr. Dheeraj Sharma
Advocate, District & Sessions Court, Bhilwara
Faculty of Legal Studies

Speaker Name: Mr. Shashi Kumar Pandey
Sr. Journalist, Hindustan Times (New Delhi)
Dept. of Mass Media & Communication

Guest Lecture

Speaker Name: Dr. Sirazuddin Sidiqque
Assistant Professor, Amar Singh College
Faculty of Agriculture & Veterinary Sciences

Speaker Name: Prof. (Dr.) Hanan Khalid Khan
Director Principal, ASE Group of Institutions
Department of English

Speaker Name: Dr. Abhimanyu Singh
Managing Partner, Manulegal & Associates
Faculty of Legal Studies

Speaker Name: Dr. Narendra Singh Goyal
Academician & Performance Coach, Udaipur
Faculty of Management & Commerce

Speaker Name: Dr. Sumit Kumar
Assistant Professor, JNU Medical College
Department of Paramedical Science

Speaker Name: Er. Gireesh Bhardwaj
UltraTech Cement, Rajasthan Chapter
Department of Civil Engineering

Value-Added Course

Course Name: ICT in Education (Swayam Portal)
Dept. Name: Bachelor of Education (B.Ed.)

Speaker Name: Hindi Typing
Dept. Name: Mass and Media Communication

Speaker Name: Intellectual Property Rights
Dept. Name: Legal Studies

Course Name: Application of Total Station in Site Planning & Building Layout
Dept. Name: Civil Engineering

Speaker Name: Digital Empowerment
Dept. Name: Mechanical Engineering

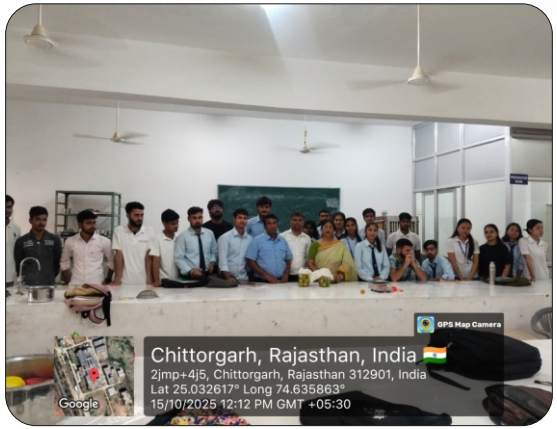

Speaker Name: Budget and Finance Awareness
Dept. Name: Economics

Value-Addes Course

Course Name: Basic Course in Biomedical Research (Swayam Portal)
Dept. Name: Pharmaceutical Sciences

Course Name: Processing and Value Addition for Home-Scale Preservation

Course Name: Mine Gases and Lamp handling
Dept. Name: Mining Engineering

Research and Development Programmes

Mewar University offers the best possible research facilities and environment to its students and teachers. From its very inception, Mewar University has focused on research by giving emphasis on Ph.D programme. A committee of renowned academicians of the country approves the topics for research, reviews the synopsis guide to the candidates through their various interactions in their supervision. The committee ensures that research projects have contemporary relevance, and that research scholars rigorously follow high standards of research in pursuit of their Ph.D programme are offered in various subjects under all faculties of the University.

Research Events: The university is organizing research events such as synopsis, seminars and conferences throughout the year. The university by organizing such kind of events provides an excellent opportunity to participate in seminars and workshops on the contemporary knowledge and offers access to top of the line information database and opportunity to interact with industry, academic leaders, successful entrepreneurs, researchers, scientists and technocrats. The research scholars by participating in such events can enhance the understanding about the corporate world, national and global socio-political scenario, technological advancements relevant to their subject and get a platform to judge the depth and righteousness of their thesis preparation.

Research Guides: The University has Research Guides of profound eminence and the allotment/allocation of supervisor is not left to the research Scholars or the supervisors. The allocation of the supervisor for the selected student is decided by the department in a formal manner depending on various criteria such as the number of research scholars already registered with the supervisor, the expertise of the supervisor, expertise required under specialization and the research interest of the scholar, as indicated during the interview of the candidate.

Research Department and Coordinator: To facilitate the scholars all through its research work a full-fledged Research Department headed by the Research Dean of the University provides the support and guidance for identification of Research Supervisor by arranging interactions with experts. The University is constantly upgrading its resources to empower scholars to conduct quality research.

Mewar University's Journal of Indian Research (JIR): The Journal of Indian Research [ISSN: (Print) 2320 -7000] is a quarterly peer-reviewed, online, open-access (OA), journal supported by an editorial board comprising subject experts drawn from all disciplines. The main purpose of JIR is to bring into focus the latest developments in the field of research by academicians and students. JIR publishes research papers on the topics related to science, engineering, information technology, arts, social science, law, management, commerce, etc.

MEWAR UNIVERSITY

Mewar University Hospital

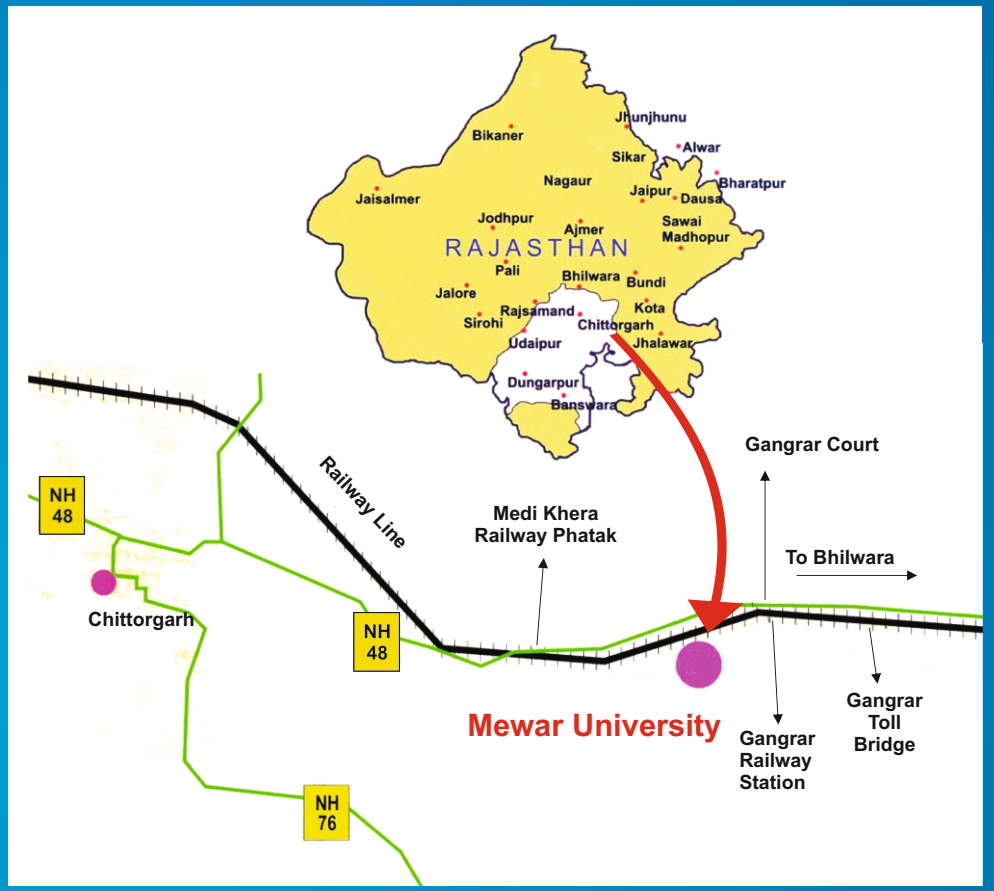

"He, who after careful thinking, is ever ready to accept truth and reject falsehood; who counts the happiness of others as he does that of his own self- him I call just."

Swami Dayanand Saraswati

"Take up one idea. Make that one idea your life-think of it, dream of it, live on that idea. Let the brain muscles, nerves, every part of your body be full of that idea and just leave every other idea alone. This is the way to success"

Swami Vivekananda
